

Minutes from May 14, 2019, Animal Services Advisory Board

b) Chairman Dr. Rierson read the agenda caption; "Discussion and possible recommendation regarding draft ordinance of allowing rabbits within the city limits."

i. Discussion was started by staff describing the previous meeting with the board agreeing to model the potential rabbit ordinance around the current chicken ordinance. Staff discussed the draft ordinance for rabbits is similar to the chicken ordinance but if rabbits are allowed, they would count towards the number of domesticated animals someone can keep (4 dogs, cats, or rabbits). Additional discussion was around section 2 (b); which indicates if rabbits are to be allowed only in this section which is restricted to single or two-family dwellings. The board discussed this and decided to remove section 2 (b) from the draft. The board approved the draft ordinance and recommended approval to city council.

ii. John Velasquez made a motion to recommended approval to city council.
