3. **APPROVAL OF MINUTES**

Gary Kirkham made a motion to accept minutes of the May 18, 2023 meeting. Daniel Santoni seconded the motion. All favor.

4. **CITIZENS COMMUNICATIONS**

None.

5. **PRESENTATION**

(A) Presentation on proposed amendments to pavement, street, and pedestrian and bicycle facilities engineering standards.

Garry Ford presented the proposed amendments of pavement, street, pedestrian, and bicycle facilities engineering standards to the board to keep us informed. These items are proposed pavement design, addressing premature pavement failure, and proposed street designs.

6. **INDIVIDUAL ITEMS FOR CONSIDERATION**

A) Discuss and consider a recommendation to City Council to amend Section 126-346 of the Code of Ordinances of the City of New Braunfels to establish a no parking zone on both sides of Point Bar Boulevard between FM 1101 and Brandon Oak.

Carly Farmer presented this item which asked for a no parking zone on both sides of Point Bar Boulevard between FM 1101 and Brandon Oak and pointed out the safety concerns.

Engineering staff observed these concerns on May 2nd and May 4th during morning drop off and afternoon pick up hours. Then after listening to concerned citizens Vickie Alvarado, Maurine Steurer, and George Steurer on why they are requesting a no parking zone on the street, they said it makes it tight to pass through on Point Bar Boulevard to leave or get to their homes. George said that vehicles start parking 2 to 2 ½ hours before school let out. Vickie said cars also park in the center turn lane on FM 1101 and make it dangerous at that area. Daniel made motion to go with staff recommendation. Arthur Brinkkoeter 2nd, all favor. Motion passes 4-0.

7. ADJOURNMENT

Ernesto Rodriguez made motion to adjourn at 6:24 PM
Next meeting will be 2nd Thursday in July at 6:00 PM.
