COUNCIL DISTRICTS IMPACTED: Not applicable.

BACKGROUND INFORMATION:

The New Braunfels City Council strategic priorities include using a variety of funding sources for operational and capital needs. Therefore, Staff submitted an application to the Texas Department of Transportation (TxDOT) for the FY 2022 Routine Airport Maintenance Program (RAMP) to request funding to support eligible maintenance expenditures incurred for parking lots, fencing, and assorted airside and landside needs at the New Braunfels Regional Airport.

The application was approved by the agency on August 31, 2021; therefore, Staff is requesting City Council approval for the ratification of the grant application, and authorization for the City Manager to accept funds and to execute all contract documents associated with the award of the grant.

The total grant award amount is up to \$100,000 with a 50 percent City match requirement. Therefore, the maximum amount that will be reimbursed to the City equals \$50,000 and all eligible maintenance must be

completed by August 31, 2022.
