Additional: This proposal is valid for Pierce Manufacturing Bid 1327. Pricing Level Discount requires purchase prior to November 1, 2026. This proposal pricing is based on a standard one (1) year warranty. Extended bumper to bumper warranties are available ranging from two (2) to ten (10) years or beyond. Costs for extended warranties range from \$10,000 for a two (2) year up to \$94,000 for a ten (10) year bumper to bumper. Prepayment options are also available upon request.

Taxes: Tax is not included in this proposal. If the purchasing organization is not exempt from sales tax or any other applicable taxes and/or the proposed apparatus does not qualify for exempt status, it is the duty of the purchasing organization to pay any and all taxes due. Balance of sale price is due upon acceptance of the apparatus at the factory.

Payment Terms: Unless otherwise specifically noted and agreed upon in writing by Siddons-Martin Emergency Group, all invoices are net due upon delivery and acceptance of the apparatus. Any alternate payment terms must be expressly approved in advance and documented in a signed agreement or purchase order executed by both parties. Payments not received when due shall be subject to the late fee provisions stated below, accruing from the date payment was due until paid in full. Siddons-Martin Emergency Group reserves the right to delay delivery, withhold release of title or documentation, or impose additional charges if agreed payment terms are not met. Title and ownership of the apparatus shall not transfer to the Customer until full payment has been received by Siddons-Martin Emergency Group.

If the apparatus and any associated loose equipment, poly components, or upfitting items are purchased under a single purchase order, Siddons-Martin Emergency Group will invoice for the total purchase price upon Customer's acceptance of the apparatus, excluding any ancillary, incidental, or non-essential outstanding items. For purposes of this Agreement, "outstanding items" may include, without limitation, loose equipment, accessories, minor apparatus upfitting, punch-list items, or post-delivery buildout components that do not materially impair the Apparatus's intended operational use.

If Customer requests delivery of loose equipment, poly components, or upfitting items prior to delivery of the apparatus, Siddons-Martin Emergency Group may condition such early delivery on advance payment of the total purchase price or written confirmation that such payment has been authorized by Customer.

Late Fee: A late fee of .033% of the sale price will be charged per day for overdue payments beginning ten (10) days after the payment is due. After 30 days, the late fee increases to .044% per day until the payment is received.

Persistent Inflationary Environment Notification: If the Producer Price Index of Components for Manufacturing [www.bls.gov Series ID: WPUID6112] (the "PPI") has increased at a compounded annual growth rate greater than 5.0% from the date of acceptance of this proposal letter (the "Order Month") and 14 months prior to the anticipated Ready for Pickup Date (the "Evaluation Month"), then the proposal price may be increased by an amount equal to any increase exceeding 5.0% for the time period between the Order Month and the Evaluation Month. Siddons-Martin Emergency Group

and Pierce Manufacturing will provide documentation of such an increase and the updated price for the customer's approval before proceeding with completion of the order along with an option to cancel the order.

Due to global supply chain constraints, any delivery date contained herein is a good faith estimate as of the date of this order/contract. Delivery updates will be made available, and a final delivery date will be provided as soon as possible.

Force Majeure: Siddons-Martin Emergency Group shall not be liable for any failure or delay in the performance of its obligations if such failure or delay is due to causes beyond its reasonable control, including but not limited to acts of God, war, natural disasters, armed conflicts, acts of terrorism, labor disruptions, supply chain disruptions, governmental mandates, or any other events that are unforeseeable and unavoidable by Siddons-Martin Emergency Group. Should Siddons-Martin Emergency Group encounter such force majeure event, it shall promptly notify Customer in writing and shall use all reasonable efforts to mitigate the effects of the force majeure event and resume the performance of its obligations as soon as practicable.

Purchase price may be subject to new or increased tariffs, duties, taxes, or other governmental charges levied against, or made applicable to, the vehicle or any component thereof after the date of this proposal. Should such fees be enacted prior to order completion, Siddons-Martin Emergency Group reserves the right to revise the final cost to reflect the additional fees and will provide notice of any such adjustment.

Acceptance: To ensure the above stated terms and conditions are understood and adhered to, Siddons-Martin Emergency Group, LLC requires an authorized individual from the purchasing organization sign and date this proposal and include it with any purchase order.
