City of New Braunfels

We would like to formally request a permit fee waiver for the Crisis Center of Comal County's New Resident Facility project that is currently in for permit, CP2023-570.

In April 2022, the Crisis Center of Comal County lost its emergency shelter and residential facility due to a fire. In August 2022, a temporary shelter location was secured in Comal County in order to continue to provide mission critical services for victims and survivors of domestic violence, sexual assault, and families experiencing homelessness. Since then, CCCC has purchased land to build a new permanent facility, which is expected to be ready in 2025.

We know that a fee waiver is an ordinance change and that this request must go to City Council for approval. We would ask that this be placed on the next available City Council agenda if possible. The current fees are estimated at \$19,769.45. Thank you for your consideration.

Sincerely,

Julie Strentzsch
