**BACKGROUND INFORMATION:**

Case #: ORD21-369

City Council directed staff at their July 12, 2021 regular meeting to research and identify streamlining opportunities where local development-related ordinances require City Council or Planning Commission consideration for a final decision. Staff provided a briefing for the Planning Commission on October 6, 2021 on the sections of the code that were identified as opportunities for streamlining.

**ISSUE:**

It has been noted that some of these processes do not necessarily rise to a level requiring City Council scrutiny and, with appropriate criteria, could be addressed and finalized at an administrative or board/commission level. The intent of the proposed amendments is to enhance customer service and reduce review times for customers and developers by re-evaluating the decision-making hierarchy and which board, commission or Council should decide appeals or waivers.

Staff has examined the currently adopted ordinances and thus far has identified the following processes for amendment:

**Zoning Ordinance**

- Revise appeal process for Temporary Mobile Storage Units, Off-site Parking Plans, Multi-family and Non-residential design standards, and Temporary Vendor Permits.

**Platting Ordinance**

- Revise approval and appeal process for Alternative Pedestrian Plans, block length waivers and sidewalk waivers

**Fee Schedule**

- Adjust sidewalk waiver fee to reflect reduced costs associated with the reduced public hearing notification requirements.

This initiative addresses the following action items from **Envision New Braunfels**:

- **Action 3.6:** Pro actively provide a regulatory environment that remains business and resident friendly.
- **Action 7.4:** Strengthen sidewalk requirements in the City’s codes.
- **Action 7.7:** Ensure that local development codes which require sidewalks, trails, lanes or paths include healthy living, safety, and vehicular congestion relief as an intent.
- **Action 7.9:** Enact/enforce maximum block size limitations.

**FISCAL IMPACT:**

N/A

**RECOMMENDATION:**

Based on the research conducted, staff recommends approval of the proposed revisions to processes for various appeal and waiver requests.
