The subject tract consists of unplatted property located within the ETJ of New Braunfels and in

Guadalupe County, south of the intersection of Dauer Ranch Road and Weltner Road. Dauer Ranch Subdivision is a 3 phase master plan with 365 proposed residential lots. Dauer Ranch Estates Unit 1 consists of 128 residential lots and 2 common area lots.

Drainage:

The City's Public Works Department reviewed project drainage with the approved construction plans as required by Section 118-51.e of the Subdivision Platting Ordinance and in accordance with Chapter 143 Municipal Drainage Utility Systems, and the Drainage and Erosion Control and Design Manual (DECDM). On-site detention and water quality is proposed for this development. The same general drainage patterns will be provided for the developed condition.

No portion of this unit is located within the 1% annual chance floodplain.

Utilities:

Water, sewer and electric service will be provided by New Braunfels Utilities. Utility easements are indicated on the plat as required by the utility provider. Utilities will be extended as part of this development in accordance with the approved construction plans.

Transportation:

Regional Transportation Plan:

The property has frontage along Weltner Road which is designated as a Minor Collector that requires a minimum right-of-way width of 60 feet. An additional 20 feet of right-of-way will be dedicated with the plat. Required roadway improvements were approved with the construction plans.

The property has frontage along Dauer Ranch Road which is designated as a Principal Arterial that requires a minimum right-of-way width of 150 feet. An additional 50 feet of right-of-way will be dedicated with the plat. Required roadway improvements were approved with the construction plans.

Hike and Bike Trail Plan:

This plat is in compliance with the City's Hike and Bike Trails Plan and no right-of-way dedication or hike and bike trail construction is required as there are no proposed trails within or adjacent to this subdivision.

Sidewalks:

Four-foot wide sidewalks will be constructed on both sides of all internal streets adjacent to the curb at the time of development by the developer/homebuilder. Four-foot wide sidewalks will be constructed along Weltner Road and Dauer Ranch Road at least 4 feet from the curb or edge of shoulder at the time of subdivision construction.

Roadway Impact Fees:

The subdivision is outside the city limits and the Roadway Impact Fee study area. Roadway Impact Fees are not applicable.

Parkland Dedication and Development:

This subdivision is subject to the City's 2006 Parkland Dedication and Development Ordinance. The developer intends to provide parkland and amenities with phase 2 of the subdivision that meet or exceed the City's minimum requirements.
