**WHEREAS**, CenterPoint Energy Resources Corporation, D/B/A, CenterPoint Energy Entex and CenterPoint Energy Texas Gas (“CenterPoint” or “Company”) filed a Statement of Intent with the City on or about November 16, 2017, to change its rate schedules within the corporate limits of this municipality, specifically to increase its system-wide, annual revenue requirement by approximately \$1.2 million, which includes CenterPoint’s proposed 12-month surcharge; and

**WHEREAS**, the City under the Gas Utility Regulatory Act (“GURA”) § 103.023 has standing to intervene in ratemaking proceedings at the Railroad Commission of Texas; and

**WHEREAS**, in order to maximize the efficient use of resources and expertise in reviewing, analyzing and investigating CenterPoint’s rate request and its changes in tariffs it is prudent to coordinate the City’s efforts with a coalition of similarly situated municipalities; and

**WHEREAS**, the City, in matters regarding applications by CenterPoint to change rates, has in the past joined with other local regulatory authorities to form the Alliance of CenterPoint Texas Municipalities-South Texas Division (“ACM”), and hereby continues its participation in ACM; and

**WHEREAS**, CenterPoint's rate request consists of a voluminous amount of information including CenterPoint's rate-filing package, pre-filed direct testimony, exhibits, schedules, and workpapers; and

**WHEREAS**, CenterPoint's rate application is the Company's first general rate case since about 2010, and follows five interim rate adjustments CenterPoint filed since its last general rate case, more commonly known as GRIP ("Gas Reliability Infrastructure Program") increases in rates filed under GURA § 104.301; and

**WHEREAS**, because this is CenterPoint's first general rate case following its five GRIP increases in rates, the City will need to evaluate the prudence of investments CenterPoint made under GURA § 104.301; and

**WHEREAS**, CenterPoint proposed December 21, 2017, as the effective date for its requested increase in rates; and

**WHEREAS**, the Railroad Commission of Texas will begin in earnest, its proceedings to evaluate CenterPoint's Statement of Intent to increase rates; and

**WHEREAS**, the City will need an adequate amount of time to review and evaluate CenterPoint's rate application to enable the City to participate in a meaningful manner in the proceedings at the Railroad Commission of Texas; and

**WHEREAS**, the City will require the assistance of specialized legal counsel and rate experts to review the merits of CenterPoint's application to increase rates; and

**WHEREAS**, the decision of the Railroad Commission of Texas will have a direct impact on the City and its citizens who are customers of CenterPoint and in order for the City's participation to be meaningful it is important that the City promptly intervene in proceedings pending at the Railroad Commission of Texas related to CenterPoint's application to increase rates.
