The Engineering Division reviewed the TIA Determination application and associated documents for the referenced development. Based on the information provided in the application, a Level 1 TIA Report is required.

Note: The determination form is not approved as submitted. Please complete a TIA worksheet and include it with your next submittal. Directions on how to complete the TIA worksheet can be found on the city website or discussed during the scoping meeting.

The attached TIA Scoping Meeting Worksheet, along with any other pertinent documents, should be submitted to Carol Aceituno caceituno@newbraunfels.gov. Upon receipt of the packet, Mrs. Aceituno will respond with various options for scheduling a TIA scoping meeting. A final decision on intersections to be included within the TIA will be established by City Staff and listed within the approved scope.

Please contact the Engineering Division at (830) 221-4020 if you have any questions or need any additional information.

Respectfully,

A handwritten signature in blue ink that reads "Jessica Perry".
