4. Course Update and Maintenance Report

Staff provided a course and maintenance update, including the following items:

- Dam Project #2 has been completed.

- The use of tarped greens was reported as a significant success, receiving very positive feedback.
 - The course is in exceptional condition, especially considering the high volume of rounds played during 2026.
 - Standard maintenance operations are ongoing. Despite multiple tournaments and substantial daily play, the course remains in strong condition as it enters the summer season.
 - Bunker Renovation Project:
 - Approved by City Council
 - Estimated start date: July 2026
 - Estimated completion: January 2027
-

5. Tournament and League Report

- Regular leagues continue to operate at maximum capacity, providing consistent and reliable revenue.
 - No slowdown has been observed in league participation or pace of play.
 - Most leagues remain capped and waiting lists are in place.
-

6. Financial Report

The Board received a financial update highlighting record-setting performance:

- February 2026: Record revenue month, reflecting a 27% increase.
 - March 2026: Another record-setting month.
 - Favorable weather conditions were emphasized as a critical contributor to increased rounds played.
 - The course is currently 2,000 rounds ahead of pace for the first six months of the fiscal year.
 - Year-to-date revenue is \$81,600 ahead of projections.
 - If current trends continue, the course is on track for approximately 63,000 rounds, a record pace.
-
