

# Street Maintenance Plan Fiscal Year 2022 – 2023 Notice of Public Outreach Meeting

City Council Meeting  
July 11, 2022

# Pavement Condition Index

# Maintenance Strategies

## Preventative Maintenance

- Crack Seal
- Potholes, Patching & NBU Street Repairs - Application of hot mix asphalt (HMA) to smooth roadway and remove rutting.
- Blade Level-Up and Limited Overlay – 1” HMA
- Micro Surfacing – ¼” HMA

## Mill and Overlay

- Mill and overlay - spot base repair, mill existing asphalt to level surface and asphalt overlay. Typically 2” is milled out and repaved.

## Rehabilitation

- Mill or pulverize asphalt surface, stabilize subgrade, add base, and add a 2” of hot mix asphalt overlay at existing grade.

# Public Input
