I, Savannah Zipp, the property owner, acknowledge that this site plan submitted for the purposes of rezoning this property is in accordance with all applicable provisions of the Zoning Ordinance. Additionally, I understand that City Council approval of this site plan in conjunction with a rezoning case does not relieve me from adherence to any/all City-adopted Codes/Ordinances at the time of plan submittal for building permits. Nor does it relieve me from adherence to any/all state or federal rules and regulations.

ATTENTION

All material quantities and quality should be verified prior to construction by owner and contractor. Contractor to verify all dimensions. Contractor shall be responsible for all utility locations on property and compliance with local building codes.

Changes to plans may be required by local building codes, owner and contractor to be responsible and should verify that these plans, details and materials meet minimum requirements for area of construction. These plans have not been reviewed for seismic or high wind areas. Consult local engineer for requirements.

If changes are needed, please feel free to contact Lifestyle Design Service at 1-888-266-5434 and we will be glad to help.

Your modified house plans have been updated to conform to the 2021 IRC code. Your plans will exclude specific local code adaptations as well as any and all engineering including structural, mechanical, plumbing, soils and civil, unless specifically added in your contract. Note: Some areas may require additional architecture / engineering. Your provided copyright release gives you express permission to work with local professionals, if required by your planning department.
