

NOTICE OF PUBLIC HEARING

The New Braunfels City Council will hold a public hearing on the following request:

Resolution to amend the Parkway thoroughfare between FM 1863 and SH 46 in the City of New Braunfels Regional Transportation Plan.

The primary goal of the Regional Transportation Plan (RTP) is to ensure the dedication of adequate right-of-way on appropriate alignments with enough width to serve existing and future transportation needs. The Texas Local Government Code allows the City to require development plans and subdivision plats to conform to the general plan for current and future roadways. A thoroughfare plan amendment is a request to alter the position, classification, or width of a segment within the plan. The proposed amendment is enclosed with this notice.

Because your property is impacted by the request, you are being notified of the public hearing. The public hearing process allows an opportunity for you to provide comments on the request. Your comments are valuable to the Planning Commission in their recommendation and to the City Council in their final decision-making.

- The Planning Commission voted unanimously to move this request forward to City Council on Tuesday, November 7, 2023.
- The City Council will consider the Planning Commission's recommendation in another public hearing, scheduled on **Monday, November 27, 2023, at 6:00 p.m. in the City Hall Council Chambers, 550 Landa Street**. All interested persons are invited to attend these meetings.
