PRESENTER:

Jean Drew, AICP, CNU-A, Planning & Development Services Assistant Director

SUBJECT:

Public hearing and first reading of an ordinance regarding the proposed rezoning from “APD” Agricultural Predevelopment District to “C-O” Commercial Office District of approximately 25.097 acres out of the R. Ximinez Survey, Abstract No. 347, addressed at 409 Franks Road.

DEPARTMENT: Planning and Development Services

COUNCIL DISTRICTS IMPACTED: Council District - 1

The subject property is situated in Guadalupe County on the south side of FM 1044 approximately half a mile east of the intersection with County Line Road. It abuts the Highland Gardens neighborhood to the north and west. The applicant’s request is intended to create a mixed-use district of professional offices and residential use.

Surrounding Zoning and Land Use:

North - Highland Gardens PD / undeveloped (future single family)

South - R-1A-4 / undeveloped

East - Across FM 1044, APD Agricultural / Predevelopment District / undeveloped

West - Highland Gardens PD / undeveloped (future single family)

ISSUE:

The subject property is currently improved with several residential structures and barns. The adopted Regional Thoroughfare Plan shows the subject property is located within an area where several future major roadways will intersect including the relocation of FM 1044 from the extension of Rueckle Road (Parkway), the current FM 1044 (Minor Arterial), the County Line Road extension (Minor Arterial), and the extension of Highland

Vista (Minor Collector).

The proposed rezoning to Commercial Office is consistent with the following actions from Envision New Braunfels:

- **Action 1.3:** Encourage balanced and fiscally responsible land use patterns.
- **Action 3.1:** Plan for healthy jobs/housing balance.
- **Action 3.3:** Balance commercial centers with stable neighborhoods.

Future Land Use Plan: The property lies within the Walnut Springs Sub Area, with frontage on/access from a Transitional Mixed-Use Corridor.

FISCAL IMPACT:

N/A

RECOMMENDATION:

Staff recommends approval. C-O is appropriate with the subject property's frontage on FM 1044, its close proximity to other future major roadways around it, and the opportunity to provide a mix of residential, professional office and service land uses to the area.

The Planning Commission held a public hearing on June 7, 2022 and unanimously recommended approval. (9-0-0)

Mailed Notification pursuant to state statute:

Public hearing notices were mailed to owners of property within 200 feet of the subject property. To date, no responses have been received.
