It shall be unlawful during the hours from 8:00 a.m. to 3:00 p.m., except Sundays and holidays, to permit a vehicle to remain parked in a designated parking space while the parking meter for such space indicates that such vehicle is illegally parked, whether such indication is the result of the failure to deposit a coin and operate a level or other actuating device of the meter, or the result of the automatic operation of the meter following the expiration of the authorized parking time subsequent to depositing of a coin therein at the time such vehicle was parked.~~

~~(b) — Presumptive evidence. The presence of a vehicle in a paid parking zone (a) when the paid-for time shown on adjacent parking meter is expired, (b) when the paid-for time shown on the relevant pay-by-space station has expired, or (c) when the paid-for time shown on the pay-and-display station receipt has expired is prima facie evidence (x) that the vehicle has been parked beyond the legal period of time fixed by this article or (y) that the operator did not deposit proper payment. The fact that a vehicle is parked in a metered parking space, during the hours of limited parking, without the meter time signal showing permitted parking, shall be prima facie evidence that the vehicle has been parked at such space longer than the lawfully permitted parking period. It shall be unlawful for any person to cause or permit any vehicle registered in his name to be unlawfully parked as set out in this section.~~
