The subject 5-acre tract sits on the southeast corner of County Line Road and FM 725, as well as the north corner of FM 725 and Pecan Bluff. It's roughly 500 feet northeast of Fischer Park and around 800 feet northwest of the Southbank neighborhood. The applicant is requesting a change in zoning from C-1Br78 (General Business District) to C-1A (Neighborhood Business District).

Surrounding Zoning and Land Use:

North	Across County Line Rd: M-2	Vacant Land
South	Across FM 725: R-1	Vacant Land
East	R-1A-6.6r79	Single Family Neighborhood
West	Across FM 725: C-1B	Vacant Land

ISSUE:

The applicant's proposal indicates that their requested rezoning aims to enable development under the C-1A district. This district is mainly for offices, businesses, professional services, and light retail and commercial activities. C-1A is typically located at major intersections of collector streets near residential neighborhoods to serve the surrounding areas. C-1A would be consistent with the following actions from Envision New Braunfels:

- **Action 1.3:** Encourage balanced and fiscally responsible land use patterns.
- **Action 3.3:** Balance commercial centers with stable neighborhoods

Future Land Use Plan: The subject property is located within the Dunlap Sub Area, along a Transitional Mixed-Use Corridor, near existing Outdoor Recreation and Market centers, and near a Future Outdoor Recreation Center.

FISCAL IMPACT:

N/A

RECOMMENDATION:

This site is situated strategically at the southeast corner of County Line Road and FM 725, both existing arterials, and at the north corner of FM 725 and Pecan Bluff. The requested change aligns with the intended purpose of C-1A zoning, facilitating offices, businesses, professional services, and light retail and commercial activities, serving nearby residential neighborhoods, and boosting the local economy. Furthermore, the location within the Dunlap Sub Area and Transitional Mixed-Use Corridor, alongside existing and proposed outdoor recreation and market centers, supports the zoning change, promoting a dynamic urban environment.

Mailed notification as required by state statute:

Public hearing notices were sent to 30 property owners within 200 feet of the request. As of the agenda posting date, the city has received responses representing 1% in opposition.

The Planning Commission held a public hearing on March 5, 2024, and unanimously recommended approval (8-0-0)
