Explain the following in detail:

Please note: The information provided in response to the following questions is imperative to the variance request process. You may use additional pages if necessary.

(1) What are the special circumstances or conditions affecting the land that warrant the variance? _____

house is clear of prior zoning. Remodel w/ Porch and carport fall under new zoning since house was built. Part of house is also under 25' setback. With enhancing house we feel porch and carport are necessary.

(2) Why is the variance necessary to preserve a substantial property right of the applicant? _____

It is an enhancement to property and neighborhood

(3) Will the granting of the variance be detrimental to the public health, safety or welfare, or injurious to other properties within the surrounding area? _____

NO

(4) Would granting the variance prevent the orderly use of other properties within the area? _____

NO

(5) Does an undue hardship to the land exist that is not self-created, personal or financial? _____

If yes, please explain in detail. If no, a variance cannot be granted.

NO

(6) Will granting the variance be in harmony with the spirit and purpose of the City's regulations?

yes

Please initial the following important reminders:

APPEARANCE AT MEETINGS

It is strongly advised that the applicant be represented at the hearing. The Board may deny requests for which the applicant or an agent do not appear.

PD

NOTIFICATION SIGNS

The applicant shall post the public hearing notification sign(s) at least **15 days prior to the hearing date and maintain said sign(s) in good condition**. One sign shall be required for the first 100 feet of frontage of the tract, and one additional sign for every 200 feet of frontage thereafter, or fraction thereof, except that no more than three (3) signs shall be required on each roadway frontage. If the tract has less than 200 feet of frontage per roadway, then only one sign is required per road.

The applicant is responsible for:

1. Paying for the required mail notification (**\$2.15 per mailed notice**)
2. Purchasing (**\$15 per sign**) and placing the signs at least **15 days prior to the hearing date**
3. Posting signs so they are clearly visible to the public from the adjacent public streets.
4. Ensuring that the signs remain on the property throughout the variance process.
5. In the event that a sign(s) is removed from the property or damaged, the applicant shall be responsible for purchasing a replacement sign(s) and installing it immediately.
6. Removing the signs after the final action by the Zoning Board of Adjustment.

I hereby certify that the information provided is true and correct to the best of my knowledge.
