

as well as other criminal activity occurring within the city, thereby contributing to the overall safety and security of the community. Grant-funded personnel costs will include the officers' base salaries, fringe benefits, uniforms and issued equipment, and vehicles.

The grant will also provide funding for an assortment of costs for license plate readers (LPRs), including the installation of City-owned pole-mounted LPRs, the purchase and installation of additional new pole-mounted LPRs, and the purchase of multiple mobile LPRs that will be positioned within several areas of the city and relocated as-needed based upon criminal and law enforcement activities. These readers will help identify vehicles associated with known offenders of Catalytic Converter theft, enabling law enforcement to swiftly intervene and prevent further crimes. By leveraging this technology, NBPD aims to increase the rate of theft recovery while simultaneously improving the clearance rate of cases and increasing the number of arrested individuals.

City staff recently submitted a grant application for a total amount of \$686,748, consisting of \$419,166 allocated to personnel costs for two officers, and \$267,582 allocated to the purchase and installation of license plate readers. The granting agency will provide funds for 100% of the total amount therefore, there is no City-match requirement.

If approved, the grant will be awarded by April 2024.

Staff is also requesting City Council approval of a resolution, as required by the granting agency, that will authorize our City Manager or an authorized designee to act as the authorized official on behalf of the City in all matters related to this grant. The designated authorized official is given the power to apply for, accept, reject, alter, or terminate the grant on behalf of the applicant agency.

**ISSUE:**

Submission of the grant application described above supports the City's Strategic Priorities as follows:

Use a variety of funding sources for operational and capital needs.

**FISCAL IMPACT:**

The granting agency will provide reimbursement of all awarded costs; there is no City-match requirement.

**RECOMMENDATION:**

Staff recommends approval of a resolution; ratification for the submission of an application to the Motor Vehicle Crime Prevention Authority, Fiscal Year 2024 SB 224 Catalytic Converter Grant Program on behalf of the New Braunfels Police Department for personnel and equipment costs; and authorization for the City Manager or authorized designee to act on behalf of the City in all matters related to the grant if awarded.
