PZ21-0155 Public hearing and recommendation to City Council regarding the proposed rezoning of Block 1 Lot 15 and a portion of Lot 14, Guada Coma Subdivision, addressed at 46 Guada Coma Drive, from "R-1A-6.6" Single-family District to "R-2A" Single-family and Two-family District.

The subject property is located in the Guada Coma neighborhood between the Guadalupe and Comal Rivers,

west of downtown New Braunfels.

In 2006, in response to citizen input, City Council directed staff to evaluate areas of the City that were developed as single-family residential neighborhoods but were assigned a more intense zoning district. The area around Guada Coma Drive, zoned R-2 Single and Two-family District at that time, was one of the designated neighborhoods.

A neighborhood meeting held in early 2007 resulted in support from the majority of property owners for rezoning to R-1A-6.6. However, it was agreed that property owners who were opposed and owned lots large enough to accommodate a duplex (minimum 8,000 square feet) could opt out of the rezoning.

The Schroeders own two properties in the area and requested to opt out for both. Their home at 42 Guada Coma Drive was excluded from the rezoning, but the property at 46 Guada Coma Drive was inadvertently included. Although the staff recommendation to City Council clearly lists this property as excluded, it was indicated as being rezoned to R-1A-6.6 on the map exhibit attached to the ordinance (Attachment 3).

Surrounding Zoning and Land Use:

North - R-1A-6.6 / Single-family residence

South - R-1A-6.6 / Property owners' common lot

East - Across Guadalupe River, R-2 / Undeveloped

West - Across Guada Coma Dr, R-1A-6.6 / Single-family residence

ISSUE:

An error in the executed Ordinance 2007-35 resulted in the inadvertent rezoning of property at 46 Guada Coma Drive. The City of New Braunfels initiated this rezoning request to correct the error. Because the original zoning of "R-2" is no longer an available zoning district, staff is recommending the property be rezoned to R-2A Single and Two-family District which is the current equivalent.

R-1A-6.6 allows single-family residential use with an option for an accessory dwelling unit (no full kitchen). R-2A allows two-family residential either attached as a duplex or in two separate structures.
