SUBJECT:

Approval of the second and final reading of an ordinance amending Section 126-346 of the Code of Ordinances to restrict parking along a portion of East Nacogdoches Street.

BACKGROUND / RATIONALE:

Council District: 5

City Council unanimously approved the first reading of an ordinance amending Section 126-346 of the Code of Ordinances to restrict parking along a portion of East Nacogdoches Street on January 14, 2019.

Engineering staff received a request to restrict parking along the north side of East Nacogdoches Street between Kuehler Avenue and Karbach Avenue due to concerns about narrow streets and asphalt maintenance. This section of East Nacogdoches Street is approximately 23 feet wide. Vehicles parking on the north side of this section of East Nacogdoches Street are pulling off of the asphalt to allow for travel lanes to remain clear, but this causes the edge of the asphalt to require more maintenance as it breaks with vehicles driving over it.
