The subject property is located on the south side of Broadway between Rusk Street and Flushing. The property fronts Broadway, a 60-foot wide Collector, and abuts a 115-foot wide City Drainage right-of-way to the rear of the property, just north of the Union Pacific Railroad track. The 2.3-acre property is currently developed with a single-family home constructed in 1920 and two accessory buildings.

The applicant applied for a zone change from “M-2” Heavy Industrial District to “MU-A” Low Intensity Mixed -Use District earlier this year and the request was denied in May by City Council at the second reading of the ordinance.

The owner is seeking approval of the rezoning to R-1A-6.6 with the intention of recording a final plat of 4 lots for single-family residential use which was approved in May.

**Surrounding Zoning and Land Use:**

North - Across Broadway, R-3 / Single-family residences and agricultural use

South - M-2 / City drainage right-of-way and Union Pacific Railroad track

East - M-2 / Single-family residence

West - M-2 / Single-family residence

**ISSUE:**

The proposed rezoning to “R-1A-6.6” Single-Family District is consistent with the following actions from Envision New Braunfels:

- 1.6 Incentivize infill development and redevelopment to take advantage of existing infrastructure
- 2.1 Sustain community livability for all ages and economic backgrounds.
- 3.15 Incentivize home development that is affordable and close to schools, jobs and transportation.
