<b>4</b> .	Detailed description of design standard(s) not in compliance with Sec. 5.22 Non-Residential and
l	Multifamily Design Standards (use additional sheet if necessary):
-	The West wall of the warehouse, the wall in question, faces River Road and is a straight tilt wall that has no
-	offsets, relief insets or articulation.
-	
	Reason for request (use additional sheet if necessary): For improved aesthetics we are proposing to leave
-	the existing natural tree buffer between the ROW, River Road and the building to obstruct the view of the West
-	wall and maintain the current look of this section of River Road. The trees will provide natural relief of view to
-	the West wall. Smooth, straight walls are preferred for food manufacturing as they are less likely to harbor pes
