Agenda Item No. C)

PRESENTER:

Scott McClelland, Assistant Transportation and Capital Improvements Director

SUBJECT:

Approval of a contract modification with Pape-Dawson Engineers, LLC. for final plans, specifications, and estimates for the reconfiguration of the West Coll Street/South Castell Avenue parking lot.

DEPARTMENT: Transportation and Capital Improvements and Economic and Community Development**COUNCIL DISTRICTS IMPACTED:** 5**BACKGROUND INFORMATION:**

There are two public parking lots on South Castell Avenue across from the Civic/Convention Center. The City of New Braunfels owns the parking lot at 350 South Castell Avenue. It is primarily used by attendees of events at the Civic/Convention Center, employees who work at 424 South Castell Avenue, and Downtown visitors. The parking lot at the corner of West Coll Street & South Castell Avenue was the former site of Chase Bank and was purchased by the New Braunfels Economic Development Corporation ("NBEDC") in 2016. The 2011 Downtown Parking Plan identified this parking lot as a short or medium-term parking solution. This corner lot was paved as a separate lot from the adjacent one and is currently used for overflow attendees at the Civic/Convention Center, local businesses, and Downtown visitors. The Civic/Convention Center averages 700 events per calendar year, and parking demands have increased in this area of Downtown.

The City issued a contract to Pape-Dawson Engineers for South Castell parking improvements in 2023. Staff is requesting to modify this contract to support the final plans, specifications, and estimates (PS&E) proposal, dated April 15, 2025, addressing the reconfiguration of these two lots to streamline access and usage, and to adjoin them, with the potential to increase the capacity by an additional 63 spaces. Total cost for this modification is \$106,825 making the total contract value \$119,060.

Most of the individuals parking in these two lots attend events at the Civic/Convention Center, therefore, it is recommended that the funding for this project be derived from Hotel/Motel Occupancy Taxes.

ISSUE:

There is a growing need for more parking capacity in Downtown New Braunfels, primarily to support the growth of the Civic/Convention Center. DEPARTMENT: Citywide**COUNCIL DISTRICTS IMPACTED:** All**BACKGROUND INFORMATION:**

The City issued a Competitive Sealed Proposal on February 13, 2025 and once more on March 20, 2025 for road construction work on an as-needed basis. Five (5) responses were received in total. This bid contains 267 different line items for various road construction work, such as asphalt removal, flat work, cast in place retaining walls, sidewalks, milling, excavation and backfill, and other related work.

City staff evaluated the proposals received to determine best value for the City. Award criteria factors considered were overall cost, competence and qualifications, and experience with the City of New Braunfels performing similar services. These contracts are requirements type contracts and tasks will be ordered from the respective contractor as needed. This allows the Streets Division, Transportation & Capital Improvements and other City Departments to efficiently access these contracts for completing improvements.

These contracts will be utilized to support annual street repairs/enhancements within the General Fund as well as citywide street improvements within the Capital Funds. Therefore, the estimated annual expenditures stemming from these contracts are set at an amount not to exceed \$5 million. The contract term will be October 1, 2025, through September 30, 2030.

Approval of annual routine recurring expenditures for FY 2025 in accordance with City Charter Section 9.17.

DEPARTMENT: Finance**COUNCIL DISTRICTS IMPACTED:** NA**BACKGROUND INFORMATION:**

Per section 9.17 of the City Charter, City Council approval is required for annual purchases that exceed \$50,000. There are various routine expenditures that occur every year and staff recommend that these expenditures be approved all at once, to more efficiently manage staff resources as well as ensure compliance with the charter. This will eliminate the need for these expenditure requests to be brought to City Council individually throughout the year.

This action will allow purchases to be made as needed throughout the year. As indicated below, the purchases are competitively vetted by cooperative agreements, quote or justified as a single source. Funding has been allocated for all of the expenditures detailed below.

As additional vendors that are anticipated to exceed the \$50,000 threshold are identified, they would still be brought for City Council at that time. Moreover, any purchases that warrant individual consideration and approval will be brought to City Council in that manner.

The following purchases and estimated annual expenditures are recommended for City Council consideration:

Approval of a resolution recommended by the New Braunfels Economic Development Corporation of an amendment to an existing economic development agreement with Headwaters at the Comal

DEPARTMENT: Economic and Community Development**COUNCIL DISTRICTS IMPACTED:** 4**BACKGROUND INFORMATION:**

Headwaters at the Comal (“Headwaters”) was established in 2017 to restore 16 acres of real property (333 E. Klingemann Street) adjacent to the Comal Sprints and Comal River system into an environmental education center highlighting the cultural and environmental significance of the Comal Springs. The planned education center is a 6,400 square foot air-conditioned building with indoor spaces for education programs, community meetings, a kitchen, public restrooms and an open-air exhibit space.

On March 31, 2022, the New Braunfels Economic Development Corporation approved a \$1.2M grant to the Headwaters to modify, renovate, construct, and expand the education center on the site - City Council approved this grant by Resolution 2022-R29 on April 11, 2022. The agreement detailed requirements for the grant as well as a construction completion deadline (I.3) 36 months from the date of the agreement’s execution (May 10, 2022). At present, the construction completion is expected for March 2027 due to delays caused by unexpected archeological discoveries at the site and cost escalation which resulted in a funding shortfall.

This amendment would extend the existing construction deadline an additional 22 months to align with the updated Headwaters’ expected completion.

The NBEDC approved this amendment at its April 17, 2025 meeting.

ISSUE:

The existing Economic Development Agreement between the New Braunfels Economic Development Corporation and Headwaters at the Comal includes a construction completion deadline which will not be met. Approval of a resolution renaming the Central Texas Technology Center Advisory Board to the Regional Workforce Education Alliance and modifications to its by-laws.

DEPARTMENT: Economic and Community Development**COUNCIL DISTRICTS IMPACTED:** N/A**BACKGROUND INFORMATION:**

The cities of New Braunfels and Seguin created the Central Texas Technology Center (“CTTC”) Advisory Board collaboratively in 2004 by joint resolution of New Braunfels 2004-R23 and Seguin 04R-59. The CTTC Advisory Board was tasked with the oversight of the Central Texas Technology Center and the programs operating within. The Advisory Board operates under the guidance of by-laws, last edited in 2023, which stipulate they may be amended provided that the City Councils of the cities of New Braunfels and Seguin approve any such change.

Since at least 2023, the CTTC Advisory Board has been discussing the evolving nature of its role in supporting workforce development in the broader region. Many of those discussions centered around the need to serve as a more connective entity between industry, education partners and the community’s workforce needs. The board feels that a focus exclusively on the operations within the confines of the CTTC building was limiting given the reality that workforce needs are broadly regional, multi-institutional and jurisdictional and require cross-sector collaborations to address issues. The board agreed to make a more formal request to the city councils of New Braunfels and Seguin to formally recognize the evolving role of the board and its purpose in the broader context of regional workforce development.

On January 28th, 2025, the CTTC Advisory Board held a strategic planning meeting to discuss the status of the center, review legislative priorities, growth and employment conditions, and to set a new mission, vision, and future for the Board. After considerable discussion, the Board identified many recommendations for by-law changes and an overall name change to better align with the mission and vision of the committee. The CTTC Advisory Board met on April 8th, 2025 and voted unanimously to approve a new mission, vision, name change, and updated by-laws.

Proposed changes include:

- Modifying the existing Board’s name to the Regional Workforce Education Alliance (“RWEA”)
- Updating and matching the Board’s purpose to align with the new mission and vision
 - *Approved Mission:* To be a strategic group for clear communication, aligned efforts, collaboration, and targeted support for workforce education.
 - *Approved Vision:* To capitalize on opportunities that support industry and lead to an increased quality of life and positive generational change.
- Adjusting the membership details, ex-officio classifications, terms, attendance, officer roles, and the

responsibilities of the Board.

Attached to this agenda item are the tracked edits and the clean version of the proposed by-laws. As shown from the proposed changes, the RWEA is refocusing its efforts to support and connect industry workforce needs and moving away from a focus on oversight of the CTTC facility.

The Seguin City Council is scheduled to review and consider these changes at its May 6th, 2025 meeting.

Agenda Item No. L)

PRESENTER:

Bryan V. Ruiz, Neighborhood Services Manager

SUBJECT:

Approval of the second and final reading of an ordinance to amend Chapter 6 of the Code of Ordinances relating to dangerous dogs and rabies control; and establishing the classification of aggressive dogs and related procedures.

DEPARTMENT: Planning & Development Services - Neighborhood Services - Animal Welfare & Rescue Division

COUNCIL DISTRICTS IMPACTED: All**BACKGROUND INFORMATION:**

At their meeting on April 28, 2025, City Council unanimously approved the first reading of this ordinance amendment.

The City of New Braunfels' current vicious or dangerous dog ordinance has been in place for many years and requires updating. Staff proposes to amend the current ordinance to provide consistency with State statutes and with other Texas municipalities. One example is the current ordinance requires a Police Officer hear a case to determine if a dog is dangerous. A recommended change is to allow the New Braunfels Animal Welfare & Rescue Division to make this determination after investigating all the evidence on the case.

Another recommended improvement includes allowing home quarantine of an animal without the need for approval of the victim or guardian. This change would allow the Animal Welfare & Rescue Officer to make an unbiased home quarantine determination and not add an undue financial burden on the owner of the animal. Additionally, quarantining at an unfamiliar facility can stress an animal that may be at an advanced age or have medical issues, in some cases limiting some such animal's ability to complete a 10-day quarantine.

The City also recommends amending the ordinance that currently requires an unvaccinated animal that was bitten or exposed to a rabid animal to be isolated for 6 months - the recommendation is to reduce this to 3 months. Another proposed change is to the current rule if a vaccinated animal was bitten or exposed to a rabid animal to be isolated for 3 months - reduce this to 45 days. These changes in the time frames for isolation are to be consistent with current state statute.

ISSUE:

New Braunfels' current dangerous dog ordinance is not consistent with the State of Texas dangerous dog rules. The proposed amendments would resolve these inconsistencies and reduce the amount of time the animal is unnecessarily in isolation.

Secs. 6-6—6-25. Reserved.

SECTION 2: That the Code of Ordinances, Chapter 6-Animals, Article III-Animal Control, be amended as indicated below:

ARTICLE III. ANIMAL CONTROL

Sec. 6-51. Restraint.

- (a) All dogs, cats and other animals shall be kept under restraint and not allowed to run at large or stray. This section shall not be so construed as to prohibit trained dogs that are a part of a canine unit operated by a law enforcement agency from being unrestrained while in the performance of their law enforcement and public safety functions within the city limits.

It shall be unlawful for a person having charge, care, or ownership of a cat to fail to keep the cat from roaming beyond the boundaries of the person's premises. It shall be an affirmative defense to prosecution under this section that the cat is a feral cat in a sponsor approved trap, neuter, and return feral cat colony program.

- (b) No owner shall fail to exercise proper care and control of his animals to prevent them from becoming a public nuisance.
- (c) Every female dog or cat in heat shall be confined in a building or secure enclosure in such a manner that such female dog or cat cannot come into contact with another animal except for planned breeding.

~~(d) Any animal within the city that shall bite, scratch, or otherwise attack a person who is not at the time trespassing upon the property of the owner or person having control of such animal, nor provoking or teasing such animal, shall be deemed vicious or dangerous to persons or other animals and the city may order, following the procedures listed in this section, that such animal be kept muzzled, or that such animal be kept within a sufficient enclosure, or that such animal be permanently removed from the corporate limits of the city, or that such animal be delivered to the animal control officer or humane officer to be humanely euthanized.~~

~~(e) The local health authority may receive a complaint from any animal control officer, humane officer, police officer, or any other responsible person concerning an animal which has bitten a human being or attacked and killed another animal. The local health authority may also be the complainant concerning an individual animal which he has reason to believe has a dangerous disposition likely to be harmful to humans or other animals. A complainant must file with the local health authority a written sworn complaint which contains the following information, as applicable:~~

~~(1) Name, address, and telephone number of complainant and any other witnesses to the incident;~~

~~(2) Date, time and location of the incident;~~

~~(3) Description of the animal;~~

~~(4) Name, address and telephone number of the animal owner;~~

~~(5) A statement that the animal attacked and killed another animal;~~

~~(6) A statement that the animal attacked or bit a human being (refer to definitions of "vicious" and "provocation" in section 6-1);~~

~~(7) A statement that the animal has exhibited vicious propensities in past conduct, if known; and~~

~~(8) Other facts or circumstances of the incident.~~

~~(f) — After a sworn complaint is filed with the local health authority, he shall investigate the complaint and if there is sufficient evidence he may request the chief of police or designee to set a time and place for a hearing. The chief of police or designee shall give notice of the hearing to the animal's owner by personal service or certified mail, return receipt requested, at least ten days prior to the hearing date.~~

~~(g) — The chief of police or designee shall hold the hearing under this section and shall determine at the hearing if the animal specified in the complaint should be ordered to be kept muzzled, kept within a sufficient enclosure, removed from the city limits, or destroyed for the protection of the public health, safety and welfare of the community. The chief of police or designee shall receive testimony at the hearing concerning the incident under investigation.~~

~~(1) — To order the removal or destruction of the animal for the public health, safety and welfare, the chief of police or designee must find all of the following facts to be true:~~

~~a. — The animal attacked or bit a human being or attacked and killed another animal;~~

~~b. — The animal is the same animal which committed the acts described in subsection (g)(1)a of this section;~~

~~c. — Destruction of or removal of the animal is necessary to preserve the public health, safety, and welfare of the community.~~

~~(2) — To order the muzzling or keeping of an animal in a sufficient enclosure for the public health, safety and welfare, the chief of police or designee must find all of the following facts to be true:~~

~~a. — The animal attacked or bit a human being or another animal; or the animal has a known propensity to attack, bite, or injure human beings or domesticated animals because of temperament, conditioning, or training; or it is demonstrated by the local health authority that the animal has a dangerous disposition, likely to be harmful to humans or other animals;~~

~~b. — The animal is the same animal which committed the acts described in subsection (g)(2)a of this section;~~

~~c. — Muzzling or keeping of the animal in a sufficient enclosure is necessary to preserve the public health, safety, and welfare of the community.~~

~~If the chief of police or designee orders muzzling, keeping within a sufficient enclosure, destruction or removal of the animal and the owner is not present at the hearing, he shall notify the owner of the decision by personal service or certified mail, return receipt requested. If the chief of police or designee does not order destruction of or removal of the animal, the animal control officer shall, if the animal was impounded and if any required rabies observation quarantine period has been completed, return the animal to the owner upon payment of any fees due, with the understanding that any orders requiring muzzling or keeping within a sufficient enclosure must be followed as long as the animal remains within the city limits.~~

~~(h) — An owner of an animal may appeal a destruction or removal order to a court of competent jurisdiction within five days of the decision. If the chief of police or designee receives written notice of the intent to appeal within five days of the decision, he shall suspend the destruction or removal order pending final determination of the court. If such appeal is perfected by the filing of a petition in a court of competent jurisdiction within ten days of the order of destruction or removal, he shall suspend the destruction or removal pending the outcome of the appeal. In such event the owner will have 48 hours' notice to pick up the animal if it was impounded and if any required rabies observation quarantine period has been completed, and hold the animal pending the appeal. All fees due must be paid before the animal is released to the owner and the animal must be kept muzzled or within a sufficient enclosure if so ordered. Failure to claim the animal within 48 hours of such notice will result in the execution of the removal or destruction order.~~

~~(i) — If any animal is discovered in violation of any removal or destruction order described in subsection (g) of this section, the animal shall be immediately seized and humanely euthanized. Any animal discovered in violation~~

~~of any order requiring muzzling or keeping within a sufficient enclosure shall be seized and impounded, and the owner shall be prosecuted under the provisions of subsection (j) of this section.~~

~~(j) It shall be unlawful for any person to harbor or keep on his premises, or in or about his premises, or premises under his control, any vicious animal except as directed by this chapter.~~

~~(k) No part of this chapter shall preclude at any time the filing of a complaint in the court of competent jurisdiction under the provisions of the dangerous dog law (V.T.C.A., Health and Safety Code § 822.041 et seq.).~~

Sec. 6-108. Quarantine procedures.

- (a) Every animal that has rabies or symptoms thereof, or every animal that a person could reasonably suspect as having rabies, or that bites, scratches, or otherwise attacks any person within the city shall be impounded at once and held for observation and quarantined at an approved Texas Department of Health quarantine facility. The facility must meet the minimum state quarantine facility standards and will be subject to inspection by the state department of health.
- (b) The owner of any dog or cat that is reported to have rabies or symptoms thereof, or to have been exposed to rabies, or to have bitten, scratched, or otherwise attacked any person, or that the owner knows or suspects to be rabid or to have attacked an individual, shall submit such animal to the animal control officer for a quarantine period of ten days, at the owner's expense. The ten-day observation period shall begin on the day of the bite incident. Any such animal must be immediately surrendered to the animal control officer and taken by such officer to an approved quarantine facility. The owner may choose to have the animal quarantined for the ten-day period at a Texas Department of Health approved quarantine facility.
- (c) If the owner of an animal described in subsection (a) or (b) of this section refuses to surrender such animal on demand, such action shall constitute a misdemeanor and upon conviction shall be punishable by a fine as provided in section 1-8.
- (d) If the owner of an animal described in subsection (a) or (b) of this section cannot be identified or located at the time of an investigation by the animal control officer, or if the animal was running stray, the animal control officer shall impound the animal and take it to:
 - (1) The local veterinarian listed on the vaccination tag if such identification tag is worn by the animal, and if the veterinary facility is an approved Texas Department of Health quarantine location. The veterinarian shall be responsible for contacting the owner of the animal and for quarantining the animal for at least the required times for registered or unregistered animals. If the owner cannot be found during this time, the animal may be humanely ~~killed~~ [euthanized](#) for rabies diagnosis, or may be held for the remainder of the quarantine period at the expense of the veterinarian, at which time the animal shall become the property of the veterinarian.

The approved quarantine facility and/or the rabies control officer shall be responsible for contacting the out-of-city veterinarian or owner of the animal. All other provisions listed in subsection (d)(1), above, shall apply.

- (3) A Texas Department of Health approved quarantine facility if the animal has no identification or vaccination tag. If the animal is documented as wild or injured, or under certain other circumstances, the animal must be quarantined from zero to 72 hours, at the discretion of the rabies control officer after consultation with the veterinarian, at which time the animal may be humanely ~~killed~~ euthanized for rabies diagnosis. Other animals will be quarantined for 72 hours. If no owner has claimed the animal at the end of the 72-hour period, the animal may be humanely ~~killed~~ euthanized for rabies diagnosis.
- (e) The owner of an animal quarantined under this section shall pay to the quarantine facility the reasonable costs of the quarantine and disposition of the animal, including the charges for preparation and shipment of the animal's head or brain, if required, to the nearest state department of health certified laboratory for rabies testing. If the owner chooses not to pay for quarantine, the animal shall be humanely ~~killed~~ euthanized and the brain submitted to a state department of health certified laboratory for rabies diagnosis, at the owner's expense. All quarantine related payment arrangements shall be at the discretion of the individual quarantine facility and the facility shall be responsible for the collection of moneys owed.
- (f) The following quarantining procedures shall be observed:
 - (1) Biting animals and animals suspected of rabies that are placed in confinement for observation must be separated from all other animals in such a manner that there is no possibility of physical contact between animals.
 - (2) The quarantined animal must be observed at least daily by a person responsible for notifying the rabies control officer if clinical signs of rabies are noted.
 - (3) At the discretion of the rabies control officer or his designee, an unowned animal may be humanely ~~killed~~ euthanized for rabies diagnosis prior to the end of the quarantine period.
 - (4) The rabies control officer may require a written agreement by the owner or the custodian at the time of quarantine and the animal may be disposed of according to terms of this agreement.
 - (5) If the biting animal cannot be maintained in secure quarantine or if the owner chooses not to pay for quarantine, the animal shall be humanely ~~killed~~ euthanized and the brain submitted to a state department of health certified laboratory for rabies diagnosis, at the owner's expense.

(Code 1961, § 3-23; Ord. No. 97-3, § 1, 2-10-97; Ord. No. 2015-67, § 2, 11-23-15)

If the veterinarian determines that the animal has clinical signs of the disease of rabies, the animal shall be humanely ~~killed~~ euthanized and the head or brain submitted for testing. If the veterinarian determines that the animal does not exhibit the clinical signs of the disease of rabies, the rabies control officer shall provide a form to the veterinarian for his signature certifying that the animal has been found to be free of the clinical signs of rabies at the end of the quarantine period. This form shall be returned to the rabies control officer at the end of the quarantine period.
- (b) The owner of the animal to be quarantined may request permission from the rabies control officer for home quarantine if the following criteria can be met:
 - (1) Secure facilities must be available at the home of the animal's owner, and must be approved by the rabies control officer.
 - (2) The animal is currently vaccinated against rabies and possesses a current city registration ~~ltag~~ (if the licensing requirement of this chapter is applicable).
 - (3) The animal was not in violation of any laws or ordinances at the time of the incident.

- (4) The bite or scratch incident was a provoked attack.
 - (5) The animal welfare officer ~~The victim or victim's parent or legal guardian~~ must approve the granting of a home quarantine if all other requirements have been met. The approval must be in writing on a form provided by the rabies control officer.
 - (6) A licensed veterinarian must observe the animal at least on the first and last days of the quarantine period. For the first observation, the animal will be transported by the animal welfare control officer or the owner to the local veterinarian chosen by the owner, and then returned to the location of the home quarantine by the animal welfare control officer or the owner after the observation. If the animal becomes ill during the home quarantine period, the veterinarian and the rabies control officer must be notified by the person having possession of the animal. At the end of the observation period the owner shall transport the animal by direct route to the veterinarian for the final observation. Both observations by the veterinarian may be made at the location of the home quarantine if requested by the owner or required by the rabies control officer. The release from quarantine must be accomplished in writing.
 - (7) The owner shall be responsible for paying all rabies observation fees to the veterinarian. ~~The fees shall be set by contract between the CCVMA and the city.~~
 - (8) It shall be unlawful to violate the provisions and conditions of the home quarantine as required by the rabies control officer. If the owner of the animal fails to abide by all provisions and conditions required by the rabies control officer when the home quarantine was granted and the animal is found in violation of such conditions, the animal shall be immediately impounded and quarantined for the remainder of the observation period at an approved veterinary facility at the owner's expense.
- (c) No dog or cat shall be released from quarantine unless:
- (1) The owner has an unexpired rabies vaccination certificate and registration for the animal (if the registration requirement is applicable); or
 - (2) The animal is vaccinated against rabies by a licensed veterinarian at the owner's expense and a registration, if required, is obtained at the owner's expense from the veterinarian.
- (d) No wild animal will be placed in quarantine. All wild animals involved in biting incidents will be humanely ~~killed~~ euthanized in such a manner that the brain is not mutilated. The brain shall be submitted to a state department of health certified laboratory for rabies diagnosis.

Agenda Item No. M)

PRESENTER:

SUBJECT:

Approval of the second and final reading of an ordinance to rezone approximately 0.5 acres out of the A M Esnaurizar Survey, Abstract 20, from C-1 AH (Local Business District with Airport Hazard Overlay) to C-1B AH (General Business District with Airport Hazard Overlay), currently addressed at 1655 State Hwy 46 S.

DEPARTMENT: Planning and Development Services

COUNCIL DISTRICTS IMPACTED: 2

BACKGROUND INFORMATION:

Case No: PZ25-0020

Applicant/Owner:

Honorio Guajardo
guajardohonorio@yahoo.com

Staff Contact:

Amanda Mushinski, CNU-A, AICP-Candidate
(830) 221-4056 | amushinski@newbraunfels.gov

The City Council held a public hearing on April 28, 2025 and unanimously approved the first reading of the applicant's requested rezoning ordinance (5-0-0)

The subject property is approximately 0.5 of an acre on the northeast side of State Hwy 46 S, an existing Principal Arterial, and approximately 600 feet northwest of the intersection of State Hwy 46 S and FM 758. It is bordered by C-1 AH and MU-B AH. Adjacent land uses consist of Single-Family Residences, Vacant Land, and Commercial Properties.

ISSUE:

The applicant's submission indicates that the proposed zoning change aims to facilitate development under the C-1B district, which allows a broad range of office, retail and service uses. This zoning district is typically intended for commercial nodes situated at intersections of major collectors or arterials, where high traffic volumes support general commercial activity.

COMPREHENSIVE PLAN REFERENCE:

C-1B would be consistent with the following actions from Envision New Braunfels:

- **Action 1.3:** Encourage balanced and fiscally responsible land use patterns.
- **Action 3.1:** Plan for healthy jobs/housing balance.
- **Action 3.3:** Balance commercial centers with stable neighborhoods.
- **Action 3.6:** Pro actively provide a regulatory framework that remains business and resident friendly.

Future Land Use Plan: The subject property is located within the Dunlap Sub Area, along a Transitional Mixed-Use Corridor, and near a proposed Civic and Market Center.

STRATEGIC PLAN REFERENCE:

☒Economic Mobility ☒Enhanced Connectivity ☐Community Identity
☐Organizational Excellence ☒Community Well-Being ☐N/A

- Economic Mobility - Objective: Support Confluence, the New Braunfels Chamber of Commerce Economic Development Strategic Plan, by helping to ensure a community that supports the targeted industries and increases the diversity of job opportunities in the community.
- Community Well-Being - Objective: Develop capital and staffing investments that improve safety, reduce heat islands, and encourage transportation modes that support healthier lifestyles and exercise such as biking, walking and running.
- Enhanced Connectivity - Objective: Implement improved local and regional public transportation services to connect the community to employment, education, healthcare, recreational and other destinations.

FISCAL IMPACT:

The Land Use Fiscal Analysis recommends prioritizing infill projects that add people and buildings in areas with existing infrastructure to increase tax revenue without significant impacts on services and infrastructure costs, distributing cost burdens out across more properties.

RECOMMENDATION:

Staff recommends approval. While C-1B is typically reserved for the intersections of major roadways rather than mid-block, C-1B at this location would offer a transition from the more intense abutting MU-B to the remaining surrounding C-1. Additionally, there are existing auto-related uses in the vicinity, which are more indicative of C-1B intensity. Finally, it should be noted that TxDOT's long range plan for Highway 46 is for it to advance to expressway status, further intensifying land use expectations on this Transitional Mixed-Use Corridor.

The Planning Commission held a public hearing on April 1, 2025, and unanimously recommended approval of the applicant's request (6-0-0).

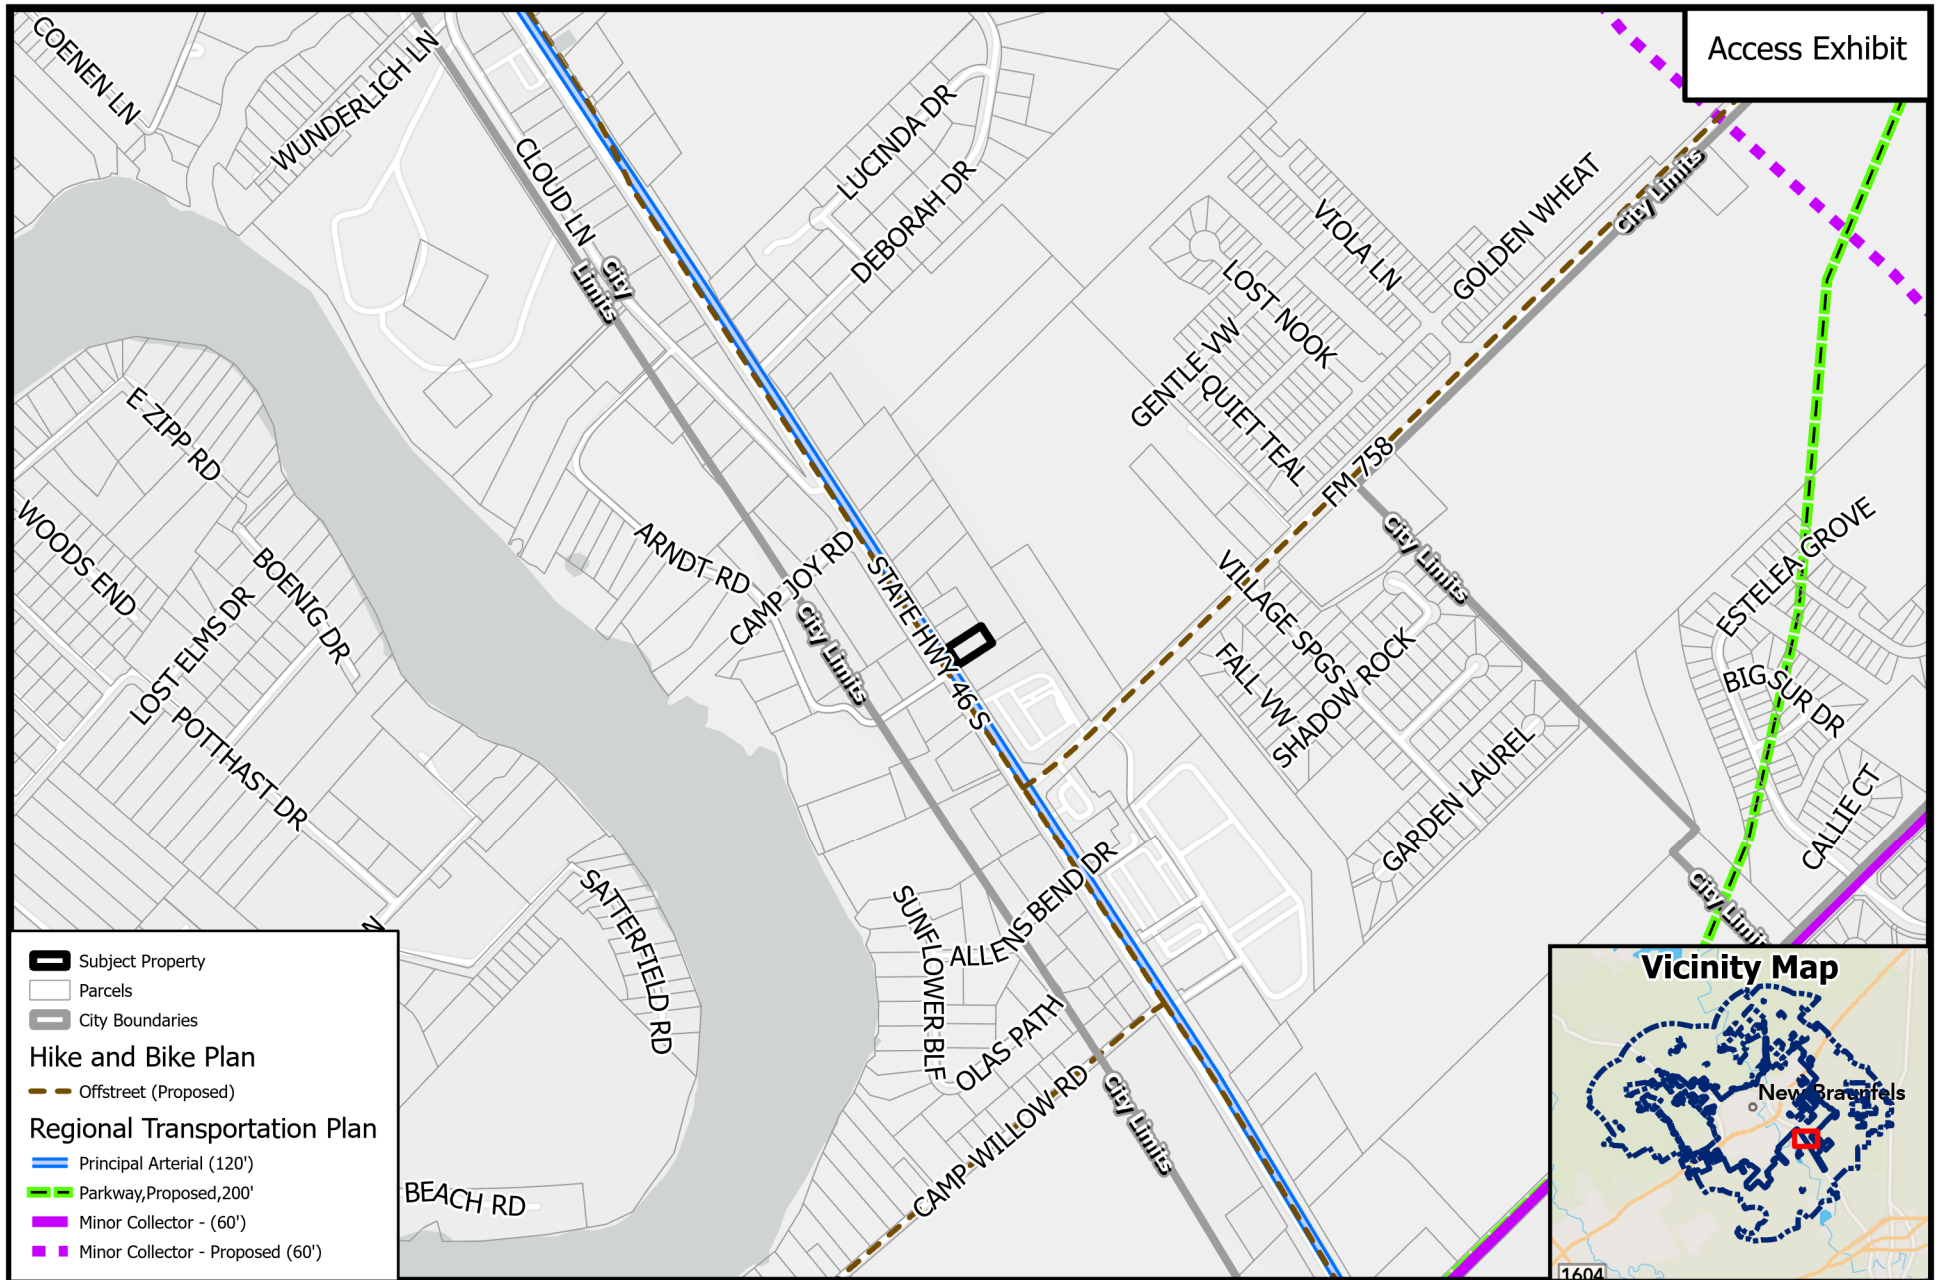

Mailed notification as required by state statute:

Public hearing notices were sent to owners of 9 properties within 200 feet of the request. As of the date this agenda was posted, the city has received no responses in opposition.

Agenda Item No. A)

PRESENTER:

Jeff Jewell, Economic and Community Development Director

Val Acevedo, City Attorney

SUBJECT:

Discuss and consider approval of the first reading of an ordinance amending the Code of Ordinances, Chapter 126, Sec. 126-355, related to the downtown parking zone by establishing paid parking areas, fees, and the days and times of enforcement, and repealing Secs. 126-382 to 126-395 related to parking meters and pay stations.

DEPARTMENT: Economic and Community Development**COUNCIL DISTRICTS IMPACTED:** 1, 3, 5**BACKGROUND INFORMATION:**

Since 2022, city staff has undertaken planning and due diligence efforts to develop strategies and recommendations for parking in the downtown area. Downtown continues to be a top priority for stakeholders, including the New Braunfels Downtown Board. In 2023, a downtown parking management study was completed by Walker Consultants, along with a parking garage feasibility study. Walker recommended a series of strategies to operate an improved parking enforcement effort for the downtown area to delay the construction of a costly parking garage. The study recommended technological, administrative, and policy changes that would result in an improved end-user experience and more efficient enforcement efforts to better manage downtown parking inventories.

The Downtown Board formed a parking committee of downtown business owners and leaders who evaluated the parking and garage studies, along with a recent downtown business survey. The survey indicated that businesses felt it was time for a change; they valued space turnover for new customers near their business; there is a desire for a mix of free and paid parking options with a fee for the most convenient spaces; that staff need a reliable place to park; and that they support paid parking if it was reinvested into downtown.

The parking committee considered increased visitation and retail changes with associated business hours since the two-hour parking ordinance was implemented in 2009. They also expressed a desire to expand options for people to stay longer or less than 2 hours, noting that short term parking can remain free, with longer term parking also available for free but with less convenience. Other considerations included privately owned parking lots charging a fee for parking, putting additional pressure on the most convenient and free on-street parking, and a desire to shift parking costs onto those that use it. Charging a fee for the most convenient parking spaces in downtown is also believed to support downtown vibrancy by reinvesting parking revenues into streetscape improvements, safety, and amenities, as well as helping to fund long term parking solutions such as a parking garage.

The parking committee presented its recommendations to the Downtown Board which were approved unanimously. The committee's recommendations were also approved by the Downtown Association's board. The proposed changes include paid parking in the two-hour ordinance areas on every day of the week, from 10:00am to 10:00pm with the first hour free and \$2.00 per hour after. The maximum daily rate is proposed to be \$10.00. Approximately twenty-three spaces not currently included in the two-hour ordinance area are proposed

to be included as part of the managed parking program. Specifically, these spaces have been excluded from the two-hour ordinance at Comal County's request, but staff is recommending these spaces (23) be included in the managed parking system. Proposed for inclusion in the paid parking system are four (4) spaces along E. San Antonio between Main Plaza and the Comal County Court's driveway, eleven (11) in the northeast quadrant of Main Plaza directly in front of the Courthouse and eight (8) spaces along Seguin Avenue directly adjacent to the Comal County Courthouse and Annex Building.

A cross-department city team has worked and met regularly since that time to study and implement recommendations and potential efficiencies from the 2023 parking study. A contract with Interstate Parking was approved in February 2025 to manage the parking program, including parking ambassadors for enforcement, leveraging technology to create a user-friendly resident river parking pass program, collect parking fees, and implement additional strategies learned because of data collection and behavior changes. A fully integrated managed parking program has been shown in other cities to improve access, reduce congestion, support local businesses, and delay costly parking garages.

The city has worked to create new free parking spaces, particularly for downtown employees. The city currently has agreements in place for two downtown employee parking lots and are working to expand the permit program to other privately owned off-street parking lots. These agreements have been funded by the TIRZ #3. Staff has also worked on agreements with downtown partners to make additional parking lots available to the public after 5pm and on weekends. Parking signage has also been added to direct visitors to free parking areas, with plans to increase.

On April 14, 2025, council approved changes to the administration and collection of unpaid parking violations. The move to a civil citation process, also recommended by the 2023 parking study, will allow Municipal Court to reallocate its efforts on other municipal offenses, improve customer experience through its proportionate and simplified resolution process, and enable the use of a third-party contractor to act as the City's parking enforcement agent.

This city team has also identified ordinances affected by the parking committee's proposed changes, as well as those that are outdated, particularly those for parking meters and pay stations that no longer exist. Ordinances were also found to have redundancies, specifically to the recently approved ordinance changes for civil administration and collection of unpaid parking violations. Ordinance Changes because of recently approved ordinances, those in support of the committee's recommendations, and those found to be outdated are included in this item.

The ordinance changes include:

- Paid parking areas include those shown in the map below, indicated by orange lines.
- Paid parking will be enforced every day of the week, from 10:00am to 10:00pm.
- Parking will be free for the first hour, then \$2.00 per hour for every hour after, with a maximum daily rate of \$10.00.

The changes also include vehicle registration as a requirement upon parking in the proposed Downtown Parking Zone. Customers not able or willing to register their vehicle upon parking in a designated managed space are free to park in one of the publicly available lots that do not require registration or payment.

INSERT SARAH'S PENDING MAP HERE

The ordinance changes also include:

- Remove references to parking meters and pay stations.
- Remove references to unpaid parking penalties that appear in other ordinances.

Prior presentations to Council related to downtown parking have occurred on March 18, 2024, February 17, 2025, February 24, 2025, and March 24, 2025. These include reviews of proposed changes and approval of a contract with Interstate Parking for parking management and enforcement. Unpaid parking violations were decriminalized by city council at its meeting on April 14, 2025.

The city has hosted several meetings with downtown businesses and stakeholder groups, held two open forum public meetings, and launched information on the city's website and social media to help the public understand the proposed changes. The city, in coordination with Interstate Parking, will continue efforts to educate and engage with downtown visitors, businesses, and employees. Paid parking in downtown is expected to begin in June 2025, with approval of these ordinance changes.

Ordinances in Sections 126 382 - 395 are requested to be repealed as these ordinances are specific to parking meters and stations that no longer exist. The city has seen these devices to be inefficient and costly to maintain. Instead, the city plans to leverage current technology for parking registration and payment processing.

ISSUE:

The current time-limited downtown parking ordinance does not match current visitation demand periods, include consumer choices, or result in the desired customer turnover needed to create new customers for downtown businesses. These ordinance changes reflect a larger managed parking system which organizes, prices, and regulates parking in the highest demand areas. Charging a fee for on-street parking in the proposed areas is an equitable way to shift the cost of enforcement onto the actual users of the parking system and generate revenue to pursue other parking solutions in high demand districts such as downtown New Braunfels.

STRATEGIC PLAN REFERENCE:

☒Economic Mobility ☒Enhanced Connectivity ☐Community Identity
☐Organizational Excellence ☐Community Well-Being ☐N/A

FISCAL IMPACT:

The fiscal impact is unknown. It is expected that downtown parking fees will generate revenue in excess of the annual operating costs of the third-party parking management company, however behavior changes are unknown including number of parking turnovers each day and compliance, as well as the cost of potential new private parking lot agreements staff and the public. All revenues generated from downtown paid parking will be transferred into the Parking Revenue Fund for future improvements.

RECOMMENDATION:

Staff recommends approval of the first reading of this ordinance amendment to Chapter 126 Section 355 - Downtown Parking Zone and Sections 382 through 395 - Metered and Pay Station Parking by establishing paid parking areas, fees, identifying the days and times that paid parking will be enforced, and removing references to parking meters and pay stations.

ORDINANCE NO. 2025- ____

AN ORDINANCE OF THE CITY OF NEW BRAUNFELS, TEXAS, AMENDING CHAPTER 126, ARTICLE VII-PARKING, DIVISION 2, SEC. 126-355 UPDATING DOWNTOWN PARKING ZONE, OFFENSES AND PENALTIES, AND AUTHORIZING PAID PARKING; AND REPEALING SECTIONS 126-382 TO 126-395, RELATING TO METERS AND PAY STATIONS; REPEALING ALL LAWS IN CONFLICT; PROVIDING FOR SEVERABILITY, PUBLICATION AND AN EFFECTIVE DATE.

Whereas, the City has extensively studied and further engaged with downtown stakeholders and property owners to improve the downtown parking environment and deploy best practices in parking management; and

Whereas, the City desires to update and expand its parking enforcement efforts to reflect current demand in downtown to increase parking turnover as a tool to support downtown businesses in the most convenient and popular parking spaces; and

Whereas, the City desires to implement paid parking in downtown as a revenue source for expanded enforcement efforts and to reinvest into future downtown parking improvements; and

Whereas, the City desires to update the downtown parking zone boundaries and the areas to be included as paid parking, as well as provide an exemption for disabled veterans.

Whereas, no parking meters or pay stations are currently installed or in use thus the repeal of that ordinance is recommended; and

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NEW BRAUNFELS, TEXAS:

Agenda Item No. B)

PRESENTER:

Dawn Schriewer, Chief Financial Officer, New Braunfels Utilities (NBU)

SUBJECT:

Discuss and Consider Approval of an Ordinance Authorizing the Issuance of “City of New Braunfels, Texas, Utility System Revenue Refunding Bonds, Series 2025”, Pledging the Net Revenues of the City’s Waterworks, Sanitary Sewer and Electric Light and Power Systems to the Payment of the Principal of and Interest on Said Bonds; Enacting Provisions Incident and Related to the Issuance, Payment, Security, Sale and Delivery of Said Bonds; Establishing Procedures for the Sale and Delivery of Said Bonds; Delegating Matters Relating to the Sale and Issuance of Said Bonds to Authorized City and Systems Officials and Providing an Effective Date.

DEPARTMENT: New Braunfels Utilities

COUNCIL DISTRICTS IMPACTED: All

BACKGROUND INFORMATION:

During the New Braunfels Utilities (“NBU”) budget workshop on May 30, 2024, NBU staff discussed its desire to issue bonds of up to \$111.8 million to fund planned capital expenditures in fiscal year 2025 and continue the use of its commercial paper program, both of which will allow NBU to remain flexible and liquid with quick access to funds when needed. The Board of Trustees (“Board”) approved the fiscal year 2025 budget and five-year financial operating plan through fiscal year 2029, including the above planned bond issuances, at its June 27, 2024, Board meeting. NBU’s staff has determined that refunding the outstanding commercial paper notes will provide the necessary capacity to fund planned expenditures in fiscal year 2025. In light of the fact that major projects are underway, NBU staff recommends that the Series 2025 bond issuance be initiated.

The Series 2025 bond issuance includes the refunding of up to \$75 million in commercial paper notes, along with \$64 million for a potential refunding of the Series 2015 and Series 2016 bond issues. The refunding of the outstanding commercial paper notes adheres to NBU’s Financial Policy, which states that NBU will refund the outstanding commercial paper notes with long-term debt once the authorized commercial paper amount is fully utilized or if it is determined that market conditions are no longer favorable for the issuance and remarketing of commercial paper notes. The refunding of the commercial paper notes will allow NBU to again utilize the \$75 million in commercial paper capacity and to continue to benefit from access to funds at the usually lower short-term interest repayment rates associated with a commercial paper program.

The Board, at its April 24, 2025, Board Meeting, authorized NBU staff, financial advisor and bond counsel to begin the bond offering process and preparation of documents relating to the issuance of up to \$144.2 million in revenue refunding bonds.

The City is a qualified issuer under Government Code Chapter 1371 which allows the delegation of the authority by the City Council to finalize the bond transaction within certain parameters. Section 1207.007 of the

Government Code allows for the parameter delegation of the refunding component of the bond issue. The approval to issue bonds under these authorities allows the City Council to set certain parameters, such as (i) the maximum original principal amount, (ii) a maximum maturity date, (iii) a not-to-exceed interest rate, and (iv) a minimum net present value savings on the par value of the refunded bonds. If all of these parameters are met, then the ultimate final approval of pricing would be delegated to certain appointed officials, such as the City Manager and CEO of NBU. This process eliminates the strict deadline (timeline) of having to coordinate pricing to the date of a City Council meeting. This gives the City and NBU the flexibility to time its actions in the market by adjusting the pricing in response to potential positive market developments or to avoid adverse market developments. The City Manager would be fully advised once the financing is completed. This approach also has the advantage of not requiring an additional separate City Council meeting to approve the bond issue. This parameter bond process has been successfully utilized in prior NBU bond offerings and provides flexibility and the opportunity to achieve the best pricing of the bonds. A summary of the proposed parameters is as follows:

1. The maximum original principal amount of \$144,235,000;
2. A maximum maturity date that will not exceed July 1, 2056;
3. An interest rate that will not exceed 6.00%; and
4. A minimum net present value savings on the par value of the refunded bonds of at least 2.00%.

STRATEGIC PLAN REFERENCE:

☐ Economic Mobility ☐ Enhanced Connectivity ☐ Community Identity
☐ Organizational Excellence ☒ Community Well-Being ☐ N/A

FISCAL IMPACT:

There is no direct impact to the City of New Braunfels from the issuance of the bonds described above.

RECOMMENDATION:

NBU Staff recommends approval of the ordinance.

Series 2025 Bond Issuance

May 12, 2025

Market Update

- **Fixed income and equity markets have continued to show some volatility as the markets try to balance inflationary concerns and geo-political pressures.**
- **While the municipal market has seen a tighter range of movement for interest rates in the last 12-18 months through the end of March, we have still seen a variance of 50-75 basis points during this time.**
- **Since the beginning of April, the municipal market has experienced more significant swings with rates moving as much as 45 bp from day to day with a two day upward move of approximately 80 bp followed the next day by a downward move of 30-40 bp.**
 - The yield curve, even with the above swings, has slowly been losing its inversion and becoming more “normal” with shorter term rates at lower levels than the medium and long term rates.
 - There does not seem to be a firm consensus that inflation is truly under control, however, there remains a general projection that the Fed will cut their short term rates possibly two times in calendar 2025.
 - Long term fixed tax exempt rates are still at relatively low historic levels.

NOW, THEREFORE, in consideration of the mutual agreements herein contained and the payment to the Escrow Agent of the amounts provided in Section 1 hereof, and to secure the payment of the principal of and the interest on the Refunded Obligations, the Issuer and the Escrow Agent hereby agree as follows:

SECTION 1: There is hereby created by the Issuer and the Escrow Agent a special segregated and irrevocable trust fund designated "CITY OF NEW BRAUNFELS, TEXAS, UTILITY SYSTEM REVENUE REFUNDING BONDS SERIES 2025 ESCROW FUND" (the "Escrow Fund") for the benefit of the holders of the Refunded Obligations, and, immediately following the delivery of the Bonds, the Issuer agrees and covenants to cause to be deposited with the Escrow Agent for the credit of the Escrow Fund the sum of \$_____ of proceeds of the Bonds, of which amount \$_____ will be used to refund the Refunded Bonds and \$_____ will be used to refund the Refunded CP Notes.

The Escrow Agent agrees to establish such Escrow Fund and further agrees to receive said moneys, apply the same as set forth herein, and to hold the cash and investments, if any, deposited and credited to the Escrow Fund for application and disbursement relating to the Refunded CP Notes and for application and disbursement to the paying agent for the Refunded Bonds for the payment and redemption of the Refunded Bonds on the Refunded Bonds Payment Date and for the payment of the Refunded CP Notes on the Refunded CP Notes Payment Date.

SECTION 2: The Issuer represents that the cash [and investments] deposited to the credit of the Escrow Fund will be sufficient to pay and redeem in full all the Refunded Bonds on the Refunded Bonds Payment Date and sufficient to pay in full all of the Refunded CP Notes on the Refunded CP Notes Payment Date.

SECTION 3: The Escrow Agent agrees that all cash and/or investments held in the Escrow Fund shall constitute dedicated interest and sinking funds for the payment of the principal of and interest on the Refunded Obligations which will become due on and after the date of this Agreement, and such funds deposited in the Escrow Fund shall be applied solely in accordance with the provisions of this Agreement.

SECTION 4: If, for any reason, the funds on hand in the Escrow Fund shall be insufficient to pay the redemption price of the Refunded Bonds on the Refunded Bonds Payment Date or to pay the maturity principal amount and interest on the Refunded CP Notes on the Refunded CP Notes Payment Date, the Issuer shall make deposits to the Escrow Fund, from lawfully available funds, of additional funds in the amounts required to make such payments. Notice of any such insufficiency shall be immediately given by the Escrow Agent to the Issuer by the fastest means possible, but the Escrow Agent shall in no manner be responsible for the Issuer's failure to make such deposit.

SECTION 5: The deposit covered by this Agreement shall constitute firm banking arrangements to insure payment of the Refunded Obligations and such deposit is collateralized to insure against any loss or diminution by virtue of any action of the Escrow Agent or as a result of its lack of financial integrity and such deposit, if not invested pursuant to Section 8 hereof, will be continuously collateralized by securities or obligations which qualify and are eligible under both the laws of the State of Texas and the laws of the United States of America to secure and be pledged as collateral for paying agent accounts to the extent such money is not insured by the Federal Deposit Insurance Corporation.

SECTION 6: The Escrow Agent shall, without further direction from anyone, including the Issuer, cause to be withdrawn from the Escrow Fund the amounts required to pay the principal and accrued interest on the Refunded Obligations due and payable on the Refunded CP Notes Payment Date and Refunded Bonds Payment Date (jointly, the "Payment Dates") and the amounts withdrawn from the Escrow Fund shall be immediately transmitted and deposited with the respective paying agents for the Refunded Obligations to be paid with such amounts. The paying agent for the Refunded Bonds is Wilmington Trust, National Association. The Escrow Agent does not act as a depository of the Issuer. The issuing and paying agent for the Refunded CP Notes is the Escrow Agent.

SECTION 7: The Escrow Agent shall have no lien whatsoever upon any of the moneys in the Escrow Fund for payment of services rendered hereunder or for any costs or expenses incurred hereunder and reimbursable from the Issuer.

SECTION 8: Pending the disbursement of moneys held in the Escrow Fund, amounts deposited to the credit of the Escrow Fund may be invested at the direction of the Issuer in direct obligations of the United States of America which mature on or before the Payment Dates and are not subject to prior redemption. All earnings realized from the investment of such funds will be remitted to the Issuer immediately following the receipt thereof by the Escrow Agent. No investment of funds deposited to the credit of the Escrow Fund shall be made on or after the Payment Dates of the Refunded Obligations. Except as authorized and permitted in this Section, neither the Issuer nor the Escrow Agent shall invest any moneys deposited in the Escrow Fund.

SECTION 9: The Issuer agrees to pay the Escrow Agent for the performance of services hereunder and as reimbursement for anticipated expenses to be incurred hereunder an acceptance fee of \$_____ and an administration fee of \$_____ and, except for reimbursement of costs and expenses incurred by the Escrow Agent pursuant to Section 10 hereof, the Escrow Agent hereby agrees said amount is full and complete payment for the administration of this Agreement.

The Issuer agrees to cause to be deposited with the Escrow Agent on the effective date of this Agreement, the sum of \$_____, which represents the amount due Wilmington Trust, National Association as paying agent for the Refunded Bonds and the Escrow Agent agrees to transmit such amount to Wilmington Trust, National Association in accordance with the Issuer's instructions.

The Escrow Agent shall not be responsible for any recital herein, except with respect to its organization, its powers and authority and to the safety and security of the deposit of funds to be made by the Issuer hereunder. As to the existence or nonexistence of any fact relating to the Issuer or as to the sufficiency or validity of any instrument, paper or proceedings relating to the Issuer, the Escrow Agent shall be entitled to rely upon a certificate signed on behalf of the Issuer by the City Secretary as sufficient evidence of the facts therein contained. The Escrow Agent may accept a certificate of the City Secretary under the Issuer's seal, to the effect that an ordinance or other instrument in the form therein set forth has been adopted by the City Council of the Issuer, as conclusive evidence that such ordinance or other instrument has been duly adopted and is in full force and effect.

The duties and obligations of the Escrow Agent shall be determined solely by the express provisions of this Agreement and the Escrow Agent shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Escrow Agent.

To the extent permitted by law, the Issuer agrees to indemnify the Escrow Agent for, and hold it harmless against, any loss, liability or expense incurred by the Escrow Agent without negligence or bad faith on the Escrow Agent's part, arising out of or in connection with its acceptance or administration of the Escrow Agent's duties hereunder, including the cost and expense (including the Escrow Agent's counsel fees) of defending against any claim or liability in connection with the exercise or performance of any of the Escrow Agent's power or duties under this Agreement.

In the absence of bad faith on the part of the Escrow Agent, the Escrow Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Escrow Agent, conforming to the requirements of this Agreement; but notwithstanding any provision of this Agreement to the contrary, in the case of any such certificate or opinion or any evidence which by any provision hereof is specifically required to be furnished to the Escrow Agent, the Escrow Agent shall be under no duty to examine the same to determine whether it conforms on its face to the requirements of this Agreement.

The Escrow Agent shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Escrow Agent unless it shall be proved that the Escrow Agent was negligent in ascertaining or acting upon the pertinent facts. The Escrow Agent shall not be responsible or liable to any person in any manner whatever for the sufficiency, correctness, genuineness, effectiveness, or validity of the deposits made pursuant to this Agreement, or for the form or execution thereof, or for the identity or authority of any person making or executing such deposits.

The term "Responsible Officers" of the Escrow Agent, as used in this Agreement, shall mean and include the Chairman of the Board of Directors, the President, any Vice President and any Second Vice President, the Secretary and any Assistant Secretary, the Treasurer and any Assistant Treasurer, and every other officer and assistant officer of the Escrow Agent customarily performing functions similar to those performed by the persons who at the time shall be officers, respectively, or to whom any corporate trust matter is referred, because of his knowledge of and familiarity with a particular subject; and the term "Responsible Officer" of the Escrow Agent, as used in this Agreement, shall mean and include any of said officers or persons.

SECTION 10: This Agreement is between the Issuer and the Escrow Agent only and in connection therewith the Escrow Agent is authorized by the Issuer to rely upon the representations of the Issuer with respect to this Agreement and the deposits made pursuant hereto and as to this Issuer's right and power to execute and deliver this Agreement, and the Escrow Agent shall not be liable in any manner as a result of such reliance. The duty of the Escrow Agent hereunder shall only be to the Issuer and the holders of the Refunded Obligations. In the event conflicting demands or notices are made upon the Escrow Agent growing out of or relating to this Agreement or the Escrow Agent in good faith is in doubt as to what action should be taken hereunder, the Escrow Agent shall have the right at its election to:

(a) Withhold and stop all further proceedings in, and performance of, this Agreement with respect to the issue in question and of all instructions received hereunder in regard to such issue; and

(b) File a suit in interpleader and obtain an order from a court of appropriate jurisdiction in the State of Texas requiring all persons involved to

interplead and litigate in such court their several claims and rights among themselves.

In the event the Escrow Agent becomes involved in litigation in connection with this Section, the Issuer, to the extent permitted by law, agrees to indemnify and save the Escrow Agent harmless from all loss, cost, damages, expenses and attorney fees suffered or incurred by the Escrow Agent as a result thereof. The obligations of the Escrow Agent under this Agreement shall be performable at the principal corporate office of the Escrow Agent in the City of Houston, Texas.

The Escrow Agent may advise with legal counsel in the event of any dispute or question regarding the construction of any of the provisions hereof or its duties hereunder, and in the absence of negligence or bad faith on the part of the Escrow Agent, no liability shall be incurred by the Escrow Agent for any action taken pursuant to this Section and the Escrow Agent shall be fully protected in acting in accordance with the opinion and instructions of legal counsel that is knowledgeable and has expertise in the field of law addressed in any such legal opinion or with respect to the instructions given.

SECTION 11: Time shall be of the essence in the performance of obligations from time to time imposed upon the Escrow Agent by this Agreement.

SECTION 12: Following the final payment of the Refunded Obligations, the Escrow Agent shall forward by letter to New Braunfels Utilities, to the attention of the Chief Executive Officer, the Chief Financial Officer, or other designated official of New Braunfels Utilities, a final accounting statement with respect to the payment and discharge of the Refunded Obligations.

SECTION 13: Any notice, order, request or demand required or permitted to be given hereunder shall be in writing and shall be deemed to have been duly given when mailed by registered or certified mail, postage prepaid, addressed as follows:

Subject to applicable unclaimed property laws of the State, moneys held in the Escrow Fund at the termination of this Agreement shall be remitted and transferred to the Issuer.

SECTION 18: Neither the Issuer nor the Escrow Agent shall assign or attempt to assign or transfer any interest hereunder or any portion of any such interest. Any such assignment or attempted assignment shall be in direct conflict with this Agreement and be without effect.

SECTION 19: Any corporation or association into which the Escrow Agent may be merged or converted or with which it may be consolidated, or any corporation or association resulting from any merger, conversion, or consolidation to which the Escrow Agent shall be a party, or any corporation or association succeeding to all or substantially all of the corporate trust business of the Escrow Agent shall be the successor of the Escrow Agent under this Agreement without the execution or filing of any paper or any further act on the part of either parties hereto.

SECTION 20: This Agreement shall inure to the benefit of and be binding upon the Escrow Agent and the Issuer and their respective successors.

(a) Should the Escrow Agent not be able to legally serve or perform the duties and obligations under this Agreement, or should the Escrow Agent be declared to be insolvent or closed for any reason by federal or state regulatory authorities or a court of competent jurisdiction, the Issuer, upon being notified or discovering the Escrow Agent's inability or disqualification to serve hereunder, shall forthwith appoint a successor to replace the Escrow Agent, and upon being notified of such appointment, the Escrow Agent shall (i) transfer all funds and securities held hereunder, together with all books, records and accounts relating to the Escrow Fund and the

If the Issuer should fail to appoint such a successor within ninety (90) days from the date the Issuer discovers, or is notified of, the event or circumstance causing the Escrow Agent's inability or disqualification to serve hereunder, the Escrow Agent, or a bondholder of the Refunded Obligations, may apply, at the expense of the Issuer, to a court of competent jurisdiction to appoint a successor or assigns of the Escrow Agent and such court, upon determining the Escrow Agent is unable to continue to serve, shall appoint a successor to serve under this Agreement and the amount of compensation, if any, to be paid to such successor for the remainder of the term of this Agreement for services to be rendered for administering the Escrow Fund.

(b) Furthermore, the Escrow Agent may resign and be discharged from performing its duties and responsibilities under this Agreement upon notifying the Issuer in writing of its intention to resign and requesting the Issuer to appoint a successor. No such resignation shall take effect until a successor has been appointed by the Issuer and such successor has accepted such appointment and agreed to perform all duties and obligations hereunder for a total compensation equal to the unearned proportional amount paid the Escrow Agent under Section 9 hereof for the administration of this Agreement.

Any successor to the Escrow Agent shall be a bank, trust company or other financial institution that is duly qualified under applicable law (the Act, or other appropriate statute) to serve as escrow agent hereunder and authorized and empowered to perform the duties and obligations contemplated by this Agreement and organized and doing business under the laws of the United States or the State of Texas, having its principal office and place of business in the State of Texas, having a combined capital and surplus of at least \$50,000,000 and be subject to the supervision or examination by Federal or State authority.

The term "Escrow Agent" as used herein shall be the Escrow Agent and its legal assigns and successor hereunder.

SECTION 21: The Escrow Agent hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, to the extent this Agreement is a contract for goods or services, will not boycott Israel during the term of this Agreement. As used in the foregoing verification, 'boycott Israel' means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Escrow Agent understands 'affiliate' to mean an entity that controls, is controlled by, or is under common control with the Escrow Agent and exists to make a profit.

SECTION 22: The Escrow Agent represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153

or Section 2270.0201, Texas Government Code, and posted on the following page of such officer's internet website:

<https://comptroller.texas.gov/purchasing/publications/divestment.php>.

The foregoing representation excludes the Escrow Agent and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Escrow Agent understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the Escrow Agent and exists to make a profit.

SECTION 23: The Escrow Agent hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Agreement. As used in the foregoing verification, "boycott energy company" means (without an ordinary business purpose) refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company either (i) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law or (ii) does business with such a company.

SECTION 24: The Escrow Agent hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not discriminate against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Agreement. As used in the foregoing verification, (a) 'discriminate against a firearm entity or firearm trade association' means to refuse to engage in the trade of any goods or services, or to refrain from continuing or terminate an existing business relationship, with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, but does not include any such action taken (i) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency or (ii) for a traditional business reason that is specific to the firearm entity or firearm trade association and not based solely on its status as a firearm entity or firearm trade association, (b) 'firearm entity' means a manufacturer, distributor, wholesaler, supplier, or retailer of firearms, firearm accessories (i.e., devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (i.e., a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (as defined by Section 250.001, Texas Local Government Code), and (c) 'firearm trade association' means a person, corporation, unincorporated association, federation, business league, or business organization that (i) is not organized or operated for profit (and none of the net earnings of which inures to the benefit of any private shareholder or individual), (ii) has two or more firearm entities as members, and (iii) is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c) of that code.

SECTION 25: As used in Sections 23 and 24 above, the Escrow Agent understands "affiliate" to mean an entity that controls, is controlled by, or is under common control with the Escrow Agent within the meaning of SEC Rule 133(f), 17 C.F.R. § 230.133(f), and exists to make a profit.

SECTION 26: This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as one original and shall constitute and be but one and the same instrument.

SECTION 27: None of the provisions of this Agreement shall require the Escrow Agent to expend or risk its own funds or otherwise to incur and liability, financial or otherwise, in the performance of its duties hereunder.

SECTION 28: This Agreement shall be governed by the laws of the State of Texas.

SECTION 29: Notwithstanding anything contained herein, the verifications, representations and covenants contained in Sections 21, 22, 23 and 24 shall survive the termination of the Agreement until the applicable statute of limitations has run.

WHEREAS, the City Council of the City of New Braunfels, Texas (the "City") has heretofore authorized by ordinance and provided for the issuance of "City of New Braunfels, Texas, Utility System Commercial Paper Notes, Series 2019A" and "City of New Braunfels, Texas, Utility System Commercial Paper Notes, Series 2019B" (collectively, the "Commercial Paper Notes"); and

WHEREAS, the City Council of the City has heretofore issued, sold, and delivered, and there is currently outstanding, obligations more particularly described as follows: "City of New Braunfels, Texas Utility System Revenue Bonds, Series 2015" dated January 15, 2015 (the "Series 2015 Bonds") and the "City of New Braunfels, Texas, Utility System Revenue and Refunding Bonds, Series 2016" dated March 1, 2016 (the "Series 2016 Bonds" and together with the Series 2015 Bonds, the "Refunded Bonds"); and

WHEREAS, the City Council hereby further finds and determines that all of such revenue refunding bonds can and should be issued on a parity with the outstanding and unpaid revenue bonds of the City (hereinafter called and defined as "Previously Issued Bonds") payable from and secured by a parity lien on and pledge of the Net Revenues of the System in that (i) the Chief Executive Officer of the System (as hereinafter defined) will execute a certificate stating (a) that, to the best of his knowledge and belief, the City is not now in default as to any covenant, obligation or agreement contained in any ordinance or other proceeding relating to any obligations of the City payable from and secured by a lien on and pledge of the Net Revenues of the System and (b) payments into all special funds or accounts created and established for the payment and security of all outstanding obligations payable from and secured by a lien on and pledge of the Net Revenues of the System have been made and the amounts on deposit in such special funds or accounts are the amounts now required to be on deposit therein; (ii) the bonds herein authorized shall be scheduled to mature as to principal on July 1 in each year; (iii) the City has secured or can secure a certificate or opinion of a Certified Public Accountant to the effect that, according to the books and records of the City, the "Net Earnings" of the System, for the last completed Fiscal Year, are at least equal to 1.40 times the average annual requirement for the payment of principal of and interest on all outstanding "Bonds Similarly Secured" (hereinafter defined) after giving effect to the issuance of the bonds herein being issued and (iv) this ordinance shall provide for (a) additional amounts to be deposited in the "Bond Fund" to pay principal and interest on the bonds herein authorized and (b) the amount to be accumulated in the Reserve Fund to be equal to not less than the average annual requirement for the payment of principal of and interest on all "Bonds Similarly Secured" to be outstanding after the issuance of the bonds herein authorized and any additional amount to be maintained therein shall be accumulated within 60 months from the date of the bonds herein authorized are delivered; now, therefore,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NEW BRAUNFELS, TEXAS:

SECTION 1: Authorization - Designation- Principal Amount-Purpose. Revenue refunding bonds of the City shall be and are hereby authorized to be issued in the aggregate principal amount set forth in the Pricing Certificate, to be designated and bear the title "CITY OF NEW BRAUNFELS, TEXAS, UTILITY SYSTEM REVENUE REFUNDING BONDS, SERIES 2025" (hereinafter referred to as the "Bonds"), for the purpose of providing funds for (i) the discharge and final payment of certain outstanding obligations of the City (identified in the preamble hereof and finally identified in the Pricing Certificate and referred to as the "Refunded Obligations"), (ii) funding the Reserve Fund, and (iii) paying costs of issuance, in conformity with the Constitution and laws of the State of Texas, including Texas Government Code, Chapters 1207, 1371 and 1502, as amended.

SECTION 2: Fully Registered Obligations - Bond Date - Authorized Denominations - Stated Maturities - Interest Rate(s). The Bonds shall be issued in one or more series as fully registered obligations only, shall be dated as provided in the Pricing Certificate (the "Bond Date"), shall be in denominations of \$5,000 or any integral multiple (within a Stated Maturity) thereof, and shall become due and payable on July 1 in each of the years and in principal

amounts (the "Stated Maturities") and bear interest at the per annum rate(s) in accordance with the details set forth in the Pricing Certificate.

The Bonds shall bear interest on the unpaid principal amounts from the date(s) specified in the Pricing Certificate at the rate(s) per annum shown in the Pricing Certificate (calculated on the basis of a 360-day year of twelve 30-day months). Interest on the Bonds shall be payable on January 1 and July 1 in each year, commencing on the date set forth in the Pricing Certificate, until maturity or earlier redemption.

SECTION 3: Delegation of Authority to Pricing Officers. (a) As authorized by Chapters 1207 and 1371, Texas Government Code, as amended, the City Manager of the City and the Chief Executive Officer or the Chief Financial Officer of the System (any two, jointly, the "Pricing Officer") is hereby authorized to act on behalf of the City in selling and delivering the Bonds and carrying out the other procedures specified in this Ordinance, including determining the aggregate principal amount of the Commercial Paper Notes to be refunded and determining the aggregate principal amount of the Bonds, the date of the Bonds, any additional or different designation or title by which the Bonds shall be known, the price at which the Bonds will be sold, the manner of sale (negotiated, privately placed or competitively bid), the years in which the Bonds will mature, the principal amount to mature in each of such years, the rate of interest to be borne by each such maturity, the date from which interest on the Bonds will accrue, the interest payment dates, the record date, the price and terms upon and at which the Bonds shall be subject to redemption prior to maturity at the option of the City, as well as any mandatory sinking fund redemption provisions, determination of the use of a book-entry-only securities clearance, settlement and transfer system, the designation of an escrow agent satisfying the requirements of Chapter 1207, if any, the terms of any bond insurance applicable to the Bonds, any modification of the continuing disclosure undertaking contained in Section 48 hereof as may be required by the purchasers of the Bonds in connection with any amendments to Rule 15c2-12, and all other matters relating to the issuance, sale and delivery of the Bonds, all of which shall be specified in the Pricing Certificate, provided that:

- (i) the aggregate original principal amount of the Bonds shall not exceed \$144,235,000;
- (ii) the refunding must produce a net present value debt service savings of at least 2.0%, net of any City contribution;
- (iii) the maximum interest rate for the Bonds shall not exceed 6.0%; and
- (iv) the maximum maturity date of the Bonds shall not exceed July 1, 2056.

The execution of the Pricing Certificate shall evidence the sale date of the Bonds by the City to the Purchasers (hereinafter defined).

If the Pricing Officer determines that bond insurance results in a net reduction of the City's interest costs associated with the Bonds, then the Pricing Officer is authorized, in connection with effecting the sale of the Bonds, to make the selection of the municipal bond insurance company for the Bonds (the "Insurer") and to obtain from the Insurer a municipal bond insurance policy in support of the Bonds. The Pricing Officer shall have the authority to determine the provisions of the commitment for any such policy and to execute any documents to effect the issuance of said policy by the Insurer.

(b) In establishing the aggregate principal amount of the Bonds, the Pricing Officer shall establish an amount not exceeding the amount authorized in subsection (a)(i) above, which shall be sufficient in amount to provide for the purposes for which the Bonds are authorized and to pay costs of issuing the Bonds. The delegation made hereby shall expire if not exercised by the Pricing Officer within 180 days of the date hereof. The Bonds may be issued in one or more series and shall be sold to the purchaser(s)/underwriter(s) named in the Pricing Certificate (the "Purchasers"), at such price and with and subject to such terms as set forth in the Pricing Certificate and the Purchase Contract (hereinafter defined), and may be sold by negotiated or competitive sale or by private placement. The Pricing Officer is hereby delegated the authority to designate the Purchasers, which delegation shall be evidenced by the execution of the Pricing Certificate.

SECTION 4: Terms of Payment-Paying Agent/Registrar. The principal of, premium, if any, and the interest on the Bonds, due and payable by reason of maturity, redemption or otherwise, shall be payable only to the registered owners or holders of the Bonds (hereinafter called the "Holders") appearing on the registration and transfer books maintained by the Paying Agent/Registrar and the payment thereof shall be in any coin or currency of the United States of America, which at the time of payment is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders.

The selection and appointment of Zions Bancorporation, National Association, Houston, Texas to serve as the initial Paying Agent/Registrar for the Bonds is hereby approved and confirmed. Books and records relating to the registration, payment, exchange and transfer of the Bonds (the "Security Register") shall at all times be kept and maintained on behalf of the City by the Paying Agent/Registrar, all as provided herein, in accordance with the terms and provisions of a Paying Agent/Registrar Agreement (the "Paying Agent/Registrar Agreement"), substantially in the form attached hereto as **Exhibit A**, and such reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The President of the Board of Trustees and Secretary to the Board of Trustees or the City Manager, the Chief Executive Officer of the System or the Chief Financial Officer of the System are each hereby authorized to execute and deliver such Paying Agent/Registrar Agreement in connection with the delivery of the Bonds. The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a bank, trust company, financial institution or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice thereof to be sent to each Holder by United States Mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of and premium, if any, on the Bonds shall be payable at the Stated Maturities or the redemption thereof, only upon presentation and surrender of the Bonds to the Paying Agent/Registrar initially in Salt Lake City, Utah or, with respect to a successor Paying Agent/Registrar, at the designated offices of such successor (the "Designated Payment/Transfer Office"). Interest on the Bonds shall be paid to the Holders whose name appears in the Security Register at the close of business on the Record Date (the 15th day of the month next preceding each interest payment date) and shall be paid by the Paying Agent/Registrar (i) by check sent United States mail, first class postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying

Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 5: Registration - Transfer - Exchange of Bonds-Predecessor Bonds. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each and every owner of the Bonds issued under and pursuant to the provisions of this Ordinance, or if appropriate, the nominee thereof. Any Bond may be transferred or exchanged for Bonds of other authorized denominations by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/Registrar.

Upon surrender of any Bond (other than the Initial Bond(s) authorized in Section 8 hereof) for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bond(s) authorized in Section 8 hereof) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds to the Holder requesting the exchange.

All Bonds issued in any transfer or exchange of Bonds shall be delivered to the Holders at the Designated Payment/Transfer Office of the Paying Agent/Registrar or sent by United States Mail, first class, postage prepaid to the Holders, and, upon the registration and delivery thereof, the same shall be the valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds cancelled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the new Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered in lieu thereof pursuant to the provisions of Section 32 hereof and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to issue or transfer to an assignee of a Holder any Bond called for redemption, in whole or in part, within 45 days of the date fixed for the redemption of such Bond; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION 6: Book-Entry Only Transfers and Transactions. Notwithstanding the provisions contained in Sections 3, 4 and 5 hereof relating to the payment, and transfer/exchange of the Bonds, the City hereby approves and authorizes the use of "Book-Entry Only" securities clearance, settlement and transfer system provided by The Depository Trust Company (DTC), a limited purpose trust company organized under the laws of the State of New York, in accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representation, by and between the City and DTC (the "Depository Agreement").

In the event the Pricing Officer elects to utilize DTC's "Book-Entry-Only" System, which election shall be made by the Pricing Officer in the Pricing Certificate, pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the "DTC Participants"). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the City covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections 3, 4 and 5 hereof.

SECTION 7: Execution - Registration. The Bonds shall be executed on behalf of the City by the Mayor or Mayor Pro Tem under its seal reproduced or impressed thereon and countersigned by the City Secretary. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the Bond Date shall be deemed to be duly executed on behalf of the City, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in Texas Government Code, Chapter 1201, as amended.

No Bond shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 9(c), with a manual or facsimile signature of the Comptroller of Public Accounts of the State of Texas, or his duly authorized agent, or a certificate of registration substantially in the form provided in Section 9(d), manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate duly signed upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered and delivered.

SECTION 8: Initial Bond(s). The Bonds herein authorized shall be initially issued either (i) as a single fully registered bond in the total principal amount shown in the Pricing Certificate with principal installments to become due and payable as provided in the Pricing Certificate and numbered T-1, or (ii) as multiple fully registered bonds, being one bond for each year of maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (hereinafter called the "Initial Bond(s)") and, in either case, the Initial Bond(s) shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bond(s) shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond(s), the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond(s) delivered hereunder and exchange therefor definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 9: Forms.

(a) Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Registration Certificate of Paying Agent/Registrar, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in this Section with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Ordinance and with the Bonds to be completed and modified with the information set forth in the Pricing Certificate, may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends on insured Bonds and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the City or determined by the Pricing Officer. The Pricing Certificate shall set forth the final and controlling forms and terms of the Bonds. Any portion of the text of any Bonds may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The definitive Bonds and the Initial Bond(s) shall be printed, lithographed, or engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing such Bonds as evidenced by their execution thereof.

The City of New Braunfels (hereinafter referred to as the "City"), a body corporate and political subdivision in the Counties of Comal and Guadalupe, State of Texas, for value received, hereby promises to pay to the Registered Owner named above, or the registered assigns thereof, solely from the revenues hereinafter identified, on the Stated Maturity date specified above the Principal Amount hereinabove stated (or so much thereof as shall not have been paid upon prior redemption) and to pay interest on the unpaid principal amount hereof from the [Bond Date][date of the initial delivery of the Bonds] at the per annum rate of interest specified above computed on the basis of a 360-day year of twelve 30-day months; such interest being payable on January 1 and July 1 in each year, commencing July 1, 20____ until maturity or prior redemption. Principal of this Bond is payable at its Stated Maturity or redemption to the registered owner hereof, upon presentation and surrender, at the Designated Payment/Transfer Office of the Paying Agent/Registrar executing the registration certificate appearing hereon, or its successor; provided, however, while this Bond is registered to Cede & Co., the payment of principal upon a partial redemption of the principal amount hereof may be accomplished without presentation and surrender of this Bond. Interest is payable to the registered owner of this Bond (or one or more Predecessor Bonds, as defined in the Ordinance hereinafter referenced) whose name appears on the "Security Register" maintained by the Paying Agent/Registrar at the close of business on the "Record Date", which is the 15th day of the month next preceding each interest payment date, and interest shall be paid by the Paying Agent/Registrar by check sent United States mail, first class postage prepaid, to the address of the registered owner recorded in the Security Register or by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. All payments of principal of, premium, if any, and interest on this Bond shall be in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of the series specified in its title issued in the aggregate principal amount of \$_____ (herein referred to as the "Bonds"), for the purpose of providing funds for (i) the discharge and final payment of certain outstanding obligations of the City (identified in the Ordinance and finally identified in the Pricing Certificate and referred to as the "Refunded Obligations"), (ii) funding the Reserve Fund and (iii) paying costs of issuance, in conformity with the Constitution and laws of the State of Texas, including Texas Government Code, Chapters

1207, 1371 and 1502, as amended, and pursuant to an Ordinance adopted by the City Council of the City (herein referred to as the "Ordinance").

[The Bonds maturing on the dates hereinafter identified (the "Term Bonds") are subject to mandatory redemption prior to maturity with funds on deposit in the Bond Fund established and maintained for the payment thereof in the Ordinance, and shall be redeemed in part prior to maturity at the price of par and accrued interest thereon to the date of redemption, and without premium, on the dates and in the principal amounts as follows:

Term Bonds due July 1, 20__		Term Bonds due July 1, 20__	
<u>Redemption Date</u>	<u>Principal Amount</u>	<u>Redemption Date</u>	<u>Principal Amount</u>

The particular Term Bonds of a stated maturity to be redeemed on each redemption date shall be chosen by lot by the Paying Agent/Registrar; provided, however, that the principal amount of Term Bonds for a stated maturity required to be redeemed on a mandatory redemption date may be reduced, at the option of the City, by the principal amount of Term Bonds of like stated maturity which, at least 50 days prior to the mandatory redemption date, (1) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation or (2) shall have been redeemed pursuant to the optional redemption provisions appearing below and not theretofore credited against a mandatory redemption requirement.】

The Bonds maturing on and after July 1, 20__, may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity selected by lot by the Paying Agent/Registrar), on July 1, 20__, or on any date thereafter, at the redemption price of par, together with accrued interest to the date of redemption.

At least thirty (30) days prior to a redemption date, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of the Bonds to be redeemed at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Ordinance. If a Bond (or any portion of its principal sum) shall have been duly called for redemption and notice of such redemption duly given, then upon such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor, provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event a portion of the principal amount of a Bond is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any authorized denominations provided by the Ordinance for the then unredeemed balance of the principal sum thereof will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within 45 days of the redemption date therefor; provided, however, such

limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

With respect to any optional redemption of the Bonds, unless moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice may state that said redemption is conditional upon the receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon the satisfaction of any prerequisites set forth in such notice of redemption; and, if sufficient moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

The Bonds are special obligations of the City payable solely from, and, together with outstanding Previously Issued Bonds (identified and defined in the Ordinance), equally and ratably secured by a first lien on and pledge of the Net Revenues (as defined in the Ordinance) of the City's Waterworks, Sanitary Sewer and Electric Light and Power Systems (the "System"). The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the System, except with respect to the Net Revenues. The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Subject to satisfying the terms and conditions prescribed therefor, the City has reserved the right to issue additional revenue obligations payable from, and, together with the Bonds and Previously Issued Bonds, equally and ratably secured by a parity lien on and pledge of, the Net Revenues of the System.

Reference is hereby made to the Ordinance, a copy of which is on file in the Designated Payment/Transfer Office of the Paying Agent/Registrar, and to all of the provisions of which the Holder by the acceptance hereof hereby assents, for definitions of terms; the description of and the nature and extent of the security for the payment of the Bonds; the properties constituting the System; the Net Revenues pledged to the payment of the principal of and interest on the Bonds; the nature and extent and manner of enforcement of the lien and pledge securing the payment of the Bonds; the terms and conditions for the issuance of additional revenue obligations; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which the Ordinance may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the liens, pledges, charges and covenants made therein may be discharged at or prior to the maturity or redemption of this Bond, and this Bond deemed to be no longer Outstanding thereunder; and for the other terms and provisions contained therein. Capitalized terms used herein have the same meanings assigned in the Ordinance.

This Bond, subject to certain limitations contained in the Ordinance, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment hereon duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar duly executed by, the registered owner hereof, or his duly authorized agent. When a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest, and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, shall treat the registered owner whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal hereof at its Stated Maturity or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of nonpayment of interest on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented and declared that the City is a body corporate and political subdivision duly organized and legally existing under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is duly authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinance; that the Bonds do not exceed any Constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by a pledge of the Net Revenues of the System as aforesated. In case any provision in this Bond shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Ordinance shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be duly executed under the official seal of the City as of the Bond Date.

SECTION 11: Pledge. The City hereby covenants and agrees that the Net Revenues of the System, with the exception of those in excess of the amounts required for the payment and security of the Bonds Similarly Secured, are hereby irrevocably pledged, equally and ratably, to

the payment and security of the Previously Issued Bonds, the Bonds, and Additional Bonds, if issued, including the establishment and maintenance of the special funds created and established for the payment and security thereof, all as hereinafter provided, and it is hereby ordained that the Bonds Similarly Secured, and the interest thereon, shall constitute a first lien on the Net Revenues of the System in accordance with the terms and provisions hereof and be valid and binding and fully perfected from and after the date of adoption of this Ordinance without physical delivery or transfer or transfer of control of the Net Revenues, the filing of this Ordinance or any other act; all as provided in Chapter 1208 of the Texas Government Code.

Texas Government Code, Section 1208, as amended, applies to the issuance of the Bonds and the pledge of the Net Revenues of the System granted by the City under this Section 11, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Net Revenues of the System granted by the City under this Section 11 is to be subject to the filing requirements of Texas Business and Commerce Code, Chapter 9, as amended, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Texas Business and Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said pledge to occur.

SECTION 12: Rates and Charges. For the benefit of the Holders of the Bonds and in addition to all provisions and covenants in the laws of the State of Texas and in this Ordinance, the City Council and Board of Trustees agree and covenant, while any of the Bonds are outstanding, to establish and maintain rates and charges for facilities and services afforded by the System that are reasonably expected on the basis of available information and experience and with due allowance for contingencies to provide revenues in each Fiscal Year sufficient to pay:

(a) all operating, maintenance, depreciation, replacement, betterment and interest charges and other costs incurred in the maintenance and operation of the System as referenced in Section 10(j) or required by statute to be a first claim on and charge against the revenues of the System, and

(b) the principal of and interest on the Previously Issued Bonds and the Bonds and make all required payments to the special funds created for the payment and security of the Bonds Similarly Secured.

SECTION 13: Special Fund Designations. The City acting through the Board of Trustees covenants and agrees that the following special funds or accounts heretofore created for the payment and security of Bonds Similarly Secured are hereby reaffirmed and shall continue to be maintained while the Bonds are Outstanding, to wit:

(a) Special Utility System Revenue Bond Interest and Sinking Fund, hereinafter called the "Bond Fund", which Fund is and shall continue to be maintained at an official depository bank of the City selected by the Board of Trustees, and moneys deposited in this Fund shall be used to pay principal of and interest on the Bonds Similarly Secured when and as the same becomes due and payable.

(b) Special Utility System Revenue Bond Reserve Fund, hereinafter called "Reserve Fund", which Fund is and shall continue to be maintained at an official depository bank of the City selected by the Board of Trustees, and moneys deposited in this Fund shall be used to pay

principal of and/or interest on the Bonds Similarly Secured falling due at any time when moneys in the Bond Fund are insufficient for such purpose and to retire the last of the Bonds Similarly Secured that are outstanding.

SECTION 14: Utility System Fund. The City hereby covenants and agrees that all revenues of every nature derived from the operation and ownership of the System shall be kept separate and apart from other funds of the City, and, in accordance with the ordinances authorizing the issuance of the Previously Issued Bonds, all such revenues of the System, as collected and received by the Board of Trustees, shall be deposited into an account designated the "Utility System Fund" (heretofore created and established and hereinafter called "System Fund"), which account is and shall continue to be kept and maintained at an official depository bank of the City and the Board. All revenues in the System Fund shall be pledged and appropriated to the extent required for the following uses and in the order of precedence shown:

FIRST: To the payment of all necessary and reasonable maintenance and operation expenses of the System, as referenced in Section 10(j) hereof or required by statute to be a first charge on and claim against the revenues of the System.

SECOND: To the payment of the amounts required to be deposited in the special Funds created and maintained for the payment and security of the Bonds Similarly Secured, including the establishment and maintenance of the Required Reserve (hereinafter defined in Section 16 hereof) in accordance with the provisions of the ordinances authorizing the issuance of Bonds Similarly Secured.

THIRD: To the payment of other obligations or indebtedness payable from and secured by a lien on and pledge of the Net Revenues of the System that is junior and subordinate to the lien and pledge securing the payment of the Bonds Similarly Secured.

Any Net Revenues remaining in the System Fund after satisfying the foregoing payments, or making adequate and sufficient provision for the payment thereof, may be appropriated and used by the Board of Trustees for any purpose now or hereafter permitted by law, including a transfer to the City's general fund as permitted by Texas Government Code, Section 1502.058, as amended.

SECTION 15: Bond Fund. In addition to the deposits to the Bond Fund for the payment of the Previously Issued Bonds, the City hereby covenants and agrees, and the Board of Trustees is hereby directed, to deposit into the Bond Fund prior to each principal and interest payment date for the Bonds from the Net Revenues of the System a sum equal to one hundred percent (100%) of the amount required to fully pay the interest on and principal of the Bonds then falling due, such deposits to pay maturing principal and accrued interest on the Bonds to be made in substantially equal monthly amounts on or before the last day of the month beginning the month the Bonds are delivered to the initial purchasers.

The monthly deposits to the Bond Fund for the payment of principal of and interest on the Bonds shall continue to be made until such time as (i) the total amount on deposit in the Bond Fund and Reserve Fund is equal to the amount required to pay all outstanding Bonds Similarly Secured or (ii) the Bonds are no longer Outstanding.

Accrued interest, if any, received from the purchaser of the Bonds shall be deposited in the Bond Fund, and may be taken into consideration and reduce the amount which would otherwise be required to be deposited in the Bond Fund from the Net Revenues of the System.

SECTION 16: Reserve Fund. The City hereby covenants and agrees, and the Board of Trustees is hereby directed, to accumulate, and, when accumulated, to continuously maintain in the Reserve Fund an amount equal to at least the average annual principal and interest requirements of the Bonds Similarly Secured (calculated on a Fiscal Year basis as of the date the last series of Bonds Similarly Secured outstanding were delivered), which amount is hereby referred to as the "Required Reserve".

In accordance with the provisions of the ordinances authorizing the issuance of the Previously Issued Bonds, by reason of the issuance of the Bonds, the total amount required to be accumulated and maintained in the Reserve Fund shall be as provided in the Pricing Certificate, which amount shall be equal to not less than the Required Reserve. Any amount due to the Reserve Fund by reason of the issuance of the Bonds may be deposited to the Reserve Fund as provided in the Pricing Certificate, including the accumulation of the Required Reserve amount over a period of not to exceed sixty months from the date of the Pricing Certificate.

Subject to the provisions of the preceding paragraph, so long as the money and investments in the Reserve Fund total not less than the Required Reserve, no deposits need be made to the credit of the Reserve Fund; but when and if the Reserve Fund at any time contains less than the Required Reserve (after giving effect to the accumulation of the Required Reserve as provided in the Pricing Certificate), the City covenants and agrees, and the Board of Trustees is hereby directed, to cure the deficiency in the Required Reserve within twelve months from the date the deficiency in funds occurred with available Net Revenues of the System pledged to the payment of the Bonds, and the City, acting through the Board of Trustees, hereby covenants and agrees that, subject to the required payments to the Bond Fund for Bonds Similarly Secured, the Net Revenues of the System remaining in the System Fund shall be applied and appropriated and used to establish and maintain the Required Reserve and to cure any deficiency in such amount, as required by the terms of this Ordinance and any other ordinance pertaining to Bonds Similarly Secured.

The City, acting through the Board of Trustees, may, at its option, withdraw all surplus in the Reserve Fund in excess of the Required Reserve and deposit the same in the System Fund.

To the extent permitted by law, the City expressly reserves the right at any time to satisfy all or any part of the Required Reserve by obtaining for the benefit of the Reserve Fund one or more Reserve Fund Surety Policies (a "Reserve Fund Surety Policy"). In the event the City elects to substitute a Reserve Fund Surety Policy for any funded amounts in the Reserve Fund, it may apply any bond proceeds thereby released, to the greatest extent permitted by law, to any of the purposes for which such funds may lawfully be applied, including the payment of debt service on the Bonds Similarly Secured. A Reserve Fund Surety Policy shall be an insurance policy or other similar guarantee in a principal amount equal to the portion of the Required Reserve to be satisfied which is issued by a financial institution or insurance company or other entity that is rated either for the long term unsecured debt of the issuer of such surety bond or for obligations insured, secured or guaranteed by such issuer have a rating in the highest letter category by one or more major municipal securities rating or evaluation services. The premium for any such policy may be paid from bond proceeds or other funds of the City lawfully available for such purpose. Any reimbursement of amounts drawn against a Reserve Fund Surety Policy shall be limited to the

amounts actually paid under such policy, and such right to reimbursement shall never constitute a separate obligation independent of the Bonds.

SECTION 17: Payment of Bonds. While any of the Bonds are Outstanding, the Board of Trustees shall cause to be transferred to the Paying Agent/Registrar therefor, from funds on deposit in the Bond Fund and, if necessary, in the Reserve Fund, amounts sufficient to fully pay and discharge promptly as each installment of interest and principal of the Bonds accrues or matures or comes due by reason of redemption prior to maturity, such transfer of funds to be made in such manner as will cause immediately available funds to be deposited with the Paying Agent/Registrar for the Bonds at the close of the business day next preceding the date of payment for the Bonds. The Paying Agent/Registrar shall cancel or destroy all paid Bonds, and furnish the Board of Trustees with an appropriate certificate of cancellation or destruction.

SECTION 18: Investment of Funds. Moneys in any Fund required to be maintained pursuant to this Ordinance may, at the option of the Board of Trustees, be placed in time deposits or certificates of deposit secured (to the extent not insured by the Federal Deposit Insurance Corporation) by obligations of the type authorized by the laws of the State of Texas for the security of public funds insofar as the System Fund is concerned and by obligations of the type hereinafter described insofar as the Bond Fund and Reserve Fund are concerned, or be invested, in direct obligations of the United States of America, obligations guaranteed or insured by the United States of America, which, in the opinion of the Attorney General of the United States, are backed by its full faith and credit or represent its general obligations, or invested in indirect obligations of the United States of America, including, but not limited to, evidences of indebtedness issued, insured or guaranteed by such governmental agencies as the Federal Land Banks, Federal Intermediate Credit Banks, Banks for Cooperatives, Federal Home Loan Banks, Government National Mortgage Association, Farmers Home Administration, Federal Home Loan Mortgage Association, Small Business Administration, or Federal Housing Association or such other investments as are permitted by the investment policies of the Board of Trustees; provided that all such deposits and investments shall be made in such a manner that the money required to be expended from any Fund will be available at the proper time or times. Such investments shall be valued in terms of current market value as of a certain date within 60 days of the close of the Fiscal Year. All interest and income derived from deposits and investments in the Bond Fund immediately shall be credited to, and any losses debited to, the Bond Fund. When the Required Reserve is fully established, all interest and interest income derived from deposits and investments in the Reserve Fund immediately shall be credited and deposited in the System Fund as the same are received, otherwise such interest and interest income shall remain in the Reserve Fund. All such investments shall be sold promptly when necessary to prevent any default in connection with the Bonds Similarly Secured.

SECTION 19: Deficiencies in Funds. If in any month the City acting through the Board of Trustees shall, for any reason, fail to pay into the Bond Fund and Reserve Fund the full amounts above stipulated, amounts equivalent to such deficiencies shall be set apart and paid into said Funds from the first available and unallocated Net Revenues of the System in the following month or months and such payments shall be in addition to the amounts hereinabove provided to be otherwise paid into said Funds during such month or months.

SECTION 20: Excess Revenues. Any Net Revenues of the System in excess of those required to fully establish and maintain the special funds created for the payment and security of the Bonds Similarly Secured may be used for the redemption of the Bonds Similarly Secured, or may be appropriated and used by the Board of Trustees for any purpose now or hereafter permitted by law, including a transfer to the City's general fund as permitted by Texas Government

Code, Section 1502.058, as amended; provided, such transfer of money to the general fund of the City does not impair the ability of the Board of Trustees to make subsequent deposits to the special Funds created for the payment and security of the Bonds Similarly Secured.

SECTION 21: Security of Funds. All moneys on deposit in the Funds for which this Ordinance makes provision (except any portion thereof as may be at any time properly invested) shall be secured in the manner and to the fullest extent required by the laws of the State of Texas for the security of public funds and as otherwise prescribed herein.

SECTION 22: Issuance of Additional Parity Bonds. The City hereby reserves the right hereafter to issue additional parity obligations (herein called "Additional Bonds") payable from and, together with the Previously Issued Bonds and the Bonds, equally secured by a parity first lien on and pledge of the Net Revenues of the System, and the Previously Issued Bonds, the Bonds and Additional Bonds shall be in all respects of equal dignity. The Additional Bonds may be issued in one or more installments; provided, however, that none shall be issued unless and until the following conditions have been met:

(a) The Chief Executive Officer (or other official having primary responsibility for the fiscal affairs of the System) shall have executed a certificate stating (i) that the City is not then in default as to any covenant, obligation or agreement contained in any ordinance or other proceeding relating to any obligations of the City payable from and secured by a lien on and pledge of the Net Revenues of the System and (ii) payments into all special funds or accounts created and established solely for the payment and security of any outstanding obligations payable from and secured by a lien on and pledge of the Net Revenues of the System have been duly made and that the amounts on deposit in such special funds or accounts are the amounts then required to be deposited therein.

(b) The Additional Bonds shall be scheduled to mature or be payable as to principal on July 1 or January 1 (or both) in each year the same are to be outstanding or during the term thereof.

(c) The City has secured from a Certified Public Accountant a certificate or opinion to the effect that, according to the books and records of the City, the Net Earnings of the System for the preceding Fiscal Year or for any 12 consecutive months out of the 15 months immediately preceding the month the ordinance authorizing the Additional Bonds is adopted are at least equal to one and forty hundredths (1.40) times the average annual requirement for the payment of principal of and interest on all outstanding Bonds Similarly Secured after giving effect to the Additional Bonds then proposed. The term "Net Earnings" as used herein, shall mean all income and revenues derived from the operation and ownership of the System (including income and earnings from the investment of moneys in any special fund created for the payment and security of the Bonds Similarly Secured) less expenses for the maintenance and operation thereof, but not deducting depreciation or other expenditures which, under generally accepted accounting principles, should be charged to capital expenditures.

(d) The ordinance authorizing the issuance of the Additional Bonds provides for deposits to be made to the Bond Fund in amounts sufficient to pay the principal of and interest on such Additional Bonds as same mature.

(e) The ordinance authorizing the issuance of the Additional Bonds provides that the amount to be accumulated and maintained in the Reserve Fund shall be in an amount equal to not less than the average annual requirement for the payment of principal of and interest on all

Bonds Similarly Secured then to be outstanding after giving effect to the issuance of the proposed Additional Bonds, and provides that any additional amount to be maintained in the Reserve Fund shall be accumulated within sixty (60) months from the date the Additional Bonds are delivered.

Bonds Similarly Secured may be refunded (pursuant to any law then available) upon such terms and conditions as the governing body of the City may deem to be in the best interest of the City and its inhabitants, and if less than all such outstanding revenue bonds are refunded the proposed refunding bonds shall be considered as "Additional Bonds" under the provisions of this Section and the Accountant's certificate or opinion required in subdivision (c) shall give effect to the issuance of the proposed refunding bonds (and shall not give effect to the bonds being refunded following their cancellation or provision being made for their payment).

SECTION 23: Issuance of Inferior Lien Obligations. The City retains the right to create and issue obligations payable from and secured by a lien on the pledge of the Net Revenues of the System junior and subordinate to the lien and pledge securing the payment of the Bonds Similarly Secured.

SECTION 24: Management and Control of System. Pursuant to authority contained in Texas Government Code, Section 1502.051, et seq, and by the Charter of the City of New Braunfels, Texas, the complete management and control of the System, during such time the Net Revenues of the System may be encumbered pursuant to this Ordinance and the ordinances authorizing the Previously Issued Bonds, shall be in the hands of a Board of Trustees to consist of five freeholders of the City of New Braunfels, one of whom shall be the Mayor of the City, to be known as the "Board of Trustees of the New Braunfels Utilities", in which name said Board of Trustees shall act and transact business, hereinafter referred to as the "Board of Trustees".

All members of the Board of Trustees shall be appointed by the governing body of the City of New Braunfels, Texas, to serve for five (5) year terms of office with such term of office to commence on December 1; provided that vacancies in office for any reason other than the expiration of a trustee's term of office, shall be filled only for the unexpired term of the office vacant. Furthermore, any member of the Board of Trustees whose term of office has expired shall continue to serve as a member of the Board until his successor in office has been appointed or elected. Appointments to the Board of Trustees resulting from the expiration of a member's term of office shall be made by the governing body of the City of New Braunfels in November each year in which the term of office to be filled shall expire, or as soon as possible thereafter.

The members of the Board of Trustees shall continue to organize their body by the election of one of its members as President and another as Vice President; the Board shall also appoint a Secretary who may or may not be a member of said Board, as said Board may elect. The Board of Trustees may make such resolutions and by-laws for the orderly handling of its affairs and the governing of its own procedure, and shall thereafter manage and operate the Systems with the same freedom and in the same manner ordinarily as enjoyed and followed by the Board of Directors of a private corporation operating properties of a similar nature; provided, however, that nothing in this Section shall be construed to take away from the City Council of the City of New Braunfels the exercise of any duty imposed upon said governing body under the provisions of the other Sections of this Ordinance and/or the Charter of the City of New Braunfels. A majority of the Trustees shall constitute a quorum for the transaction of business at any meeting.

The Board of Trustees shall obtain and keep continually in force an employee's fidelity and indemnity bond of the so-called blanket type, written by a solvent and recognized indemnity company, and covering losses to the amount of not less than \$5,000.00 per person. The

premiums of such bonds shall be paid from the System's Revenues and shall constitute operating expenses of the System.

The Board of Trustees shall elect and appoint a Chief Executive Officer and an attorney or attorneys. The Chief Executive Officer shall appoint all employees. Unless waived by the Board members, the members of the Board, other than the Mayor of the City, shall receive an annual compensation of not less than Twelve Hundred Dollars (\$1,200.00) and such compensation may be increased from time to time by the City Council as it is deemed advisable, provided the total compensation paid to the members of the Board shall never exceed in any one year five percent (5%) of the gross receipts of the System in such year. The members of the Board of Trustees, either singly or collectively, shall not be personally liable for any act or omission not willfully fraudulent or mala fide. Any member of the Board of Trustees, other than the Mayor of the City, who shall be continuously absent from all meetings of the Board for a period of four consecutive months shall, unless he shall have been granted a leave of absence by the unanimous vote of the remaining members of the Board, be considered to have vacated his office. Any member of the Board of Trustees, other than the Mayor of the City, may be removed only by action of the governing body of the City for adequate cause.

Subject to the provisions and restrictions contained in this Ordinance and the City Charter, all of the provisions and covenants of which shall be binding upon the Board of Trustees in like manner as they would have been binding on the City Council of the City of New Braunfels, had management and control of the System been retained by the City Council, the Board of Trustees shall have complete authority and control of the management and operation of the System; and among the powers that may be exercised by the said Board of Trustees, but not limited thereto, the same are hereby enumerated for greater certainty:

(a) To take, have and exercise exclusive possession and control of the System and all additions thereto, and to collect, and enforce the collection of all funds and revenues that may be or become owing or that may arise out of the operation of the System, and to disburse the same in accordance with the provisions of this Ordinance and Sections 1502.070 and 1502.071, Texas Government Code, as amended;

(b) To maintain, improve, enlarge and extend the Waterworks, Sanitary Sewer and Electric Light and Power Systems;

(c) To fix, alter and amend all rates for all services to be furnished by said System, subject to approval and confirmation of the City Council;

(d) To employ and pay the compensation of a Chief Executive Officer and attorneys, engineers and other professional or technical aides as said Board of Trustees may deem necessary in the proper conduct of the business of the System;

(e) To adopt, alter, amend and enforce all such rules and regulations governing the conduct of the business of the System as said Board of Trustees may deem necessary or proper; and

(f) To do any and all things necessary in reference to the installing and maintaining of a complete system of records and accounts pertaining to the operations of the System and to provide Net Revenues for the payment of the Bonds Similarly Secured and other special obligations of the System in the manner provided by Texas Government Code, Section 1502.057,

as amended, and other applicable laws and in accordance with the provisions of any ordinance authorizing the issuance of Bonds Similarly Secured.

SECTION 25: Maintenance and Operation - Insurance. The City hereby covenants and agrees that through the Board of Trustees the System shall be maintained in good condition and operated in an efficient manner and at reasonable cost. So long as any of the Bonds are outstanding, the City agrees to maintain insurance for the benefit of the Holders of the Bonds on the System of a kind and in an amount which usually would be carried by municipal corporations of the State of Texas engaged in a similar type of business. Nothing in this Ordinance shall be construed as requiring the City to expend any funds which are derived from sources other than the operation of the System but nothing herein shall be construed as preventing the City from doing so.

SECTION 26: Records - Accounts - Accounting Reports. The City hereby covenants and agrees that so long as any of the Bonds remain Outstanding, the Board of Trustees will keep and maintain a proper and complete system of records and accounts pertaining to the operation of the System separate and apart from all other records and accounts in accordance with generally accepted accounting principles prescribed for municipal corporations, and complete and correct entries shall be made of all transactions relating to said System, as provided by Texas Government Code, Section 1502.057, as amended, and other applicable laws. The Holder of any Bonds, or any duly authorized agent or agents of such Holders, shall have the right at all reasonable times to inspect all such records, accounts and data relating thereto and to inspect the System and all properties comprising same. The City acting through the Board of Trustees further agrees that, as soon as possible following the close of each Fiscal Year, an audit of such books and accounts shall be made by an independent firm of Certified Public Accountants or Licensed Public Accountants. Each such audit, in addition to whatever other matters may be thought proper by the Accountant, shall particularly include the following:

- (a) A detailed statement of the income and expenditures of the System for such Fiscal Year;
- (b) A balance sheet as of the end of such Fiscal Year;
- (c) The Accountant's comments regarding the manner in which the Board of Trustees has carried out the requirements of this Ordinance and his recommendations for any changes, or improvements in the operation, records and accounts of the System;
- (d) A list of the insurance policies in force at the end of the Fiscal Year on the System properties, setting out as to each policy the amount thereof, the risk covered, the name of the insurer and the policy's expiration date; and
- (e) A list of securities, if any, in which the Bond Fund and Reserve Fund has been invested, and a statement of the manner in which money in the System Fund, Bond Fund and Reserve Fund has been secured in such Fiscal Year;

Expenses incurred in making the audits above referred to are to be regarded as maintenance and operation expenses of the System and paid as such. Copies of the aforesaid annual audit shall be immediately furnished to the Executive Director of the Municipal Advisory Council of Texas at his or her office in Austin, Texas, and upon written request, to the original purchaser, and any subsequent Holder of twenty-five percent (25%) in principal amount of the Bonds Outstanding.

SECTION 27: Remedies in Event of Default. In addition to all the rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in payments to be made to the Bond Fund or Reserve Fund as required by this Ordinance, or (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Ordinance, the Holder of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction compelling and requiring the City Council and other officers of the City to observe and perform any covenant, condition or obligation prescribed in this Ordinance.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right or power may be exercised from time to time and as often as may be deemed expedient. The specific remedies herein provided shall be cumulative of all other existing remedies and the specification of such remedies shall not be deemed to be exclusive.

SECTION 28: Special Covenants. The City hereby further covenants as follows:

(a) It has the lawful power to pledge the revenues supporting this issue of Bonds and has lawfully exercised said power under the Constitution and laws of the State of Texas, including Texas Government Code, Section 1502.070, as amended; that the Previously Issued Bonds, the Bonds issued hereunder, and the Additional Bonds, when issued, shall be ratably secured under said pledge of income in such manner that one bond shall have no preference over any other bond of said issues;

(b) Other than for the payment of the Previously Issued Bonds and the Bonds, the Net Revenues of the System have not in any manner been pledged to the payment of any debt or obligation of the City or of the System, except that, on a basis subordinate to that for the Bonds Similarly Secured, Net Revenues of the System have been pledged to the Commercial Paper Notes and the Program Notes;

(c) While any of the Bonds or any interest thereon remain Outstanding, the City will not sell or encumber the System or any substantial part thereof; provided, that this covenant shall not be construed to prohibit the sale of such machinery or other properties or equipment by the Board of Trustees which has become obsolete or otherwise unsuited to the efficient operation of the System; and, further, with the exception of the Additional Bonds expressly permitted by this Ordinance to be issued in Section 22 hereof, it will not encumber the Net Revenues of the System unless such encumbrance is made junior and subordinate to all of the provisions of this Ordinance;

(d) No free service will be allowed to any customer of the System, including the City and its various departments; and

(e) To the extent that it legally may, the City further covenants and agrees that, so long as any of the Bonds are Outstanding, no franchise shall be granted for the installation or operation of any competing waterworks, sanitary sewer or electric light and power system other than those owned by the City and the operation of such systems by anyone other than the City is hereby prohibited.

SECTION 29: Bonds are Special Obligations. The Bonds are special obligations of the City payable from the pledged Net Revenues and the Holders thereof shall never have the right to demand payment thereof out of funds raised or to be raised by taxation.

SECTION 30: Defeasance. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Ordinance and the Pricing Certificate, then the pledge of the Net Revenues of the System under this Ordinance and all other obligations of the City to the Holders shall thereupon cease, terminate, and become void and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Obligations shall have been irrevocably deposited in trust with the Paying Agent/Registrar, or an authorized escrow agent, which Government Obligations have been certified by an independent accounting or consulting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The City covenants that no deposit of moneys or Government Obligations will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or regulations adopted pursuant thereto.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, and all income from Government Obligations held in trust by the Paying Agent/Registrar or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held in trust to pay shall, upon the request of the City, be remitted to the City against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the City shall be subject to any applicable unclaimed property laws of the State of Texas.

SECTION 31: Ordinance a Contract - Amendments.

(a) This Ordinance shall constitute a contract with the Holders from time to time, be binding on the City, and shall not be amended or repealed by the City so long as any Bond remains Outstanding except as permitted in this Section. The City, may, without the consent of or notice to any Holders, from time to time and at any time, amend this Ordinance in any manner not detrimental to the interests of the Holders, including the curing of any ambiguity, inconsistency, or formal defect or omission herein.

In addition, the City may, with the written consent of holders of Bonds aggregating in principal amount more than 50% of the aggregate principal amount of then Outstanding Bonds, shall have the right from time to time to approve any amendment to this Ordinance which may be deemed necessary or desirable by the City, provided, however, that nothing herein contained

shall permit or be construed to permit the amendment of the terms and conditions of this Ordinance or in the Bonds so as to:

- i. Make any change in the maturity of the outstanding Bonds;
- ii. Reduce the rate of interest borne by outstanding Bonds;
- iii. Reduce the amount of the principal payable on outstanding Bonds;
- iv. Modify the terms of payment of principal of or interest on the outstanding Bonds, or impose any conditions with respect to such payment;
- v. Affect the rights of the owners of less than all Bonds then outstanding; or
- vi. Change the minimum percentage of the outstanding principal amount of Bonds necessary for consent to such amendment.

(b) If at any time the City shall desire to amend this Ordinance under this Section, the City shall cause notice of the proposed amendment to be sent by United States Mail, first class postage prepaid, to the Holders of Bonds at the address appearing in the Security Register. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the paying agent for inspection by all holders of the Bonds Similarly Secured.

(c) Whenever at any time the City shall receive an instrument or instruments executed by the holders of more than 50% in aggregate principal amount of all Bonds then Outstanding, which instrument or instruments shall refer to the proposed amendment described in said notice and which specifically consent to and approve such amendment in substantially the form of the copy thereof on file with the paying agent, the governing body of the City may pass an amendatory ordinance in substantially the same form.

(d) Upon the passage of any amendatory ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be amended in accordance with such amendatory ordinance, and the respective rights, duties and obligations under this Ordinance of the City and the holders of then Outstanding Bonds shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such amendments.

(e) Any consent given by the holder of a bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of such consent and shall be conclusive and binding upon all future holders of the same bond during such period. After the applicable period of time a consent is irrevocable has expired, the holder who gave consent, or a successor in title, may revoke such consent by filing notice thereof with the paying agent and the City, but such revocation shall not be effective if the holders of more than 50% in aggregate principal amount of the then Outstanding Bonds have, prior to the attempted revocation, consented to and approved the amendment.

(f) For the purpose of this Section, the fact of the holding of bonds by any holder and the amount and numbers of such bonds and the date of their holding same, may be proved by the Security Register maintained by the Paying Agent/Registrar or by affidavit of the person claiming to be such holder, or by a certificate executed by any trust company, bank, banker or any other depository wherever situated showing that at the date therein mentioned such person had on deposit with such trust company, bank, banker or other depository, the Bonds described in such certificate. The City may conclusively assume that such ownership continues until written notice to the contrary is served upon the City.

SECTION 32: Mutilated-Destroyed-Lost and Stolen Bonds. In case any Bond shall be mutilated, or destroyed, lost or stolen, the Paying Agent/Registrar may execute and deliver a replacement Bond of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Bond, or in lieu of and in substitution for such destroyed, lost or stolen Bond, only upon the approval of the City and after (i) the filing by the Holder thereof with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss or theft of such Bond, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the City and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Bond shall be borne by the Holder of the Bond mutilated, or destroyed, lost or stolen.

Every replacement Bond issued pursuant to this Section shall be a valid and binding obligation, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds; notwithstanding the enforceability of payment by anyone of the destroyed, lost, or stolen Bonds.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

SECTION 33: Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

“Closing Date” means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

“Code” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“Computation Date” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Gross Proceeds” means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

“Investment” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Nonpurpose Investment” means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

“Rebate Amount” has the meaning set forth in Section 1.148-1(b) of the Regulations.

“Regulations” means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall

also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City and the Board of Trustees shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City and the Board of Trustees shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with the Gross Proceeds of the Refunded Obligations), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds (including property financed with the Gross Proceeds of the Refunded Obligations), or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City and the Board of Trustees shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed

or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City and the Board of Trustees shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City and the Board of Trustees shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City and the Board of Trustees shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City and the Board of Trustees may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City and the Board of Trustees shall calculate the Rebate Amount in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City and the Board of Trustees shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the construction fund, or other appropriate fund, or if permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the Bond Fund the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety

percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City and the Board of Trustees shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City and the Board of Trustees shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, City Manager, President of the Board of Trustees, Chief Executive Officer, or Chief Financial Officer of the System, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(k) Bonds Not Hedge Bonds. (1) At the time the original obligations refunded by the Bonds were issued, the City reasonably expected to spend at least 85% of the spendable proceeds of such obligations within three years after such obligations were issued and (2) not more than 50% of the proceeds of the original obligations refunded by the Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

(l) Current Refunding. The Bonds are a current refunding of the Refunded CP Notes in that the Bonds will be issued less than 90 days before the redemption of the Refunded CP Notes.

SECTION 34: Sale of Bonds - Official Statement Approval. The Bonds authorized by this Ordinance are to be sold by the City to the Purchasers in accordance with a bond purchase agreement in the event of a negotiated sale, letter agreement to purchase in the event of a private placement, or the successful bid form in the event of a competitive sale, as applicable (the "Purchase Contract"), the terms and provisions of which Purchase Contract are to be determined by the Pricing Officer in accordance with Section 3 hereof. The Pricing Officer is hereby authorized and directed to execute the Purchase Contract for and on behalf of the City, as the act and deed of this Council, and to make a determination as to whether the terms are in the City's best interests, which determination shall be final.

With regard to such terms and provisions of the Purchase Contract, the Pricing Officer is hereby authorized to come to an agreement with the Purchasers on the following, among other matters:

9. Termination of the Purchase Contract;
10. Particular covenants of the City;
11. The survival of representations made in the Purchase Contract;
12. The payment of any expenses relating to the Purchase Contract;
13. Notices; and
14. Any and all such other details that are found by the Pricing Officer to be necessary and advisable for the purchase and sale of the Bonds.

The Mayor and City Secretary of the City and the President and Secretary of the Board of Trustees are further authorized and directed to deliver for and on behalf of the City copies of a Preliminary Official Statement and Official Statement prepared in connection with the offering of the Bonds by the Purchasers, in final form as may be required by the Purchasers, and such final Official Statement as delivered by said officials shall constitute the Official Statement authorized for distribution and use by the Purchasers.

SECTION 35: Control and Custody of Bonds. The Mayor of the City shall be and is hereby authorized to take and have charge of all necessary orders and records relating to the Bonds, including the Initial Bond(s) and the definitive Bonds, pending the approval of the Bonds by the Attorney General of Texas, the registration of the Initial Bond(s) by the Comptroller of Public Accounts and the delivery thereof to the Purchasers.

Furthermore, the Mayor, Mayor Pro Tem, City Secretary, City Manager, President of the Board of Trustees, Secretary to the Board of Trustees, and the Chief Executive Officer or Chief Financial Officer of the System, individually or collectively, are hereby authorized and directed to furnish and execute such documents and certifications relating to the City and the issuance of the

An Escrow Agreement by and between the City and an authorized escrow agent, if any such agreement is required in connection with the refunding of the Refunded Obligations, shall be attached to, and approved in, the Pricing Certificate. Such Escrow Agreement is hereby authorized to be finalized and executed by the Pricing Officer for and on behalf of the City and as the act and deed of this City Council; and any such Escrow Agreement as executed by the Pricing Officer shall be deemed approved by the City Council and constitute the Escrow Agreement herein approved.

SECTION 37: RESERVED.

SECTION 38: Proceeds of Sale. Immediately following the delivery of the Bonds, a portion of the proceeds of sale shall be deposited with the paying agent for the Refunded Obligations or the escrow agent, if any, or used to pay costs of issuance and any accrued interest shall be deposited to the credit of the Bond Fund, all as provided in the Pricing Certificate. Any proceeds of sale remaining after payment of the costs of issuance for the Bonds shall be deposited in the Bond Fund for the Bonds.

Additionally, on or immediately prior to the date of the delivery of the Bonds to the Purchasers, the Chief Financial Officer of the System or the Chief Executive Officer of the System is authorized to transfer from moneys of the System necessary, if any, or from moneys in the interest and sinking fund(s) of the obligations being refunded, if any, to accomplish the refunding as provided in the Pricing Certificate.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Ordinance provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the

equivalent of such notice. Waivers of notice by Holders of Bonds shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 41: Cancellation. All Bonds surrendered for payment, redemption, transfer or exchange, if surrendered to the Paying Agent/Registrar, shall be promptly cancelled by it and, if surrendered to the City, shall be delivered to the Paying Agent/Registrar and, if not already cancelled, shall be promptly cancelled by the Paying Agent/Registrar. The City may at any time deliver to the Paying Agent/Registrar for cancellation any Bonds previously certified or registered and delivered which the City may have acquired in any manner whatsoever, and all Bonds so delivered shall be promptly cancelled by the Paying Agent/Registrar. All cancelled Bonds held by the Paying Agent/Registrar shall be destroyed as directed by the City.

SECTION 42: CUSIP Numbers. CUSIP numbers may be printed or typed on the definitive Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the definitive Bonds shall be of no significance or effect as regards the legality thereof and neither the City nor attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed or typed on the definitive Bonds.

SECTION 43: Benefits of Ordinance. Nothing in this Ordinance, expressed or implied, is intended or shall be construed to confer upon any person other than the City, the Paying Agent/Registrar and the Holders, any right, remedy, or claim, legal or equitable, under or by reason of this Ordinance or any provision hereof, this Ordinance and all its provisions being intended to be and being for the sole and exclusive benefit of the City, the Paying Agent/Registrar and the Holders of the Bonds.

SECTION 44: Inconsistent Provisions. SECTION 45: Construction of Terms. If appropriate in the context of this Ordinance, words of the singular number shall be considered to include the plural, words of the plural number shall be considered to include the singular, and words of the masculine, feminine or neuter gender shall be considered to include the other genders.

SECTION 46: Governing Law. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

SECTION 47: Severability. If any provision of this Ordinance or the application thereof to any circumstance shall be held to be invalid, the remainder of this Ordinance and the application thereof to other circumstances shall nevertheless be valid, and the Council hereby declares that this Ordinance would have been enacted without such invalid provision.

If the audit of such financial statements is not complete within twelve months after any such fiscal year end, the City shall file unaudited financial statements within such twelve month period and audited financial statements for the applicable fiscal year, when and if the audit report on such statements becomes available. Any financial statements so provided shall be prepared in accordance with the accounting principles described in the Pricing Certificate, or such other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation, and audited, if the City commissions an audit of such statements and the audit is completed within the period during which they must be provided.

(d) Limitations, Disclaimers and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section while, but only while, the City remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the City in any event will give the notice required by subsection (c) hereof of any Bond calls and defeasance that cause the City to be no longer such an “obligated person.”

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ordinance for purposes of any other provision of this Ordinance.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Notwithstanding anything to the contrary in this Ordinance, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent an underwriter of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided pursuant to subsection (b) of this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

acknowledge and deliver in the name and on behalf of the City all agreements, instruments, certificates or other documents, whether mentioned herein or not, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance and the issuance of the Bonds. In addition, prior to the initial delivery of the Bonds, the Mayor, Mayor Pro Tem or City Manager of the City or President of the Board of Trustees, Chief Executive Officer, or Chief Financial Officer of the System or Bond Counsel to the City are each hereby authorized and directed to approve any changes or corrections to this Ordinance or to any of the documents authorized and approved by this Ordinance, including the Pricing Certificate: (i) in order to cure any ambiguity, formal defect or omission in this Ordinance or such other document; or (ii) as requested by the Attorney General of the State of Texas or his representative to obtain the approval of the Bonds by the Attorney General and if such officer or counsel determines that such changes are consistent with the intent and purpose of this Ordinance, which determination shall be final. In the event that any officer of the City whose signature shall appear on any document shall cease to be such officer before the delivery of such document, such signature nevertheless shall be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

SECTION 50: Municipal Bond Insurance. The Bonds may be sold with the principal of and interest thereon being insured by a municipal bond insurance provider authorized to transact business in the State of Texas. The Pricing Officer is hereby authorized to make the selection of municipal bond insurance (if any) for the Bonds and make the determination of the provisions of any commitment therefor.

It is officially found, determined, and declared that the meeting at which this Ordinance is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Ordinance, was given, all as required by Texas Government Code, Chapter 551, as amended.

ARTICLE THREE PAYING AGENT

Section 3.01 Duties of Paying Agent. As Paying Agent, the Bank shall pay, provided adequate collected funds have been provided to it for such purpose by or on behalf of the Issuer, on behalf of the Issuer the principal of each Security at its Stated Maturity, Redemption Date, or Acceleration Date, to the Holder upon surrender of the Security to the Bank at the following address:

Zions Bancorporation, National Association
One South Main Street, 12th Floor
Salt Lake City, UT 84133

As Paying Agent, the Bank shall, provided adequate collected funds have been provided to it for such purpose by or on behalf of the Issuer, pay on behalf of the Issuer the interest on each Security when due, by computing the amount of interest to be paid each Holder and making payment thereof to the Holders of the Securities (or their Predecessor Securities) on the Record Date (as defined in the Authorizing Document). All payments of principal and/or interest on the Securities to the registered owners shall be accomplished (1) by the issuance of checks, payable to the registered owners, drawn on the paying agent account provided in Section 5.05 hereof, sent by United States mail, first class, postage prepaid, to the address appearing on the Security Register or (2) by such other method, acceptable to the Bank, requested in writing by the Holder at the Holder’s risk and expense.

Section 3.02 Payment Dates. The Issuer hereby instructs the Bank to pay the principal of and interest on the Securities on the dates specified in the Authorizing Document.

ARTICLE FOUR REGISTRAR

Section 4.01 Security Register – Transfers and Exchanges. The Bank agrees to keep and maintain for and on behalf of the Issuer at the Bank Office and at the Bank’s office shown on the signature page hereof books and records (herein sometimes referred to as the “Security Register”) for recording the names and addresses of the Holders of the Securities, the transfer, exchange and replacement of the Securities and the payment of the principal of and interest on the Securities to the Holders and containing such other information as may be

reasonably required by the Issuer and subject to such reasonable regulations as the Issuer and the Bank may prescribe. All transfers, exchanges and replacements of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the Financial Industry Regulatory Authority, such written instrument to be in a form satisfactory to the Bank, and duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Holders thereof will be completed and new Securities delivered to the Holder or the assignee of the Holder in not more than three (3) business days after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Holder, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

Section 4.02 Securities. The Issuer shall provide additional Securities when needed to facilitate transfers or exchanges thereof. The Bank covenants that such additional Securities, if and when provided, will be kept in safekeeping pending their use and reasonable care will be exercised by the Bank in maintaining such Securities in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other governments or corporations for which it serves as registrar, or that is maintained for its own securities.

Section 4.03 Form of Security Register. The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Security Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

Section 4.04 List of Security Holders. The Bank will provide the Issuer at any time requested by the Issuer, upon payment of the required fee, a copy of the information contained in the Security Register. The Issuer may also inspect the information contained in the Security Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide an up-to-date listing or to convert the information into written form.

The Bank will not release or disclose the contents of the Security Register to any person other than to, or at the written request of, an authorized officer or employee of the Issuer, except upon receipt of a court order or as otherwise required by law. Upon receipt of a court order and prior to the release or disclosure of the contents of the Security Register, the Bank will notify the Issuer so that the Issuer may contest the court order or such release or disclosure of the contents of the Security Register, provided the Bank is not prohibited from providing such notice.

Section 4.05 Return of Cancelled Securities. The Bank will, at such reasonable intervals as it determines, surrender to the Issuer, all Securities in lieu of which or in exchange for which other Securities have been issued, or which have been paid.

Section 4.06 Mutilated, Destroyed, Lost or Stolen Securities. The Issuer hereby instructs the Bank, subject to the provisions of the Authorizing Document, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an overissuance.

In case any Security shall be mutilated, destroyed, lost or stolen, the Bank may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such mutilated, destroyed lost or stolen Security, only upon the approval of the Issuer and after (i) the filing by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the Issuer and the Bank harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Security shall be borne by the Holder of the Security mutilated, or destroyed, lost or stolen.

Section 4.07 Transaction Information to Issuer. The Bank will, within a reasonable time after receipt of written request from the Issuer, furnish the Issuer information as to the Securities it has paid pursuant to Section 3.01, Securities it has delivered upon the transfer or exchange of any Securities pursuant to Section 4.01, and Securities it has delivered in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities pursuant to Section 4.06.

ARTICLE FIVE THE BANK

Section 5.01 Duties of Bank. The Bank undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof.

Section 5.02 Reliance on Documents, Etc.

(a) The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

(b) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(d) The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer

or power of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document supplied by the Issuer.

(e) The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

(f) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

(g) The Bank is also authorized to transfer funds relating to the closing and initial delivery of the Securities in the manner disclosed in the closing memorandum or letter as prepared by the Issuer, Issuer's financial advisor or other agent. The Bank may act on a facsimile or e-mail transmission of the closing memorandum or letter acknowledged by the Issuer, the Issuer's financial advisor or other agent as the final closing memorandum or letter. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions.

Section 5.03 Recitals of Issuer. The recitals contained herein with respect to the Issuer and in the Securities shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the Issuer, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

Section 5.04 May Hold Securities. The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.05 Moneys Held by Bank - Paying Agent Account/Collateralization. A paying agent account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of moneys received from the Issuer under this Agreement for the payment of the Securities, and money deposited to the credit of such account until paid to the Holders of the Securities shall be continuously collateralized by securities or obligations which qualify and are eligible under both the laws of the State of Texas and the laws of the United States of America to secure and be pledged as collateral for paying agent accounts to the extent such money is not insured by the Federal Deposit Insurance Corporation. Payments made from such paying agent account shall be made by check drawn on such account unless the owner of the Securities shall, at its own expense and risk, request an alternative method of payment.

Subject to the applicable unclaimed property laws of the State of Texas, any money deposited with the Bank for the payment of the principal of, premium (if any), or interest on any Security and remaining unclaimed for three years after final maturity of the Security has become due and payable will be held by the Bank and disposed of only in accordance with Title 6 of the Texas Property Code, as amended. The Bank shall have no liability by virtue of actions taken in compliance with this provision.

The Bank is not obligated to pay interest on any money received by it under this Agreement.

This Agreement relates solely to money deposited for the purposes described herein, and the parties agree that the Bank may serve as depository for other funds of the Issuer, act as trustee under indentures authorizing other bond transactions of the Issuer, or act in any other capacity not in conflict with its duties hereunder.

Section 5.06 Indemnification. To the extent permitted by law, the Issuer agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on its part, arising out of or in connection with its acceptance or administration of its duties hereunder, including the cost and expense (including the Bank's counsel fees) against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement.

Section 5.07 Interpleader. The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in either a Federal or State District Court located in the state and county where the administrative office of the Issuer is located, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming any interest herein.

Section 5.08 DTC Services. It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, and in the event the Bank has the capability to comply with the "Operational Arrangements", which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls, the Bank will comply with the "Operational Arrangements".

Section 5.09 Force Majeure. In no event shall the Bank be liable for any failure or delay in the performance of its duties hereunder because of circumstances beyond the Bank's control, including but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like which restrict or prohibit the providing of services contemplated by this Agreement, and other causes beyond the Bank's control whether or not the same class or kind as specifically named above.

Section 6.10 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which shall constitute one and the same Agreement.

Section 6.11 Termination. This Agreement will terminate (i) on the date of final payment of the principal of and interest on the Securities to the Holders thereof or (ii) may be earlier terminated by either party upon sixty (60) days written notice; provided, however, an early termination of this Agreement by either party shall not be effective until (a) a successor Paying Agent/Registrar has been appointed by the Issuer and such appointment accepted and (b) notice has been given to the Holders of the Securities of the appointment of a successor Paying Agent/Registrar. However, if the Issuer fails to appoint a successor Paying Agent/Registrar within a reasonable time, the Bank may petition a court of competent jurisdiction within the State of Texas to appoint a successor. Furthermore, the Bank and the Issuer mutually agree that the effective date of an early termination of this Agreement shall not occur at any time which would disrupt, delay or otherwise adversely affect the payment of the Securities.

Upon an early termination of this Agreement, the Bank agrees to promptly transfer and deliver the Security Register (or a copy thereof), together with the other pertinent books and records relating to the Securities, to the successor Paying Agent/Registrar designated and appointed by the Issuer.

The provisions of Section 1.02 and of Article Five shall survive and remain in full force and effect following the termination of this Agreement.

Notwithstanding anything contained herein, the representations, agreements and covenants contained in this Section 6.11 shall survive the termination of this Agreement until the statute of limitations has run.

Section 6.12 Iran, Sudan or Foreign Terrorist Organizations. The Bank represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on the following page of such officer's internet website:

The Bank understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the Bank and exists to make a profit.

Notwithstanding anything contained herein, the representations and covenants contained in this Section 6.12 shall survive the termination of this Agreement until the statute of limitations has run.

RECITALS

WHEREAS, the Issuer has duly authorized and provided for the issuance of its “City of New Braunfels, Texas, Utility System Revenue Refunding Bonds, Series 2025” (the “Securities”), such Securities scheduled to be delivered to the initial purchasers thereof on or about June 19, 2025; and

ARTICLE THREE PAYING AGENT

Section 3.01 Duties of Paying Agent. As Paying Agent, the Bank shall pay, provided adequate collected funds have been provided to it for such purpose by or on behalf of the Issuer, on behalf of the Issuer the principal of each Security at its Stated Maturity, Redemption Date, or Acceleration Date, to the Holder upon surrender of the Security to the Bank at the following address:

As Paying Agent, the Bank shall, provided adequate collected funds have been provided to it for such purpose by or on behalf of the Issuer, pay on behalf of the Issuer the interest on each Security when due, by computing the amount of interest to be paid each Holder and making payment thereof to the Holders of the Securities (or their Predecessor Securities) on the Record Date (as defined in the Authorizing Document). All payments of principal and/or interest on the Securities to the registered owners shall be accomplished (1) by the issuance of checks, payable to the registered owners, drawn on the paying agent account provided in Section 5.05 hereof, sent by United States mail, first class, postage prepaid, to the address appearing on the Security Register or (2) by such other method, acceptable to the Bank, requested in writing by the Holder at the Holder’s risk and expense.

Section 3.02 Payment Dates. The Issuer hereby instructs the Bank to pay the principal of and interest on the Securities on the dates specified in the Authorizing Document.

ARTICLE FOUR REGISTRAR

Section 4.01 Security Register – Transfers and Exchanges. The Bank agrees to keep and maintain for and on behalf of the Issuer at the Bank Office and at the Bank’s office shown on the signature page hereof books and records (herein sometimes referred to as the “Security Register”) for recording the names and addresses of the Holders of the Securities, the transfer, exchange and replacement of the Securities and the payment of the principal of and interest on the Securities to the Holders and containing such other information as may be

reasonably required by the Issuer and subject to such reasonable regulations as the Issuer and the Bank may prescribe. All transfers, exchanges and replacements of Securities shall be noted in the Security Register.

Every Security surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer, the signature on which has been guaranteed by an officer of a federal or state bank or a member of the Financial Industry Regulatory Authority, such written instrument to be in a form satisfactory to the Bank, and duly executed by the Holder thereof or his agent duly authorized in writing.

The Bank may request any supporting documentation it feels necessary to effect a re-registration, transfer or exchange of the Securities.

To the extent possible and under reasonable circumstances, the Bank agrees that, in relation to an exchange or transfer of Securities, the exchange or transfer by the Holders thereof will be completed and new Securities delivered to the Holder or the assignee of the Holder in not more than three (3) business days after the receipt of the Securities to be cancelled in an exchange or transfer and the written instrument of transfer or request for exchange duly executed by the Holder, or his duly authorized agent, in form and manner satisfactory to the Paying Agent/Registrar.

Section 4.02 Securities. The Issuer shall provide additional Securities when needed to facilitate transfers or exchanges thereof. The Bank covenants that such additional Securities, if and when provided, will be kept in safekeeping pending their use and reasonable care will be exercised by the Bank in maintaining such Securities in safekeeping, which shall be not less than the care maintained by the Bank for debt securities of other governments or corporations for which it serves as registrar, or that is maintained for its own securities.

Section 4.03 Form of Security Register. The Bank, as Registrar, will maintain the Security Register relating to the registration, payment, transfer and exchange of the Securities in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Security Register in any form other than those which the Bank has currently available and currently utilizes at the time.

The Security Register may be maintained in written form or in any other form capable of being converted into written form within a reasonable time.

Section 4.04 List of Security Holders. The Bank will provide the Issuer at any time requested by the Issuer, upon payment of the required fee, a copy of the information contained in the Security Register. The Issuer may also inspect the information contained in the Security Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide an up-to-date listing or to convert the information into written form.

The Bank will not release or disclose the contents of the Security Register to any person other than to, or at the written request of, an authorized officer or employee of the Issuer, except upon receipt of a court order or as otherwise required by law. Upon receipt of a court order and prior to the release or disclosure of the contents of the Security Register, the Bank will notify the Issuer so that the Issuer may contest the court order or such release or disclosure of the contents of the Security Register, provided the Bank is not prohibited from providing such notice.

Section 4.05 Return of Cancelled Securities. The Bank will, at such reasonable intervals as it determines, surrender to the Issuer, all Securities in lieu of which or in exchange for which other Securities have been issued, or which have been paid.

Section 4.06 Mutilated, Destroyed, Lost or Stolen Securities. The Issuer hereby instructs the Bank, subject to the provisions of the Authorizing Document, to deliver and issue Securities in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities as long as the same does not result in an overissuance.

In case any Security shall be mutilated, destroyed, lost or stolen, the Bank may execute and deliver a replacement Security of like form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Security, or in lieu of and in substitution for such mutilated, destroyed lost or stolen Security, only upon the approval of the Issuer and after (i) the filing by the Holder thereof with the Bank of evidence satisfactory to the Bank of the destruction, loss or theft of such Security, and of the authenticity of the ownership thereof and (ii) the furnishing to the Bank of indemnification in an amount satisfactory to hold the Issuer and the Bank harmless. All expenses and charges associated with such indemnity and with the preparation, execution and delivery of a replacement Security shall be borne by the Holder of the Security mutilated, or destroyed, lost or stolen.

Section 4.07 Transaction Information to Issuer. The Bank will, within a reasonable time after receipt of written request from the Issuer, furnish the Issuer information as to the Securities it has paid pursuant to Section 3.01, Securities it has delivered upon the transfer or exchange of any Securities pursuant to Section 4.01, and Securities it has delivered in exchange for or in lieu of mutilated, destroyed, lost, or stolen Securities pursuant to Section 4.06.

ARTICLE FIVE THE BANK

Section 5.01 Duties of Bank. The Bank undertakes to perform the duties set forth herein and agrees to use reasonable care in the performance thereof.

Section 5.02 Reliance on Documents, Etc.

(a) The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

(b) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(d) The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities, but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer

or power of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document supplied by the Issuer.

(e) The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

(f) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

(g) The Bank is also authorized to transfer funds relating to the closing and initial delivery of the Securities in the manner disclosed in the closing memorandum or letter as prepared by the Issuer, Issuer's financial advisor or other agent. The Bank may act on a facsimile or e-mail transmission of the closing memorandum or letter acknowledged by the Issuer, the Issuer's financial advisor or other agent as the final closing memorandum or letter. The Bank shall not be liable for any losses, costs or expenses arising directly or indirectly from the Bank's reliance upon and compliance with such instructions.

Section 5.03 Recitals of Issuer. The recitals contained herein with respect to the Issuer and in the Securities shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

The Bank shall in no event be liable to the Issuer, any Holder or Holders of any Security, or any other Person for any amount due on any Security from its own funds.

Section 5.04 May Hold Securities. The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.05 Moneys Held by Bank - Paying Agent Account/Collateralization. A paying agent account shall at all times be kept and maintained by the Bank for the receipt, safekeeping, and disbursement of moneys received from the Issuer under this Agreement for the payment of the Securities, and money deposited to the credit of such account until paid to the Holders of the Securities shall be continuously collateralized by securities or obligations which qualify and are eligible under both the laws of the State of Texas and the laws of the United States of America to secure and be pledged as collateral for paying agent accounts to the extent such money is not insured by the Federal Deposit Insurance Corporation. Payments made from such paying agent account shall be made by check drawn on such account unless the owner of the Securities shall, at its own expense and risk, request an alternative method of payment.

Subject to the applicable unclaimed property laws of the State of Texas, any money deposited with the Bank for the payment of the principal of, premium (if any), or interest on any Security and remaining unclaimed for three years after final maturity of the Security has become due and payable will be held by the Bank and disposed of only in accordance with Title 6 of the Texas Property Code, as amended. The Bank shall have no liability by virtue of actions taken in compliance with this provision.

The Bank is not obligated to pay interest on any money received by it under this Agreement.

This Agreement relates solely to money deposited for the purposes described herein, and the parties agree that the Bank may serve as depository for other funds of the Issuer, act as trustee under indentures authorizing other bond transactions of the Issuer, or act in any other capacity not in conflict with its duties hereunder.

Section 5.06 Indemnification. To the extent permitted by law, the Issuer agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on its part, arising out of or in connection with its acceptance or administration of its duties hereunder, including the cost and expense (including the Bank's counsel fees) against any claim or liability in connection with the exercise or performance of any of its powers or duties under this Agreement.

Section 5.07 Interpleader. The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its person as well as funds on deposit, in either a Federal or State District Court located in the state and county where the administrative office of the Issuer is located, and agree that service of process by certified or registered mail, return receipt requested, to the address referred to in Section 6.03 of this Agreement shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming any interest herein.

Section 5.08 DTC Services. It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, and in the event the Bank has the capability to comply with the "Operational Arrangements", which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls, the Bank will comply with the "Operational Arrangements".

Section 5.09 Force Majeure. In no event shall the Bank be liable for any failure or delay in the performance of its duties hereunder because of circumstances beyond the Bank's control, including but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like which restrict or prohibit the providing of services contemplated by this Agreement, and other causes beyond the Bank's control whether or not the same class or kind as specifically named above.

However, if the Issuer fails to appoint a successor Paying Agent/Registrar within a reasonable time, the Bank may petition a court of competent jurisdiction within the State of Texas to appoint a successor. Furthermore, the Bank and the Issuer mutually agree that the effective date of an early termination of this Agreement shall not occur at any time which would disrupt, delay or otherwise adversely affect the payment of the Securities.

Upon an early termination of this Agreement, the Bank agrees to promptly transfer and deliver the Security Register (or a copy thereof), together with the other pertinent books and records relating to the Securities, to the successor Paying Agent/Registrar designated and appointed by the Issuer.

Agenda Item No. C)

PRESENTER:

Carly Farmer, Assistant City Engineer

SUBJECT:

Public hearing and first reading of an ordinance to amend Section 126-346 of the Code of Ordinances of the City of New Braunfels to revise no parking zones on Butcher Street.

DEPARTMENT: Transportation and Capital Improvements**COUNCIL DISTRICTS IMPACTED:** 1 & 5**BACKGROUND INFORMATION:**

Staff received a request from a resident within the 800 block of Butcher Street to remove the no parking zone in front of their house. The resident requested this removal due to the inconvenience of not being able to park in front of their home and the fact that a school was not rebuilt after the previous New Braunfels ISD (NBISD) Ninth Grade Center located at 659 S Guenther Avenue was demolished.

Butcher Street is a local street located between S Academy Avenue and Business 35. Adjacent land use for Butcher Street mainly consists of single-family homes with some commercial and multifamily properties. Two NBISD properties also have access to Butcher Street: Carl Schurz Elementary School and the former Ninth Grade Center, now demolished. Butcher Street currently has parking restrictions on the south side of the street in between Magazine Avenue and Avenue A. The parking restrictions are all-hours from the intersection with Avenue A to the intersection with Willow Avenue and from the intersection with S Guenther Avenue westerly for a distance of 180 feet. The parking restrictions are only between the hours of 7:00 a.m. to 9:00 a.m. and from 2:00 p.m. to 4:00 p.m. on school days from the intersection with Guenther Avenue to the intersection with Magazine Avenue and from the intersection with Willow Avenue to a point 180 feet westerly from the intersection with S Guenther Avenue.

As part of the evaluation for the request, city staff performed site observations for school traffic. During school pick-up and drop-off for Carl Schurz Elementary School, vehicles were observed queueing and parking along W Coll Street and S Guenther Avenue. No vehicles were observed parking or queueing on Butcher Street. City staff inquired about the future of the NBISD property at 659 S Guenther Avenue and confirmed that no future schools are planned for the site in the next few years, so future parking and queueing behavior associated with a new school is not anticipated.

An engineering investigation and study were conducted to determine what parking restrictions are necessary on Butcher Street based on street safety and functionality. Based on street standards and general ordinances for on-street parking, three standard pavement width ranges are used to determine parking restriction conditions:

- Pavement width is less than 18 feet- parking restrictions on both sides of the street

-
- Pavement width is between 18 and 28 feet- parking restrictions on one side of the street
 - Pavement width is at least 28 feet- no parking restrictions on the street

A field survey of pavement width was conducted for Butcher Street between Magazine Avenue and Avenue A. The pavement widths between Magazine Avenue and S Guenther Street were between 28 and 31 feet. The pavement widths between S Guenther Street and Avenue A ranged from 25 to 27 feet. Based on the measured pavement widths, it is recommended to remove all parking restrictions on Butcher Street between Magazine Avenue and S Guenther Avenue and maintain an all-hours parking restriction on one side of Butcher Street from S Guenther Avenue to Avenue A. The recommended no parking zone is proposed to remain on the south side of Butcher Street to be consistent with existing restrictions locations. Staff did not identify the need to continue any parking restrictions specific to school days or times.

The public hearing will be at a future City Council meeting and notices will be sent in advance of the meeting to all properties adjacent to the proposed parking changes.

ISSUE:

A resident on Butcher Street requested that the no parking zone in front of their home be removed.
