The Engineering Division reviewed the TIA Determination application and associated documents for the referenced development. Based on the information provided in the application, TIA Report is required. Please work with Rebecca Browne to schedule a TIA scoping meeting. The attached TIA Scoping Meeting Worksheet must be submitted one week prior to the scheduled scoping meeting, per the instructions on the worksheet. A final decision on intersections to be included within the TIA will be established by City Staff and listed within the approved scope.

Please contact the Engineering Division at (830) 221-4020 if you have any questions or need any additional information.

Respectfully,

Jessica Perry, E.I.T.
