Future Land Use Map

Legend

- Subject Property
- Residential Low Density
- Commercial
- Institutional

Map showing Future Land Use Plan for a residential area. The map displays a grid of yellow-colored residential lots, with a specific lot highlighted in cyan. The highlighted lot is located at the intersection of Lee St and Willow Ave, bounded by Sycamore Ave to the west and Stonewall St to the east. The map includes street names: Cross St, Lee St, Willow Ave, Sycamore Ave, Stonewall St, W Coll St, and Avenue A. A legend in the bottom left corner identifies the yellow color as 'Residential Low Density' and the cyan outline as 'Subject Property'. A north arrow is in the top right corner.
