PRESENTER:

Greg Malatek, Public Works Director

SUBJECT:

Presentation and update on the upcoming TxDOT project with an estimated construction start date in 2025 or 2026.

DEPARTMENT: Public Works

COUNCIL DISTRICTS IMPACTED: Citywide

BACKGROUND INFORMATION:

Thru TxDOT's Off-System Bridge Program, the Landa Park Drive over the Mill Pond Bridge has qualified for funding to be replaced along with sidewalk and bridge rail improvements. Currently the project is in design, but right-of-way could be needed along with utility adjustments before the project is released for construction bidding.

FISCAL IMPACT:

The City will be responsible for any needed right-of-way or construction easement along with utility adjustments.

RECOMMENDATION:

Staff supports this project.
