This Agreement is in accord with the City’s adopted Chapter 380 Economic Development Program as the City Council of the City of New Braunfels has specifically determined by resolution that this Project will bring benefit to the City consistent with the General Statement of Purpose and Policy of the City’s adopted Chapter 380 Economic Development Program.;

**NOW, THEREFORE**, in consideration of the promises and agreements herein set forth, and other good and valuable consideration, the receipt of which is hereby acknowledged, the Parties contract and agree as follows:

**1. Performance Condition.**

- a. In order to qualify for the Tax Rebates under this Agreement, Company shall: (1) obtain a certificate of occupancy from the City of New Braunfels at the Property; (2) maintain a minimum Taxable Value of \$5 million dollars for the Project on the tax rolls of the Comal County Appraisal District for a period of 5 years beginning with the first tax year the Property is on the tax rolls of the Comal County Appraisal District following execution of this Agreement; and (3) make improvements to the Property as described in Exhibit A (collectively, the *Investment Condition*). Company understands and agrees that meeting all of the requirements of the Investment Condition is necessary for any Tax Rebate under this Agreement.

The term “*Taxable Value*” for a particular tax year means the assessed value for property tax purposes of the land and improvements included in the Project for such tax year under Texas Tax Code Chapter 26.

- b. If Company in a given year fails to comply with the Investment Condition, then Company will receive no Tax Rebate for the year in which Company failed to meet the Investment Condition.
- c. Company shall remain current and paid on all property taxes for portions of the Project owned by Company subject to rights of appeal in accordance with law and subject to a right to cure any tax payment delinquency. If Company becomes delinquent with the Comal County Appraisal District, then the City’s obligation to make Grant Payments is suspended until Company cures the delinquency. The City’s obligation to make a Grant Payment will be cancelled if the delinquency is not cured within sixty (60) days following receipt of notice of default.
- d. In no event should the City’s agreement to make a Grant Payment under this Agreement be construed as a tax abatement by the City under Chapter 312 of the Tax Code.

**2. Payments to Company.** Subject to Company meeting the terms of this Agreement, the City agrees to take the following actions:

- a. City will issue a tax rebate to Company of one-hundred percent (100%) of the total municipal hotel occupancy taxes paid by the Company on its New Braunfels property for up to five (5) years or until \$1,000,000.00 in tax rebates has been issued pursuant to this Agreement so long as Company receives the Certificate of Occupancy at Property, satisfies the Investment Condition, and remains compliant with the terms of this Agreement.
- b. All hotel occupancy taxes rebated pursuant to this Agreement shall be used only in accordance with such uses permitted under Texas Tax Code §351.101. Company

agrees to provide financial information required by City to verify Company's compliance with the terms of this Agreement.

- c. Subject to Company satisfying the Investment Condition, Tax Rebates will be issued by the City to Company for each relevant tax year beginning on the year in which the Property is on the tax rolls but no later than the tax year beginning January 1, 2026. Each Tax Rebate will be issued to Company on or before the 30<sup>th</sup> day following the day the City receives written notice from Company that such property taxes have been paid in full. The written notice from Company to the City that the relevant property taxes have been paid in full shall include a copy of the paid tax receipt or other proof such taxes have been paid. In no way shall this Agreement be construed to permit Company to receive Tax Rebates from the City for more than 5 years or exceeding \$1,000,000 cumulatively.
  - d. Nothing in this Agreement affects the property taxes the Company owes with respect to property at the Project for purposes of any other taxing jurisdiction.
3. **Term.** This Agreement shall be effective as of the Effective Date, and shall continue until the date (the "***Term***") that the last Tax Rebate is made under the last Tax Rebate to which Company is entitled. However, and notwithstanding any provision in this Agreement to the contrary, no Tax Rebates will be owed for any period after five (5) years from the issuance of the Certificate of Occupancy.

4. **Representations and Covenants**

Company hereby represents and covenants as follows:

- e. **5. Events of Default, Delay and Termination.**

- a. Any Party's failure to comply with and adhere to their respective performance conditions or obligations hereunder, or under the terms of the Agreement, shall constitute an event of default under this Agreement.
- b. Before any failure of any Party to perform its obligations under this Agreement shall be deemed to be a breach of this Agreement such that another Party's remedies are available, the Party claiming such failure shall notify, in writing, the Party alleged to have failed to perform of the alleged failure and shall demand performance. No breach of this Agreement may be found to have occurred if such breach has been cured within sixty (60) days following the receipt of such notice; provided, however, if such breach is not reasonably curable within such 60-day period, and Company has commenced and is pursuing such remedies as shall be reasonably necessary to cure such breach, then Company shall have an additional ninety (90) days to cure such breach (the "***Cure Period***").
- c. - e. Time is of the essence in this Agreement. Notwithstanding the foregoing, any deadlines provided in this Agreement shall be subject to any event of Force Majeure. For purposes of this Agreement, "Force Majeure" shall mean any contingency or cause beyond the reasonable control of any Company, including without limitation, acts of God or the public enemy, war, riot, terrorism, civil commotion, insurrection, governmental or de facto governmental action or inaction

including, but not limited to, government actions pertaining to the determination of flood zones or FEMA actions, fire, earthquake, tornado, hurricane, explosions, floods, epidemics, strikes, slowdowns, work stoppages, unusually severe weather or global recessions; provided, however, that in no event shall any event of Force Majeure extend any deadline in this Agreement by more than twelve months. In addition, if the Company notifies the City that it is unable to satisfy any deadline provided in this Agreement due to adverse economic conditions, the City agrees to meet with the Company to better understand the impact of those adverse economic conditions on the Company and consider making good faith adjustments to the terms of this Agreement to address the impacts of such adverse economic conditions upon the Company
