SUBJECT:

Presentation of Medal of Valor to Firefighter Tate Parker

DEPARTMENT: Fire**COUNCIL DISTRICTS IMPACTED:** All**BACKGROUND INFORMATION:**

On October 10, 2020, while off duty and in his own personal vehicle, New Braunfels Firefighter Tate Parker arrived at the scene of a motor vehicle accident involving a rolled-over 18-wheeler that was on fire. With the fire rapidly encroaching on the cab, and without regard for his own safety, Firefighter Parker used a personal tool to gain access to the passenger compartment, thus freeing and then helping the driver to safety.

Upon the arrival of the first firefighting units, there was not any survivable space found within the passenger compartment and the victim would certainly have been killed if not for the heroic and selfless actions of Firefighter Parker.
