

The main structure is a single-story house with horizontal wooden siding that is heavily weathered and peeling. It features a gabled roof with a corrugated metal finish. A prominent window on the left side is covered with white horizontal blinds. To the right of this window is a multi-paned window. The front door is white and has a large, black, five-pointed star mounted on it. To the right of the door, there is a smaller window and a circular decorative element on the wall. The house is surrounded by trees and a yard with dry grass.

A silver metal trailer with two axles and four tires is parked in the yard. It has a black metal frame with a ramp at the front. A spare tire is mounted on the back. The trailer is empty except for some debris and a black tarp.

The rear portion of a dark-colored pickup truck is visible on the right side of the image. It shows the tailgate, a spare tire mounted on the side, and the rear wheel.

A large, rectangular wooden crate or box is positioned in the foreground on the right. It is made of weathered wood and has a small vent or opening near the bottom right corner.

A black metal gate or fence section is visible on the far left side of the image, partially obscuring the view of the house.

A green plastic bucket or container is lying on its side on the grass in the middle ground.

An orange bucket is hanging from the porch area of the house.

A large black star is mounted on the white front door of the house.

The main structure is a weathered wooden barn with a gabled roof covered in corrugated metal. On the left side of the barn, there are several electrical boxes and a satellite dish mounted on the wall. A black tarp is draped over the side of the barn, partially covering the entrance area. The barn is surrounded by tall grass and trees.

A white plastic bag or container is visible in the foreground, partially obscured by the tall grass.

A large, light-colored rock is visible in the foreground, partially obscured by the tall grass.

A smaller, light-colored rock is visible in the foreground, partially obscured by the tall grass.

Another light-colored rock is visible in the foreground, partially obscured by the tall grass.
