R-2 to C-1A

A Comprehensive Plan shall not constitute zoning regulations or establish zoning district boundaries. Preferred future growth scenario combines Scenarios A and C per recommendations of the Envision New Braunfels Steering Committee (February 2018). Exact boundaries of sub areas, centers, and corridors may be [zoomed and viewed online](#).

FUTURE LAND USE PLAN

A future land use plan is how land is envisioned to be. It establishes priorities for more detailed plans (sub area plans) and for detailed topical plans (such as parks and open spaces, trails and roads). It cannot be interpreted without the goals and actions of Envision New Braunfels.

-  **TRANSITIONAL MIXED-USE CORRIDOR**
Transitional Mixed-Use Corridors express an aspiration to retrofit existing auto-dominated retail corridors with a mix of uses and a variety of travel modes over time.
-  **OUTDOOR RECREATION CENTER**
Outdoor Recreation Centers are centered around a public or private outdoor destination like Fischer Park.
-  **EMPLOYMENT CENTER**
Employment Centers are mixed-use areas centered around office or industrial uses that can support significant employment.
-  **MARKET CENTER**
Market Centers are mixed-use areas anchored by a retail destination where surrounding residents go to get daily goods and services.
-  **CIVIC CENTER**
Civic Centers are mixed-use areas centered around a civic destination such as City Hall, a library or a recreation center.

SUB AREA 1

Sub Area 1 includes the Downtown, Gruene and the Mid-Century or older neighborhoods that surround them. It is home to the natural springs and headwaters of flowing rivers that have attracted New Braunfelsers to the town for centuries.

SUB AREA 2

Sub Area 2 refers to the neighborhoods and residential enclaves that have grown alongside the Hill Country landscape.

SUB AREA 3

Sub Area 3 includes a planned community offering a diversity of housing, distinct community centers and preserved Hill Country landscape features.

SUB AREA 4

At the heart of Sub Area 4 is Fischer Park. Proximity to IH-35, downtown and neighboring communities like McQueeney makes this area highly desirable and accessible.

SUB AREA 5

Sub Area 5 bridges together many communities east of IH-35. It includes the scenic landscape along both banks of the Guadalupe River between Highway 46 and FM 725.

SUB AREA 6

Sub Area 6 expresses an aspiration for conservation communities focused around maintaining and enhancing ecological integrity while allowing some level of development to occur.

SUB AREA 7

Sub Area 7 includes parts of the city currently being mined for natural resources. These sites may become parks and open space, mixed-use communities or new commercial or entertainment areas in the future.

SUB AREA 8

This fast-growing Sub Area includes many neighborhoods offering affordable places for young families to live.
