

The site plan illustrates the Main Plaza area, including the intersection of W. San Antonio St. and E. San Antonio St. The plan is divided into several phases: PHASE 1C (hatched areas on the west and east sides), PHASE 1A (the central plaza area), and PHASE 1B (the area between the plaza and the south side). A red shaded area indicates the project limits within the current budget, which includes the central plaza and the area between the plaza and the south side. A legend indicates that the red shaded area represents 'Project limits within current budget'. Annotations include 'Scope revision omits pedestrian and lighting improvements between Academy Ave. and Clemens Ave.' and 'Scope revision omits pedestrian and lighting improvements beyond Gilbert Ave.'.

☐ Project limits within current budget
