PRESENTER:
Scott McClelland, Assistant Transportation and Capital Improvements Director
SUBJECT:
Presentation and discussion on a proposed project expenditure for the construction of package 2 of Citywide Pedestrian Improvements
DEPARTMENT: Transportation and Capital Improvements
COUNCIL DISTRICTS IMPACTED: 2, 3, & 6

BACKGROUND INFORMATION:
On December 15, 2022, the New Braunfels Economic Development Corporation (NBEDC) directed the Transportation and Capital Improvements Department to move forward with the next step for the design of sidewalks as identified in Phase 1 of the Citywide Pedestrian Improvement project. The six sidewalk locations have been broken into two scopes (packages) to address varying complexities. The NBEDC approved funding for final design at its April 20, 2023 meeting and the City Council approved this funding at its May 22, 2023 meeting.

Package 2 of this project includes sidewalks and crossings at: Klein Road Elementary and New Braunfels Middle School area (Settlers Crossing, Pahmeyer Road and Savannah Hill Circle), Landa Street and Loop 337 Access Road intersection, and Oak Run Parkway and Westpointe Drive intersection.

This presentation will provide an update on construction of the package 2 sidewalks and provide an update on package 1 of the project.

The plan is to bring this item back for potential action and public comment at the NBEDC May 10, 2024 regular meeting.
