PRESENTATIONS

A. June River Update

- David Davenport presented on the River Dashboard. Engineers are still working to finalize plans for the Tube Chute improvements. The link to River Dashboard smartsheet will be sent to board. Parking revenue continues to be high, river management fees collected are higher this year, but Police overtime hours are increasing. The heat has kept crowds in check as well as the lower flows and longer float.

B. July 4th Weekend Review

- Ylda Capriccioso gave a recap of the holiday weekend. Overall, the weekend was a big success, a large crowd showed up for Live @ Landa, and there was a full park for fireworks. The attendance was lighter than previous years. Staff handed out around 1,000 LED light wands that were provided by HEB.

C. Park Projects Update

- **Mission Hill Park**
Inlet boxes have been delivered and installed. Contractors are finalizing paving and then will install plants in the Filtera boxes. Signs are partially installed.
