Attachments: Notification, List, & Responses.pdf

Hello Mayor Linnartz and Councilmembers,

Please see the attached updated responses document for the above item.

Property #13 withdrew their opposition of the rezoning request dropping the opposition below 20% of the notification area. Therefore, a $\frac{3}{4}$ majority of City Council will not be required at this time.

I will keep you updated as new responses are received.

Please feel free to contact me should you have any questions.

Regards,
