Chief,

It was brought to my attention that current/eligible employees and two termed/seperated employees signed the Meet and Confer petition that was submitted to the city secretary's office on 04/05/2018, that need to be struck from the said petition.

Some I spoke to believed that this was a new petition and signed it a second time in error. Per our conversation, I have made a copy of the submitted petition, struck the names as requested by HR and then initialed each strike to show that it was done by my hand.

If there is anything else I can do going forward, please let me know.
