SUBJECT:

Discuss and consider approval of the solicitation criteria for professional services for Preliminary Engineering on Goodwin Lane/Conrads Lane, Barbarosa (FM 1101 to Alves Ln) and Kohlenberg Road (IH 35 to FM 1101) as part of the proposed 2019 Bond Program.

BACKGROUND / RATIONALE:

On April 25, 2018, City Council approved the design contracts for preliminary engineering for the proposed 2019 Bond projects. In addition to those projects, Council voted to add three street projects to the proposed 2019 Bond Program to be evaluated through preliminary engineering. These three streets are: Goodwin Lane/Conrads Lane, Barbarosa (FM 1101 to Alves Ln) and Kohlenberg Road (IH 35 to FM 1101).

Council directed staff to review neighboring municipalities professional services solicitation criteria prior to releasing the RFQ (request for qualifications) for these three new street projects. On July 2, 2018, staff presented professional services solicitation criteria to Council for direction on which items to incorporate. Based on Council's direction, staff has revised the City's RFQ document.

ADDRESSES A NEED/ISSUE IN A CITY PLAN OR COUNCIL PRIORITY:

☒	Yes	City Plan/Council Priority:	Strategic Priorities: Continue an ongoing program of infrastructure construction and maintenance.
-------------------------------------	-----	------------------------------------	--
