The Engineering Division reviewed the TIA Determination application and associated documents for the referenced development. Based on the information provided in the application, a Level 1 TIA Report is required. Please work with Rebecca Browne to schedule a TIA scoping meeting. The attached TIA Scoping Meeting Worksheet must be submitted one week prior to the scheduled scoping meeting, per the instructions on the worksheet. A final decision on intersections to be included within the TIA will be established by City Staff and listed within the approved scope.

Please contact the Engineering Division at (830) 221-4020 if you have any questions or need any additional information.

Respectfully,

Jessica Perry, E.I.T.
Graduate Engineer
