WHEREAS, the City of New Braunfels, Texas (the "City"), pursuant to the Tax Increment Financing Act, Chapter 311 of the Texas Tax Code, (the "Act") may designate a geographic area within the City as a tax increment reinvestment zone if the area satisfies the requirements of the Act; and

WHEREAS, the Act provides that the governing body of a municipality by ordinance may designate a geographic area that is in the corporate limits or extra-territorial jurisdiction of the municipality to be a reinvestment zone if the governing body determines that development or redevelopment would not occur solely through private investment in the reasonably foreseeable future; and

WHEREAS, the City Council desires to promote the development of a certain geographic area in the City, which is more specifically described as being a +/- 182.91 Acre tracts of land, more or less, and including the properties as assigned a Parcel ID by the Comal County Appraisal District as presented in Exhibit "A" and as depicted on the map attached hereto as Exhibit "B" and incorporated herein, through the creation of a new reinvestment zone as authorized by and in accordance with the Act (the "Zone"); and

WHEREAS, pursuant to and required by the Act, the City has prepared a Preliminary Reinvestment Zone Project and Financing Plan for Tax Increment Reinvestment Zone Number Three, City of New Braunfels, attached as Exhibit "C" (hereinafter referred to as the "Preliminary Project and Finance Plan"); and

WHEREAS, notice of the public hearing on the creation of the Zone was published on August 23, 2021 in The Herald-Zeitung, a newspaper of general circulation in the city of New Braunfels, which date is before the seventh (7th) day before the public hearing held on September 13, 2021; and

WHEREAS, at the public hearings on September 13, 2021, and September 27, 2021 interested persons were allowed to speak for or against the creation of the Zone, its boundaries, or the concept of tax increment financing, and owners of property in the Zone were given a reasonable opportunity to protest the inclusion of their property in the Zone; the public hearing was held in full accordance with Section 311.003(c) of the Act; and

WHEREAS, the percentage of the property in the Zone, excluding property that is publicly owned, that is currently used for residential purposes is less than thirty (30) percent; and

WHEREAS, a Preliminary Project and Finance Plan has been prepared for the Zone.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NEW BRAUNFELS, TEXAS:

Section 1. RECITALS INCORPORATED.

The facts and recitations contained in the preamble of this Ordinance are hereby found and declared to be true and correct.

Section 2. FINDINGS

The City Council, after conducting the above described hearing and having heard the evidence and testimony presented at the hearing, has made the following findings and determined based on the evidence and testimony presented to it:

(a) That the public hearing on creation of the Zone has been properly called, held, and conducted and that notice of such hearing has been published as required by law.

(b) That the proposed improvements in the Zone will significantly enhance the value of all the taxable real property in the Zone and will be of general benefit to the City.

(c) That the Zone meets the criteria and requirements of the Act because the Zone substantially arrests and impairs the sound growth of the City, retards the provision of housing accommodations, constitutes an economic and social liability and is a menace to the public health, safety, morals, and welfare in its present condition and use because of the presence of:

1. a number of substandard structures due to the aging and inadequate infrastructure as well as the presence of structures that are not in full compliance with current building, health and safety codes;
2. the predominance of defective or inadequate sidewalk and street layout; and
3. the deterioration of site or other improvements.

(d) That the Zone is a geographic area located wholly within the corporate limits of the City of New Braunfels;

(e) That less than thirty percent (30%) of the property in the Zone, excluding property that is publicly owned, is used for residential purposes;

(f) That the total appraised value of taxable real property in the Zone, and in existing reinvestment zones of the City, does not exceed fifty percent (50%) of the total appraised value of taxable real property in the City and in industrial districts created by the City; and

(g) That development or redevelopment of the property within the boundaries of the Zone will not occur solely through private investment in the reasonably foreseeable future.

Section 3. DESIGNATION AND NAME OF THE ZONE

That the City, acting under the provisions of the Act, does hereby designate as a reinvestment zone, and create and designate a reinvestment zone over the area more specifically described as being +/- 182.91 Acres land, more or less, and including the properties as assigned a Parcel ID by the Comal County Appraisal District as presented in Exhibit "A" and as depicted on the map attached hereto as Exhibit "B" and incorporated herein to promote the development of the area. The reinvestment zone shall hereafter be named for identification as Reinvestment Zone Number Three, City of New Braunfels, Texas (the "Zone").

Section 4. BOARD OF DIRECTORS

That there is hereby created a Board of Directors for the Zone, which shall consist of seven (7) members, including any members appointed by the participating taxing jurisdictions. Positions One through Four on the Board of Directors shall be reserved for the City. Positions Five, Six, and Seven shall be reserved for other participating taxing jurisdictions levying taxes within the Zone, each of whom may appoint one director. Any participating taxing jurisdiction entitled to appoint a director shall be assigned a Board position number in the order the appointment is received by the City.

Failure of any taxing unit to appoint a director as provided herein, shall be deemed a waiver of the right to appoint a director, and the City Council as a whole, shall be entitled to appoint persons to the position.

The City Council shall nominate persons to serve on the Board of Directors for Positions One through Four. Any participating taxing jurisdiction, including individual City Council Members, who is deemed to have waived the right to appoint a director to the Board, shall have the position filled by nomination and approval of an eligible person by the City Council as a whole.

The initial directors to the Board of Directors of the Zone shall be appointed by resolution or ordinance of the City or participating taxing jurisdiction(s) within ninety (90) days of the passage of this Ordinance or the date they became a participating taxing jurisdiction, whichever is sooner. An increase in the number of Board of Directors shall be accomplished by resolution or Ordinance of the City but shall not exceed a total of fifteen (15) members. All members of the Board of Directors shall meet eligibility requirement as set forth in Chapter 311 of the Act.

The directors appointed to odd-numbered positions shall be appointed for a two-year term, beginning on the effective date of this Ordinance, while the directors appointed to even-numbered positions shall be appointed to a one-year term, beginning on the effective date of this Ordinance. All subsequent appointments shall be for two-year terms. A vacancy on the Board of Directors is filled for the unexpired term by appointment of the governing body of the taxing unit that appointed the director who served in the vacant position. Each year the City Council shall annually designate one (1) member of the Board of Directors to serve as chairman for a one (1) year term that begins on January 1st of the following year. The Board of Directors shall elect from its members a vice chairman to preside in the absence of the chairman or when there is a vacancy in the office of the chairman. The Board of Directors may elect other officers as it considers appropriate.

The Board of Directors shall make recommendations to the City Council concerning the administration, management and operation of the Zone. The Board of Directors shall prepare or cause to be prepared

and adopt a project plan and a reinvestment zone financing plan for the Zone and shall submit such plans to the City Council for its approval. The City hereby authorizes the Board of Directors to exercise all of the City's powers necessary to administer, manage or operate the Zone and to prepare the project plan and reinvestment zone financing plan, including the power to employ consultants, legal counsel and financial advisors, or enter into any reimbursement agreements with consultants, legal counsel and financial advisors payable solely from the Tax Increment Fund established pursuant to Section 7 of this Ordinance, subject to the approval of the City Manager or his designee, that may be reasonably necessary or convenient to assist the Board of Directors in the administration, management or operation of the Zone and the preparation of the project plan and reinvestment zone financing plan. Notwithstanding the foregoing, the Board of Directors shall not be authorized to issue bonds, impose taxes or fees, exercise the power of eminent domain, or give final approval to the project plan and reinvestment zone financing plan. The Board of Directors of the Zone may not exercise any power granted to the City by Section 311.008 of the Act without additional authorization from the City.

Section 5. DURATION OF THE ZONE

That the Zone shall take effect immediately upon the passage and approval of this Ordinance, and termination of the operation of the Zone shall occur on December 31, 2046, or at an earlier time designated by subsequent ordinance, or at such time, subsequent to the issuance of tax increment bonds, if any, that all project costs, tax increment bonds, and the interest on the bonds, have been paid in full.

Section 6. TAX INCREMENT BASE

That the Tax Increment Base of the City or any other taxing unit participating in the Zone is the total appraised value of all real property taxable by the City or other taxing unit participating in the Zone and located in the Zone, determined as of January 1, 2021, the year in which the Zone is designated as a reinvestment zone (the "Tax Increment Base").

Section 7. TAX INCREMENT FUND

That there is hereby created and established a Tax Increment Fund for the Zone which may be divided into subaccounts as authorized by subsequent ordinances. All Tax Increments, as defined below, shall be deposited in the Tax Increment Fund. The Tax Increment Fund and any subaccount shall be maintained at the depository bank of the City and shall be secured in the manner prescribed by law for funds of Texas cities. The annual Tax Increment shall equal the percentage of the tax increment, as defined by Section 311.012(a) shall equal eighty-five percent (85%) of the City's portion of property tax increment as defined by Section 311.012(a) of the Act, less any amounts that are to be allocated from the Tax Increment pursuant to the Act. All revenues from the sale of any tax increment bonds, notes, or other obligations hereafter issued by the City for the benefit of the Zone, if any; revenues from the sale of property acquired as part of the project plan and reinvestment zone financing plan, if any; and other revenues to be used in the Zone shall be deposited into the Tax Increment Fund. Prior to termination of the Zone, money shall be disbursed from the Tax Increment Fund only to pay project costs, as defined by the Act, for the Zone, to satisfy the claims of holders of tax increments bonds or notes issued for the Zone, or to pay obligations incurred pursuant to agreements entered into to implement the project plan and reinvestment zone financing plan and achieve their purposes pursuant to Section 311.010(b) of the Act.

Section 8. SEVERABILITY

That should any section, clause or provision of this ordinance be declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of this ordinance or any other ordinance of the City as a whole or any part thereof, other than the part so declared invalid.

Section 9. OPEN MEETINGS

It is hereby found, determined and declared that a sufficient written notice of the date, hour, place and subject of the meeting of the City Council at which this Ordinance was adopted was posted at a place convenient and readily accessible at all times to the general public at City Hall for the time required by law preceding this meeting, as required by the Open Meetings Law, Texas Government Code, Chapter 551, and that this meeting has been open to the public as required by law at all times during which this Ordinance and the subject matter hereof have been discussed, considered and formally acted upon. The City Council further ratifies, approves and confirms such written notice and the contents and posting thereof.

Section 10. That this Ordinance shall take effect immediately upon the second and final reading of same in accordance with and as provided by Section 311.004(a)(3) of the Act and the City's Charter.

PASSED AND APPROVED: First Reading this the 13th day of September, 2021.

PROJECT PLAN

OVERVIEW

The City of New Braunfels, Texas is considering implementing a tax increment reinvestment zone (TIRZ) to fund redevelopment projects and programs in Downtown New Braunfels. The proposed new zone would be named TIRZ #3 – Downtown Tax Increment Reinvestment Zone (TIRZ #3).

This document is designed to meet the legal requirements of designating a TIRZ. The statutes governing tax increment financing are located in Chapter 311 of the State of Texas Tax Code.

EXISTING TAX INCREMENT FINANCING DISTRICTS IN THE CITY OF NEW BRAUNFELS

There are two existing City of New Braunfels TIRZs. The existing the first is the Creekside TIRZ (TIRZ #1) and the second is the Rivermill TIRZ (TIRZ#2). According to state law, cities with less than 100,000 residents may not create a new TIRZ if the total appraised value of taxable real property in the proposed reinvestment zone and in the existing reinvestment zones would exceed 50.0 percent of the total appraised value of taxable real property within the city and its industrial districts. In addition, a TIRZ may not be created if more than 30.0 percent of the property in the proposed new reinvestment zone is used for residential purposes at the time of designation. The proposed TIRZ #3 complies with these state rules.

DESCRIPTION OF TAX INCREMENT REINVESTMENT ZONE #3

The proposed TIRZ #3 will cover approximately 183 acres (including roads and right of way). The 2021 baseline taxable property value of the TIRZ is approximately \$167,638,727.00.

EXISTING ZONING AND LAND USE GUIDELINES APPLICABLE TO TIRZ #3

Existing City of New Braunfels land use, zoning guidelines, and policies would apply to all properties within the city limits.

TAXING JURISDICTIONS APPLICABLE TO TIRZ

The proposed TIRZ #3 is located within the following taxing jurisdictions:

- City of New Braunfels
- Comal County
- Comal ISD

PROPOSED CHANGES IN MASTER PLANS, ZONING ORDINANCES, AND BUILDING CODES

There are no current master plans or anticipated changes to master plans or zoning ordinances.

RELOCATION OF DISPLACED PERSONS

This plan currently does not call for nor anticipate the displacement and relocation of persons for the proposed projects.

PROJECT PLAN IMPROVEMENTS

TIRZ #3 will provide support for catalytic infrastructure and incentives that will facilitate the redevelopment of the Downtown area. The Downtown area faces barriers to continued redevelopment as much of the pedestrian infrastructure in the zone is insufficient. Additionally, new development in the zone has been stifled due to a lack of convenient and adequate parking given the built-out nature of the development pattern. Finally, aging building systems and utility connections are a barrier to redevelopment as the majority of the existing building stock was constructed over 50 years ago and is out of compliance with modern requirements such as building codes, life safety, and Americans with Disabilities Act (ADA) access requirements.

Public infrastructure investments and additional enhancements are required to successfully redevelop the TIRZ #3 area. In addition, other projects might be added to the list as future development projects and related opportunities present themselves.

Table 2: Downtown Development Costs Funded by TIRZ #3

Project	Cost	Description
Public Infrastructure Improvements	\$7,500,000	Sidewalk construction/repair, installation of bicycle facilities, pedestrian amenities, enhanced crossings, roadway restriping and reconfiguration and other right-of-way improvements with direct community benefits.
Economic Development Incentives	\$4,000,000	Environmental Remediation, Interior/Exterior Demolition, Historic Façade Restoration Improvements/Easements and Fire Safety Improvements/Grants
Parking Improvements	\$2,000,000	Land assembly, leases, and other projects that subsidize or otherwise provide public parking in strategic areas.
Administration and Implementation	\$1,000,000	
Total	\$14,500,000	

ELIGIBLE PROJECT COSTS

1. PUBLIC INFRASTRUCTURE IMPROVEMENTS

This category includes TIRZ-eligible expenditures for improvements to local streets, including paving, utility infrastructure upgrades/relocation (water, wastewater, storm water), burial of overhead utilities as well as lighting improvements, street trees/planters, and sidewalk improvements for enhancing pedestrian linkages between throughout the historic downtown core.

2. ECONOMIC DEVELOPMENT INCENTIVES

Downtown New Braunfels has several buildings that contribute to the character and fabric of the community, but these buildings sometimes are financially unfeasible to properly redevelop because of the cost of environmental remediation of asbestos, lead-based paint and other contaminants, interior and exterior demolition costs, façade improvement costs and fire and ADA accessibility issues. Interior and exterior demolition expenses are tied directly to the remediation expenses. These costs are TIRZ-eligible expenditures. Remediation of environmentally hazardous materials and associated improvements, using TIRZ funds, greatly improves the marketability of these buildings. This budget category is necessary for attracting highly desired mixed-use and adaptive reuse projects to the Downtown TIRZ, including attracting new retail, office, and residential uses. Historic façade improvements and new construction under this program will be reviewed for compliance with any adopted design standards to ensure compatibility with other improved structures and investment in the Downtown area.

3. ADMINISTRATION & IMPLEMENTATION

Administration costs, including reasonable charges for time spent by City of New Braunfels employees, will be eligible for reimbursement as project costs. Administration costs are estimated at \$40,000 per year.

SUMMARY OF PROJECT COSTS

The total estimated cost of TIRZ #3 public infrastructure investment in the district is in excess of \$8 million. These costs will be refined in the final project and finance plan that will need to be adopted by the TRIZ #3 Board and New Braunfels City Council.

FINANCING PLAN

Tax increment financing is a tool used by local governments to publicly finance needed infrastructure and other improvements within a defined area. These improvements are usually undertaken to promote the viability of existing businesses and to attract new commercial enterprises to the area. The statutes governing tax increment financing are located in Chapter 311 of the State of Texas Tax Code.

The costs of improvements in the defined zone are repaid by the contribution of future property tax revenues by each taxing unit that levies taxes against the property. Specifically, each taxing unit can choose to dedicate all, a portion, or none of the tax revenue that is attributable to the increase in property values due to the improvements within the reinvestment zone. Cities can also designate a portion of sales tax. The additional tax revenue that is received from the affected properties is referred to as the tax increment. Each taxing unit determines what percentage of its tax increment, if any, it will commit to repayment of the cost of financing the public improvements.

COMPLIANCE & REPORTING

The TIRZ Board policies shall comply with all federal, state, and local laws, rules and regulations. The TIRZ Board will submit project status reports and financial reports as required by state law.

PUBLIC SECTOR ENTITIES PARTICIPATING IN TIRZ #3

All project costs will be paid through the contribution of incremental property and sales taxes collections. This preliminary plan assumes that the City of New Braunfels will contribute a portion of their total tax rate (maintenance and operations (M&O) and interest and sinking (I&S) ad valorem tax rate for 25 years. The proposed TIRZ #3 does not include any sales tax increment.

FINANCIAL FORECAST ASSUMPTIONS

- **TIRZ Duration** – It is assumed the TIRZ will have a 25-year lifespan.
- **TIRZ Allocation** – assumes that the City of New Braunfels will contribute 85% of their total incremental property tax collections.
- **Tax Rate** – While tax rates do change over time, the 2021 tax rates were held constant for the purposes of forecasting anticipated property tax revenue for the duration of the TIRZ.
- **Existing Properties** – The 2021 baseline property value of the TIRZ is approximately \$168 million but varies slightly by taxing jurisdiction based on exemptions offered.
- **Real Property** – Only taxable real property values are included in the tax increment calculations. By law, business personal property values are excluded from TIRZ.
- **Inflation & Appreciation Rate** – The inflation rate used for the value of improvements is 5.0 percent per year.

- **Net Present Value** – The net present values of the tax increment were calculated at a discount rate of 5.0 percent.
- **Future Development Patterns** – These assumptions do not include adjustments for future development. It is anticipated that TIRZ improvements will induce an organic growth in property values through induced development. These developments are currently undefined, and their value is not known. It is noted that the values shown in this plan are a conservative estimate and it is somewhat likely that revenues will exceed those presented in this forecast.

FINANCIAL FORECAST SUMMARY RESULTS

The following table depicts the anticipated revenue generated over 25 years. The revenue forecast assumes the TIRZ is established in 2021 (baseline year). The first TIRZ increment will occur in 2022.

CONCLUSION

Based on the preliminary development plans for this area and anticipated tax revenue, a TIRZ is economically and financially feasible. The TIRZ should generate revenue to pay for infrastructure and redevelopment costs. Over the next 25 years, the TIRZ could generate approximately \$14.8 million to fund target improvements and incentives.

These projections are based on the best available datasets and information related to market conditions in the region. Given the high visibility of this area, for example, the substantial commitment of a few large developers could have a significantly positive impact on both the level and timing of future growth. Moreover, the financial projections make no allowance for positive spillover to the value of other properties in area as a result of new development (beyond inflation), which easily could occur. At the same time, a slowdown in development as a result of a weaker national economy, negative changes in key drivers of regional economy, or other unforeseen issues could materially reduce the volume of construction put in place, and resulting tax revenue, over the next 25 years.
